NO ARMED FOREIGNERS.

United States Soldiers Cannot Go With a Relief Party to Dawson City.

[C. P. R. Special to The Advertiser.]

Ottawa, Feb. 7.—The Dominion government has advised the Washington authorities that the proposed expedition to be sent to Dawson City by the United States for the relief of citizens of the United States, cannot be accompanied by an armed body. The Canadian government will escort the expedition over Canadian territory with an escort of 50 men from the mounted police. The United States officials can remain in charge of the expedition. It is just probable that the expedition may be abandoned altogether.

ZOLA'S TRIAL.

Paris, Feb. 7.—At Zola's trial today, the crowds increased in number all the morning. The arrival of M. Henri Rochefort was the signal for shouts of "Vive Rochefort," and counter-cries of "A Bas Rochefort." Turning in the direction of the hostile cries, M. Rochefort shouted: "It would seem that with four of you at five francs apiece, the Dreyfus syndicate will not be ruined." M. Zola, who arrived in a carriage shortly afterwards, was greeted with vehement shouts of "Conspuez Zola)" ("Spit upon Zola"). An individual who shouted "Vive Zola," was promptly hustled and suppressed. M. Delegorgu announced that the court would be cleared if there was any demonstration. While the jury was being selected, M. Zola entered the dock. He was pale, and a few cries of "Vive Zola" were promptly suppressed.

David Christie Murray, the novelist and playwright, had a column interview with Emile Zola, which is published today in the Daily News. Zola, it appears, was anything but hopeful of the outcome of his trial, and said: "We know everything concerning the Dreyfus case; but it is impossible to describe the pressure to impose silence upon men who are able and ready to reveal the truth. Our documentary evidence is not even looked at, and our witnesses have refused to testify or have been ordered to be silent. There is no room for doubt. There is no question or possibility of a question. The facts are clear and absolutely beyond denial; but the authorities refuse to allow us to produce our evidence, and then hold up the feebleness of our cause to the derision of the public."

TESTED IN DRESDEN.

Dodd's Kidney Pills Win Yet Another Championship.

Dresden, Feb. 7.—The report of the wonderful case of J. M. McDonald, of Windsor, has reached Dresden and causes universal and interested comment.

The power of Dodd's Kidney Pills has for some time past been unanimously admitted, in this town, for we have had absolutely convincing proof of it.

Mr. W. G. Cragg, a prominent merchant, and ex-reeve of Dresden, was for eight years a sufferer from Inflammatory Rheumatism, aggravated by Gout. Our most skillful doctors failed to relieve him, and not till he began using Dodd's Kidney Pills did he find a cure. Six boxes cured him completely. He is now attending to business every day, thanks to Dodd's Kidney Pills.

Delusion may triumph, but the triumphs of delusion are but for a day.—[Macaulay.

SMALLPOX AT WINDSOR.

Stranger at the Police Station With All the Symptoms.

Windsor, Ont., Feb. 8.—At 10 o'clock Saturday night a stranger, giving his name as George Irvine, and his home as St. John, N. B., applied to the police here for aid, stating that he was ill and without money. He was placed in a cell at police headquarters and the city physician summoned. After a cursory examination it was announced that the man was seriously ill, and Irvine was ordered to the Hotel Dieu.

Early yesterday morning the hospital authorities notified the police department that Irvine had all the symptoms of smallpox, and must be removed from there at once, as they had no contagious disease ward. The city ambulance took Irvine from the hospital, and as there was no other place to which he could be taken, it was deemed best to return him to the police station. The police, however, had become alarmed, and, fearing infection, they refused to permit Irvine to enter the station.

Several hours the unfortunate man lay in the ambulance, being finally taken into the station, where he now lies.

REVOLUTION IN COSTA RICA.

Washington, Feb. 8.—A telegram received at the state department today from San Jose, Costa Rica, announces that a revolution was inaugurated there Friday.

DIED IN HAMILTON JAIL.

Hamilton, Feb. 7.—William Mercer, an old man, was found dead in jail early Saturday morning. The old man had been in feeble health for some time. He was an inmate of the house of refuge, but was sent away from there on account of his obstreperous conduct. An inquest was held, and a verdict of death from natural causes was returned.

