A Sale of Bedsteads

AT COST

And Why

We intended handling furniture, but on account of the amount of space required, which would interfere with our rapidly growing business in other lines, we have decided to sell off the bedsteads on hand (which consist of brass and white enamel) at cost --- the greatest bargain ever offered in this line of goods.

The sale will be short, but if you do not require one before May 1st we will store it free of charge. Come and examine at once before the best selections are made.

House Spends Day On Routine Business

Order of Day Not Reached at Saturday's Session of Legislature--Important Bills were Considered.

Fredericton, April 13.—The House met at three o'clock.

Hon. Mr. Murray presented the report of the standing rules committee.

Mr. Slipp on behalf of Mr. Woods introduced a bill to incorporate the Nerepis and Long Island Railway Co.

Mr. Cyr introduced a bill relating to the town of Edmundston.

The House went into committee with Mr. Burchill in the chair and agreed after discussion to the bill to amend the act respecting pedlars with amendments empowering any municipality to enact bye-laws to control pedlars' licenses.

The House went into committee with Mr. Young in the chair and considered the bill to incorporate the St. John and Quebec Railway Bridge Company.

In reply to Mr. Copp Hon. Mr. McLeod said that provision was made in the bill that the company might construct if they deemed it advisable other bridges in addition to the three large structures for which the subsidy of $1,000,000 had been granted by the Dominion government. He did not think there could be any objection to that.

Mr. Bentley said that hon. members had some information that the structures would be toll bridges and that the statement had been made in parliament by Senator Lougheed.

Hon. Mr. McLeod said that while Senator Lougheed had made the statement there was no truth for such a report.

Hon. Mr. Flemming explained the arrangement under which the interest on the bonds for the construction of bridges would be paid. No tolls would be exacted. The federal government had agreed to a guarantee of $1,000,000 and would pay the interest for the first 15 years. For the remaining portion of the fifty years for which the bonds were issued the interest would be paid out of the forty per cent. of the gross earnings on the proportion that the cost of the bridges bears to the cost of the road. The arrangement was a splendid one in the interests of the province.

In reply to Mr. Copp, Hon. Mr. McLeod said that he would submit to the House on Monday next a copy of the agreement to lease between the company and the two governments.

Mr. Bentley asked if the subsidy lease had been signed.

Hon. Mr. Flemming said that that was a matter for the Federal government, as the lease was between the Bridge Company and the Dominion government, but the contract was bound to be executed. Two companies were required, because two bond guarantees were given, but the composition of both companies was the same The St. John and Quebec Railway Company had under the agreement with the Federal and Provincial governments agreed to form a company to construct the bridges.

There was some discussion as to the amount of bond issue to be allowed under the provisions of the bill. Finally it was agreed to allow the section to remain as it stood originally providing for a bond issue of $1,500,000 for bridges.

The bills to incorporate the Norton and Springfield Telephone Company and the Sussex, Studholm and Havelock Railway Company were agreed to with amendments.

The House went into committee with Mr. LaBillois in the chair and agreed to the bill relating to the City of Fredericton with amendments. In connection with this bill Hon. Mr. Flemming said that when there were numerous amendments promoters of bills should secure typewritten copies of the amendments and have them supplied to the members and the officials of the House.

The committee also agreed to bills to fix the valuation on the Algonquin Hotel properties at St. Andrews, also to authorize the Town of St. Andrews to issue debentures for new school buildings; also to authorize the Town of St. Andrews to borrow money for sewerage purposes and to issue debentures therefor.

The House went into committee with Mr. Young in the chair and agreed to the bills to amend the act incorporating Fraser, Limited, to amend the act incorporating the St. Croix Docks and Railway Terminals Co., also the bill relating to the assessment of Fraser, Limited at Edmundston.

The House went into committee with Mr. Currie in the chair and agreed to the bills relating to the Town of Campbellton, to fix the valuation of Canadian Cottons, Limited at Milltown, and to amend the acts respecting the Town of Milltown.

Hon. Mr. Flemming moved that the promoters have leave to withdraw the bill incorporating the St. John Canal and Dock Co. and the Auto Road Company, and that the fees paid be returned to the promoters.

The House adjourned at 6.30 p. m.

TUNNEL MAY BE THE FINAL SOLUTION OF QUEBEC DIFFICULTY

Options on Properties Designed for Purposes of Transcontinental by Laurier Government Abandoned.

Quebec, April 13.—This city also has its tunnel question. Now that the present government has given up the options taken on the properties situated along Champlain street by the Laurier administration, which intended to have the Transcontinental terminals pass through the street, and the Union station erected on the old site of the Champlain market, the plan of constructing a tunnel under the city from a point near the Spencer Wood property on the St. Lawrence to a point at the Palais is said to be what will be finally announced. It is also said that the matter has already been decided upon as engineers have studied the scheme. It is stated that the tunnel plan would be cheaper than the first scheme.

Church Union Vote.

