STREET RAILWAY MEN REFER TROUBLES TO ARBITRATION BOARD

Strike Possible If Decision Is Against Increase.

At a mass meeting on Saturday night of the street car men which at times got somewhat warm, it was decided to refer the question of an increase in wages to an arbitration board.

The executive of the union was empowered to choose an arbitrator for the men. This committee was also given the power to call a strike in the event of the finding of the arbitrators not being suitable.

Some of the men wanted to call a strike on the 1st of May, but this was voted down by the majority.

Mr. Sinclair of Toronto, a member of the international executive, was present, and gave a lengthy address. Messrs. Dean, Hessel, Wheatcroft, Mitchell and other representatives from the local trades and labor council promised the support of their respective unions.

The demands in regard to working conditions have been partly acceded to by the company. The men will accept the working conditions as amended, if the wage question is settled to their satisfaction by the arbitration board. If, however, the award is not satisfactory a strike will be called. The company and the minister of labor will be notified immediately of the decision of the men to have an arbitration board.

The meeting Saturday night was an enthusiastic one, and there was a full attendance. It lasted from 12:30 till 5 o'clock a.m. The street railway company provided two cars to take the men home Sunday morning after the meeting.

VIOLA DANA in "A WEAVER OF DREAMS"

At the Patricia Today, Tuesday and Wednesday.

PATRICIA

Viola Dana.

"Weaver of Dreams," the Metro picturization of Myrtle Reed's novel of the same name, which will be shown at the Patricia Theatre today, Tuesday and Wednesday, is exceptionally well adapted as a starring vehicle for winsome Viola Dana, who appears as Judith Sylvester.

The role is a simple and lovable country girl, like June in Miss Dana's great success, "Blue Jeans," and the part is very similar in its appeal and human interest. "Weaver of Dreams" is a story of the heart, and Miss Dana excels in her characterization. The action takes place in a rural community, filled with quaint types of humanity, where, amid simple surroundings, a drama of the human heart is played and reaches is dynamic denouement.

Admirers of the stories of Myrtle Reed will rejoice in having an opportunity to see the characters they have learned to love brought to life on the screen.

MANY DISTRICT MEN IN PARTY WHICH WAS WELCOMED ON SUNDAY

Former London Policeman in Charge of Invalids.

Arriving in charge of a party of 34 invalided soldiers who reached here at noon Sunday, via G. T. R., Sub-Conductor Alex. Ewen, a former member of the city police force, returned to his home here yesterday. Several members of the force were on hand to welcome him back to London.

Conductor Ewen left London in the fall of 1914 with the members of the 6th London Field Battery, under the late Lieut.-Col. Woodman Leonard, but on reaching Valcartier camp was transferred to the Canadian Ordnance Corps, and went overseas with that branch of the service.

After about three full years in France he has now been invalided home. He has been with the ordnance staff of the 1st Canadian Division, until the first of this year, when he was invalided back to Moore Barracks Hospital in England.

Five Londoners.

Five Londoners were included in the party, which was taken to the Princess avenue barracks for dinner. Both there and at the station they were welcomed by the representatives of public bodies, assisted by a guard of honor and the band of the 1st Depot Battalion, W. O. Regiment.

RID STOMACH OF GASES, SOURNESS, AND INDIGESTION

"Pape's Diapepsin" Relieves Stomach Distress in Five Minutes.

You don't want a slow remedy when your stomach is bad—or an uncertain one—or a harmful one—your stomach is too valuable; you mustn't injure it with drastic drugs.

Pape's Diapepsin is noted for its speed in giving relief; its harmlessness; its certain unfailing action in regulating sick, sour, gassy stomachs. Its quick relief in indigestion, dyspepsia and gastritis when caused by acidity has made it famous the world over.

Keep this wonderful stomach sweetener in your home—keep it handy—get a large, fifty-cent case from any drug store, and then if anyone should eat something which doesn't agree with them; if what they eat lies like lead, ferments and sours and forms gas, causes headache, dizziness and nausea; eructations of acid and undigested food—remember as soon as Pape's Diapepsin comes in contact with the stomach it helps to neutralize the excessive acidity, then all the stomach distress caused by it disappears. Its promptness, certainty and ease in overcoming such stomach disorders is a revelation to those who try it.

SYSTEM WAS FULL OF POISON

Pain in Back So Bad at Times She Could Scarcely Walk—Thorough Cure Was Effected.

Flamboro, Ont., April 27.—At the season of the year there is a great deal of suffering from poisons in the system. Living too much indoors, breathing vitiated air and eating artificial foods all tend to derange the normal action of the kidneys, liver and bowels.

With these filtering and eliminating organs sluggish and inactive poisons are left in the blood to poison the whole system and set up pains, aches and serious disease. The writer of this letter was in a serious condition from constipation and kidney trouble when she began using Dr. Chase's Kidney-Liver Pills and was entirely cured.

Mrs. Ed Miller, West Flamboro, Ont., writes: "I can truthfully say that Dr. Chase's Kidney-Liver Pills have cured me of constipation. I suffered with constipation almost ever since I can remember, and for four years had pains at the left side of the back. If I walked across the kitchen floor, I would have to sit and rest. That, I think, was terrible for a woman of twenty years. The condition of my blood was shown by pimples breaking out on my face. I suffered so much from pains and stiffness in the back I am sure my system was full of poison. Dr. Chase's Kidney-Liver Pills have entirely cured me, and I feel better than I have felt for many years."

GEORGE ROONEY TAKEN BACK TO THE HOME

George Rooney, brought from Lucan Saturday morning for confinement to the jail as mentally unsound, turned out to be an inmate who had wandered away from Mount Hope Aged People's Home a couple of days before. He was taken back to the home at once.

Rooney, a man about 65 years of age, had been at the home only about ten days, and had been missed a day or two. He had gone out into London Township near Elginfield. The residents, not knowing from whence he came, and believing him to be mentally unsound, took him to Lucan in an automobile, where he was remanded for a week by Magistrate C. W. Hawkshaw. He was at once brought to London, and on his arrival at the jail his identity was discovered, and he was taken to the home in a couple of hours.

Though not of robust physique, Rooney put up quite a struggle when he was being taken from the automobile to the jail, and it is said, used his escorts rather roughly, in addition to making loud calls for police assistance.

LOCAL ODDFELLOWS VISIT ST. THOMAS

About 100 members of the local I.O.O.F. lodges made the trip to St. Thomas Sunday afternoon to attend the annual church parade there, leaving here in a special car about 2 o'clock.

On their arrival they marched to the special service in the Knox Presbyterian Church, where an excellent sermon was delivered by Rev. N. H. MacGillivray, a returned chaplain.

Local Oddfellows report that there was an excellent attendance at the service, and that the parade extended approximately a mile in length. The members of Canton No. 5, St. Thomas, were present in full uniform.

The parade was held in commemoration of the 99th anniversary of the founding of the order. A similar parade will commemorate the event here next Sunday, when the St. Thomas members will attend.