Lyman Sons & Co., Montreal, wholesale agents. Avoid substitutes.

The fastest flowing river in the world is the Sutley, in British India. Its descent is 12,000 feet in 180 miles.

Why will you allow a cough to lacerate your throat or lungs and run the risk of filling a consumptive's grave, when, by the timely use of Bickle's Anti-Consumptive Syrup, the pain can be allayed and the danger avoided? This syrup is pleasant to the taste, and unsurpassed for relieving, healing and curing all affections of the throat and lungs, coughs, colds, bronchitis, etc.

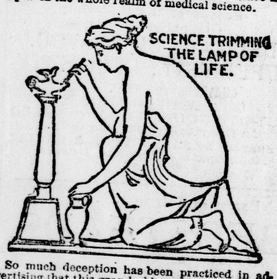
This is due to the fact that the company controls some inventions and discoveries which have no equal in the whole realm of medical science.



So much deception has been practiced in advertising that this grand old company now for the first time makes this startling offer:—

They will send their costly and magically effective appliance and a whole month's course of restorative remedies, positively on trial without expense to any honest and reliable man!

Not a dollar need be advanced—not a penny paid—till results are known to and acknowledged by the patient.

The Erie Medical Company's appliance and remedies have been talked about and written about all over the world, till every man has heard of them.

They restore or create strength, vigor, healthy tissue and new life.

They quickly stop drains on the system that sap the energy.

They cure nervousness, despondency and all the effects of evil habits, excesses, overwork, etc.

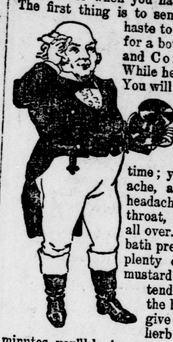
Write to the ERIE MEDICAL COMPANY, BUFFALO, N. Y., and refer to seeing the account of their offer in this paper.

Good Plain English

Is Better than Latin When You Address Sick Folks,

so we are going to tell you in plain English what to do when you have taken a bad cold. The first thing is to send a messenger post haste to the nearest chemist for a bottle of Shiloh's Cough and Consumption Cure. While he is gone, get to bed. You will know you are going to be ill because you will have hot flashes and chills—that is, be hot and cold at the same time; you will have backache, and bone-ache, and headache and perhaps sore throat, and feel wretched all over. Have a hot foot-bath prepared at once, with plenty of wood ashes or mustard in it, let your attendent pass it under the bed clothes and give you a bowl of hot herb tea. In fifteen minutes you'll be in a good sweat and Shiloh will have arrived. Now commence with this grand medicine according to directions, and by the time you have taken three-quarters of the bottle, your cold will have disappeared. If Shiloh, faithfully used, does not do what it promises, you're an exception to the majority, and shall have your money refunded. Sold in United States and Canada, 25c., 50c. and $1 a bottle; in England, 1s. 2d., 2s. 3d. and 4s. 6d.



S. C. Wells & Co., Le Roy, N. Y. GENTLEMEN:—Shiloh's Cough and Consumption Cure is the best remedy for coughs and croup I know of. All my neighbors use it and agree with me.

A Sensible Mayor.

The Example Set by His Worship of Owen Sound.

Owen Sound, Feb. 8.—A reporter saw Mayor Thomson, of this place, and asked him what part he would take with regard to the Ontario elections. The mayor was very quick and emphatic in his answer to the inquiry. He stated that although in the past he had taken an active part in the Conservative interest, so long as he occupied the position of mayor of Owen Sound he would abstain from actively connecting himself with any political organization, although he would still use his right as a citizen to exercise his franchise according to his convictions. Commenting on this decision of the mayor, the Advertiser, of this town, says: "This stand of the mayor's will be indorsed by every impartial and sensible citizen. In a town such as Owen Sound, having so much dependent upon government favor, it would be folly to perhaps antagonize the party in power by active opposition. Then again, municipal and provincial and Dominion politics are two altogether different things, and ought in no way to be connected. No one would think of denying to any citizen his right of voting according to his convictions, but we think the mayor is correct in his stand that the head of the municipality should abstain from active participation in the campaign, and that his action will meet with the approval of the citizens generally."