Although little interest was manifested by the congregation of the Exmouth St. Methodist church in the vote on church union, only 145 out of a congregation of 600 exercising their privilege to vote, sentiment on the proposed amalgamation proved less strongly in favor of it than in the other churches of that denomination of the city. Ninety-eight of the congregation voted in favor of union and forty-seven against, while the quarterly board voted against union 13 to 6.

LIQUOR TRAFFIC AND SOCIAL EVIL

Rev. Dr. Moore, of Toronto, Connects Two in Address Before Every Day Club Last Evening.

At the meeting of the Every Day Club last evening a striking address on the liquor traffic and the social evil was delivered by Rev. Dr. Moore, of Toronto, who is in the city in connection with the work of the World's Purity Federation. He pointed out the relation of the liquor traffic to the social evil, and claimed that if the liquor traffic was suppressed, it would do much to eliminate the social evil and abolish gambling. He dealt at length with the white slave traffic, and said that many of the victims of this traffic came from good homes. As indicating the extent of the traffic, he said that in Chicago alone, it was estimated that $20,000,000 a year was expended on the social evil, and as showing the waste of womanhood, he said that the average life of the victim of this traffic was only 5 years necessitating continuous recruiting.

Dr. Moore dealt with his subject in a frank and forceful fashion, illustrating his remarks by incidents drawn from his personal observations of the results of the traffic. He urged parents not to let their children grow up in ignorance of the perils environing them. His remarks were frequently applauded by the large audience.

In addition to the lecture there was an interesting musical programme consisting of a duet by Miss McCluskey and Miss Smith, a solo by A. F. Belding, a clarinette solo by W. G. Stratton, and a selection by the ladies' quartette of the Leinster Street Baptist church.

Rev. Dr. Flanders and C. Fraser McTavish, were present at the meeting.

OBITUARY

John Murray.

The death took place yesterday of John Murray, a well known resident of this city. The deceased was in his 80th year and besides a wife, leaves three sons and a daughter to mourn. The sons are James of this city, Daniel of Norwood, Mass., and Jeremiah of Revere, Mass.; the daughter is Miss Catherine, at home.

Mrs. Daniel J. Britt.

The large number of friends of Mrs. Daniel J. Britt learned with regret of her death, which took place yesterday at her late home, 341 Union street. Mrs. Britt had been in poor health for some time, but was able to be out about a week or ten days ago. She took a relapse, however, and death resulted. She leaves to mourn, besides her husband and four children, a mother, Mrs. John Kelly; a sister, Miss Blanche Kelly, and two brothers, Michael F., and John A. Kelly of this city. Mrs. Britt was a most popular lady with a very large circle of friends and her family have the deepest sympathy of the community.

John F. Estabrooks.

The death of John F. Estabrook occurred at his home 147 Main street last Saturday evening at 8 o'clock. The deceased was in his eighty-third year, and had been in poor health during the winter, although he had only been confined to his bed for the past six weeks.

The late Mr. Estabrook was born at Sheffield, Sunbury county, on June 18, 1828, and when a young man went to Boston, where for some years he conducted a drygoods store. In 1858 he married Margaret L. Akerley, of Burton, Sunbury county, and returned to this city in 1871 entering the wholesale fruit business, being the senior partner of the firm of J. F. Estabrook & Sons up till 1909 when ill health forced him to retire from active business. Besides his widow the deceased leaves four sons, Abraham J., William G., Harry S. and Ralph W., and two daughters, Mrs. John R. Cowan and Mrs. Joseph W. McAlery, all of this city. Henry A. Estabrook of Upper Gagetown is a brother. Interment will take place at Cedar Hill Cemetery on Tuesday afternoon at 2.30.

WM. F. BOARDMAN.

Special to The Standard.

St. Stephen, April 14.—William F. Boardman, a prominent citizen of Calais, and a son of William H. Boardman a former mayor of that city, died very suddenly last evening at his home, of heart disease. He had attended to business all day, but was taken ill on his way home and expired after his arrival there. He was about 55 years of age and is survived by a widow and two sons.

Captain Moran.

Announcement has been received of the death at Lynn, Mass., on Friday, of Capt. Robert Moran, a former well-known resident of this city, who will be kindly remembered by many of the older residents. Capt. Moran was a native of St. John, and was upwards of 75 years of age. He was a deep-sea sailor, and in his day circumnavigated the globe and was in many foreign ports. He never married, and lately has been living at Lynn with his niece, Mrs. Thomas Clerke. The body will be brought here for interment today.

PENNSYLVANIA IS STRONG FOR TEDDY

Continued from page 1.

In Allegheny county, which includes Pittsburg, Col. Roosevelt captured all eight delegates in the four districts. Among them is William Flinn, who has fought the regular state organization for years. In the Congressional district where Gifford Pinchot has his home Roosevelt national delegates won, but Mr. Pinchot's home county, Pike, sent a Taft delegate to the state convention.

