The celebrated Dr. Price is said to be reduced to a state little raised above positive starvation. A memorial is about to be addressed to Lord John Russell for a pension.

IRELAND.

Ireland still presents a melancholy picture of social distress and rampant patriotism. In certain districts the Poor-law Unions proclaim their insolvency; the gentry are to be almost as destitute as their tenantry; and the very elements which bind society together appear to be breaking up.

FRANCE.

The nomination of General de la Hitte to the Department of Foreign Affairs, in lieu of de Turgot, has [illegible] an unexpected surprise. [illegible] has been considered [illegible] Bonaparte, and will, of course, carry out the [illegible] military subordination *a tendresse [illegible]*.