A LONG COUNT.

A Small Army of Experts Go Over Uncle Sam's $797,000,000 of Cash—Shortage of $859 Discovered.

Washington, Feb. 8.—A recount of the treasury cash disclosed a shortage of $859. The recount was made necessary by the appointment in June last of Ellis H. Roberts as United States treasurer in place of D. N. Morgan, was begun on July 1, and since that time about $797,000,000 in cash has been counted.

A colored man named Martin, employed as a laborer, was one day discovered in the coal and wood basement under suspicious circumstances, and a search resulted in the finding of a number of silver dollars which presumably he had abstracted from some of the bags. Martin made a confession, admitting that he had taken $28, for which he had substituted lead. The court imposed a fine of $50, and Martin was released.

This admission cast suspicion upon the entire contents of the vault, and a count by handling each individual piece was ordered. On Sept. 10 23 expert counters, and a force of laborers and verifyers, under the direction of G. C. Bance, assistant cashier, began the work of counting the contents of this vault. The time employed, therefore, was nearly five months, the counters working eight hours each day. The shortage of $859 will be made good by Mr. Morgan, the retiring treasurer. It is probable, however, as has been done in similar cases, that Congress will make an appropriation in Mr. Morgan's favor covering the amount.

TRAGEDY IN TORONTO.

Toronto, Ont., Feb. 8. — Hannah Young, 45 years old, was found in her home, at 45 Poulette street, dead, by the police yesterday. There was a deep gash in her forehead and a bruise on her cheek. Her husband, Frank Young, said that the wounds were caused by the woman falling on the stove in a drunken row, in which he and Wm. Irwin, a lodger participated. Irwin and he tell different stories, and they are both held by the police as material witnesses.

$5,000 FOR HER TWO SONS.

Toronto, Feb. 8.—The suit of Mrs. J. Holden against the Gutta Percha Company ended Saturday. Mrs. Holden sued for the sum of $5,000 each for the death of her two sons, Percy and George, who died as the result of injuries received in an explosion at the company's works in March last. She alleged contributory negligence on the part of the company's officials. The jury returned a verdict, awarding a total of $5,000 damages to Mrs. Holden, $2,000 in the case of Percy Holden, and $2,000 for his brother's death.

Fatal Fire.

Mother and Two Children Burned to Death.

Destruction of a Magnificent Cathedral in Georgia.

Drummondville, Que., Feb. 8.—Edmond Dupuis, on returning from church to his home, five miles from the village of St. Germain, Sunday, found his house in flames. Single-handed, he made desperate efforts to save his wife and children, but only succeeded in rescuing one child. Mr. Dupuis and the other two children perished almost before his eyes. The third child, who was rescued, is not expected to live, being badly burned. The origin of the fire is a mystery.

Savannah, Ga., Feb. 8.—Damage to the extent of $125,000 was caused by a fire that started in a hay warehouse on the wharf at the foot of Jefferson street Sunday night. While the fire brigade was fighting the fire, flames burst out in the magnificent cathedral of St. John the Baptist, holy seat of the Catholic Church in the state of Georgia, and it was soon a mass of ruins. The cathedral cost about $225,000, and was insured for $60,000. It was one of the finest ecclesiastical structures in the south.

A NURSE'S STORY.

Tells how she was cured of Heart and Nerve Troubles.

The onerous duties that fall to the lot of a nurse, the worry, care, loss of sleep, irregularity of meals soon tell on the nervous system and undermine the health. Mrs. H. L. Menzies, a professional nurse living at the Corner of Wellington and King Streets, Brantford, Ont., states her case as follows: "For the past three years I have suffered from weakness, shortness of breath and palpitation of the heart. The least excitement would make my heart flutter, and at night I even found it difficult to sleep. After I got Milburn's Heart and Nerve Pills I experienced great relief, and on continuing their use the improvement has been marked until now all the old symptoms are gone and I am completely cured."

Milburn's Heart and Nerve Pills cure Anaemia, Nervousness, Weakness, Sleeplessness, Palpitation, Throbbing, Faint Spells, Dizziness or any condition arising from Impoverished Blood, Disordered Nerves or Weak Heart.