Gov. Wilson had an easy time of it in winning 74 of the 76 delegates to the Baltimore convention. At present there are two Democratic state organizations in Pennsylvania, and each has endorsed the New Jersey governor for president. There were a few scattered delegates who favored Champ Clark, and in three districts there were delegates in favor of Harmon. The two Harmon delegates appear to have won, they are not instructed. Figures around indicated that the reorganized Democratic faction, headed by George W. Guthrie, of Pittsburg, and Congressman A. Mitchell Palmer, had elected a majority of their delegates in opposition to the regular organization, headed by James M. Guffey, of Pittsburg.

All the political parties in the state named candidates for congress in the 32 districts and also nominated candidates for the state senate in 25 of the 50 senatorial districts. The senators to be elected will hold office for four years and will have a voice in the selection of a United States senator in 1915 when Mr. Penrose's term expires.

The Democratic members of congress who came up for renomination were generally successful, but there were a number of surprises in the ranks of the Republicans. One of these was the defeat of Reuben O. Moon, in one of the Philadelphia districts, by an independent Republican. In Pittsburg John Dalzell, long a member of the national house, is not sure of being returned, according to the latest returns, he is opposed by M. Clyde Kelly, a prominent independent in the last legislature.

NEWCASTLE NEWS.

Newcastle, April 11.—Miss Evelyn Williamson returned yesterday morning from Fredericton Business College

Mrs. Osborne Nicholson returned yesterday from Moncton.

Miss Mary Driscoll of Douglastown spent the holiday with her sister, Miss Kate, at Blackville.

Walter S. Daley, teacher in Harkins Academy, spent Easter at Blackville with his sister, who teaches there.

Principal N. D. Cass, of Nelson, spent the holiday with his parents at Fredericton.

J. Alex Ingram, of the Miramichi News, Millerton, visited his parents, Mr. and Mrs. Henry Ingram this week.

Harold McLoggan, of the Bank of Nova Scotia, spend Easter with his relatives in Blackville.

Rev. Mother Provincial was here from Montreal this week, a guest at St. Mary's convent.

Capt. W. H. Belyea and daughter, spent Easter at St. John.

Miss Martha McKinley after visiting her parents at McKinleyville, returned to her school, McLaughlin Road, Kent Co., yesterday.

Blair Hutchinson and Geo. McInerney of the Royal Bank, spent the holiday at their homes at Molus River and Rexton respectively.

Children's Aid Proposed.

The committee appointed by the Moral and Social Reform Society of New Brunswick for this city met at the Y.M.C.A. on Saturday afternoon to consider the forming of a Children's Aid Society. After the matter had been thoroughly discussed it was decided to form the society and a committee consisting of Rev. H. E. Thomas, A. W. Robb and J. King Kelley was appointed to nominate officers and to draw up a constitution. It is the intention of this new society to cooperate with the proposed juvenile court should legislation be passed authorizing such a court in this city.

Pruning The Appendix

What thousands of people are rushed to the hospitals these days with the idea that pruning the appendix will rid them of the cause and effect of wrong habits of eating and living.

We eat too much, take too little outdoor exercise, breathe impure air, and when the system gets loaded with foul impurities, which irritate the digestive system and set up inflammation, we are told that the operating table is the only place for us.

Why not prevent appendicitis, as well as acute indigestion, peritonitis and Bright's disease of the kidneys by keeping the liver active and the bowels regular. Dr. Chase's Kidney-Liver Pills cleanse the digestive system of foul impurities more quickly than any treatment you can obtain. They awaken the liver and ensure the healthful action of the kidneys and bowels.

CANDIDATES ALL HOPE FOR VICTORY

The candidates in the final election for the city council are conducting a vigorous fight, and all consider they have a chance of winning out. The members of the citizens' ticket will address a number of public meetings during the week, and there is talk of arranging for a debate between all the candidates. Mayor Frink stands ready to meet his opponent on the public platform, but Mr. Bullock seems content to rely on his organization, which is about the best that has ever been formed for a civic campaign. Prior to the primaries Mr. Bullock sent personal letters to every voter on the lists, explaining his position and policy. To the Jewish citizens Mr. Bullock sent letters in Hebrew or Yiddish, while to the Arabians and other foreign-born citizens, he sent letters written in their native language.

Throwing Stones.

Louis Sullivan, aged 22, and Thomas Record, aged 19 years, were throwing stones on Union street, last night and struck Abraham Kierstead. They were arrested by Policemen Perry, McLeod and McCollom.

Seamen's Mission.

A very enjoyable temperance meeting was held in the Seamen's Institute on Saturday night. Mrs. J. Seymour in the chair. The Rev. D. Hutchinson was present and delivered a delightful address to the sailors. A very attractive musical programme was also given by Mr. Creighton, the Misses Creighton and Mr. Creighton, Jr. and consisting of pianoforte and cornet solos and duets and vocal duets. Miss Bullock accompanied the vocalists. On Sunday evening after song services, the Rev. J. D. Wetmore conducted the service and gave a splendid address. Mr. Wetmore brought his choir and they rendered several suitable hymns very tastefully. Both services were greatly enjoyed.
