An experienced Nurse and Female Physician presents to the attention of mothers, her

which greatly facilitates the process of teething, by softening the gums, reducing all inflammation—will allay ALL PAIN and spasmodic action and is

SURE TO REGULATE THE BOWELS.

Depend upon it, mothers, it will give rest to themselves and

RELIEF AND HEALTH TO YOU INFANTS.

We have put up and sold this article for over ten years, and CAN SAY, IN CONFIDENCE AND TRUTH of it, what we have never been able to, of any other medicine—NEVER HAS IT FAILED in a SINGLE INSTANCE, TO EFFECT A CURE when duly used. Never did we know an instance of dissatisfaction by any one who used it. On the contrary, all are delighted with its operation, and speak in terms of commendation of its magical effect and medical virtues. We speak in this matter WHAT WE DO KNOW, after ten years experience, AND PLEDGE OUR REPUTATION FOR THE FULFILLMENT OF EVERY THING WE HERE DECLARE. In almost every instance where the infant is suffering from pain and exhaustion, relief will be found in fifteen or twenty minutes after the syrup is administered.

This valuable preparation is the prescription of one of the most EXPERIENCED and SKILLFUL NURSES in New England, and has been used with NEVER FAILING SUCCESS in

THOUSANDS OF CASES.

It not only relieves the child from pain, but invigorates the stomach and bowels, corrects acidity, and gives tone and energy to the whole system. It will almost instantly relieve

GRIPING IN THE BOWELS AND WIND COLIC and overcome convulsions, which, if not speedily remedied, end in death. We believe it the best and surest REMEDY in the WORLD in all cases of dysentery and DIARRHŒA in children, whether it arises from teething or from any other cause. We would say to every mother who has a child suffering from any of the foregoing complaints—do not let your Prejudice, nor the Prejudices of others, stand between you and your suffering child, and the relief that will be sure—yes, absolutely sure—to follow the use of this medicine, if timely used. Full direction for using will accompany each bottle—None genuine unless the fac-simile of Curtis & Perkins, New York, is on the outside wrpper.
