Hockey Eatons 7 Parkdale 3 ❖ Scotch Curlers Depart ❖ Tankard Finals To-day

Note and Comment

The visit of the Scotch curlers to Toronto was brought to a successful termination on Saturday night. Tho the tourists failed to win a game they showed themselves good losers and made a host of friends. To-day the tankard finals will begin and to-morrow night will see the finish and the battered old trophy presented to the winner. Tho mild weather is looked for the frost is likely to hold out over Tuesday. Next week the exodus to Winnipeg takes place.

When Brooklyn got Pitcher Eddie Stack from Philadelphia in exchange for Doc Scanlon this winter it was intended to turn over the southpaw to Toronto. Kelley concluded he would rather have Steele come with Catcher Fisher in exchange for Eddie Phelps, and Manager Dahlen consented to the change. In Brooklyn they are happy over the fact of securing Phelps.

At least one prominent Toronto officer of the Canadian Cricket Association is of the opinion that Winnipeg is entitled as the headquarters of that body and furthermore he will use his influence, which is considerable, to have the change brought into effect.

Here is an item going the rounds that reminds you of an incident not very long ago that occurred in the Agnes street Theatre. Monte Dale, the boxer, has brought a suit against Battling Nelson for $100, balance which he asserts is due to him from Nelson for his part in the 15rd bout between the pair at Manchester, N.H., last October. Nelson gove the exhibition on a percentage arrangement with the house, contracting to bring an opponent, which he did in the person of Monte Dale, who says he was promised $250, but received $150. Nelson's lawyer says that $150 was all that was promised the boxer.

In view of Commissioner O'Neil's statement that private enquiry had established proof that Abe Attell faked in his recent bout with K. O. Brown, sporting men in New York renewed their discussion of the scandal which has resulted in the barring of Attell from all clubs in that state for a period of six months. Commissioners O'Neil and Dixon declared that they would make public the evidence in hand at the proper time, but they were unable to say just when. They have exonerated Brown and his manager, Dan Morgan, and have created the impression that when Attell lost the bout he must have derived a secret benefit or that others manipulated things for him. It was stated that the commissioners were ready to prove that Attell, at first intending to bet $1800 on himself, had changed his mind at the last moment, and that persons closely identified with him wagered heavily on Brown.

The following from a London (England) paper shows how far this city is behind or ahead of the world's metropolis in Sunday amusement, the item being especially to the point at the present moment, when boxing any day of the week with us is in the balance, and you may not, perhaps, even slide on the Sabbath Day:

The Jolly Judeans.—The wonderful miniature sporting club in St. George's, where they manufacture champagne by the dozen, is going as strong as ever it was. On Sunday afternoon one of Fred Karno's company of famous comedians paid a visit to the Judeans. The afternoon's important item, a six-round contest between Jack Gould and Johnnie Warrington, was quite interesting. Gould was at a big disadvantage in height, reach and weight, but nevertheless managed to win in fine style. Summary of six-round contests: Alf Lewis beat Charlie Pell on points; Darkey Archer beat Bill Smith on points; Jack Gould beat Johnnie Warrington on points; Kid Barton beat Sam Peters on points; Jack Crosby and Willie Scott boxed a draw.

Basketball on Tuesday.

The big fixture of the week in basketball circles will be the game Tuesday night at Central Y.M.C.A. between the husky Hamilton Tigers and Central Seniors. It will be the first senior game here in the Ontario Basketball Association and it will go a long way towards determining who will be Canadian champions for 1912 and 13, as the Tigers have already beaten both the West End and Hamilton Y. teams. The Centrals were out Saturday afternoon and worked like beavers for an hour. They are all in good shape, with the exception of Chester Tompkins, who has not yet recovered from injuries received in the Detroit game, New Year's. His place will be taken by either Clarence Dunn or Madgett.

Fencing.

The Dominion ..... fencing championships for the Diamond Hall Trophy will be held at the T.C.Y.M.C.A. Feb. 20, 21, 22, 23, foil v. foil and sabre v. sabre. Gold, silver and bronze medals and trophies awarded.

EATONS WIN FAST GAME FROM PARKDALE

Big Store Showed Superiority in Second Half, But Teams Were Pretty Evenly Matched.

As was expected the Eaton-Parkdale senior O.H.A. game was a great battle and it was only after one hour's good fast playing that the big store team were returned the winners by 7 to 3, with half time score 3—1 in their favor.

Eatons had on their regular line-up, while Parkdale were without Lawson, their big point player, who is still carrying his arm in a sling. Kernel Ridpath, however, put in an appearance and Ack. Hunter was played at point and Edwards at right ring.

The ice was in excellent condition and the game lightning fast right from the start. The teams were very evenly matched with honors for the early part going to Parkdale, wonderful goal tending on the part of Bricker preventing a score. After 15 minutes of play in the first half Laflamme finally beat Gall and Eatons were awarded first blood. This same player got another and then Tony Evans scored for the west enders on a nice shot from the side. Foyston notched one for the big store and the score at the intermission was Eatons 3, Parkdale 1.

The second half found the teams keyed to the highest pitch. Eatons seemed to settle down better and their forwards worked more together, the result being that Meeking soon got a goal. Parkdale were hard at it and the next went to them on a good shot by Evans. Foyston scored for Eatons and Evans for Parkdale. From then on the big store had the better of the argument and the Parkdale boys did not help their chances by tripping and other foolish acts, which earned them penalties. Eatons scored two more before time was called and the final score was Eatons 7, Parkdale 3.

The teams showed intense rivalry and Chaucer Elliott was busy chasing the offenders to the penalty box. It seems unfortunate for hockey that players cannot go thru a game without resorting to some petty little act that deprives their team of their services. There are several players who use the butt end of the stick on an opponent, which is not only dirty, but also dangerous and often causes trouble. If referees catching players doing this and other similar acts would banish a few of them for the balance of the game, probably that would stop it.

What might have been a serious accident, but which fortunately turned out all right, occurred when Beulah Davidson was skating at full force down the side of the rink and the penalty box gate was suddenly thrown open, catching Davidson near the shoulder and giving him a nasty toss. Many thought his collar bone was broken, but he was all right in a minute or two. Enquiry revealed the information that Kernel Ridpath was serving a penalty and when his time was up, play was at the north end of the rink, but when he tried to leave the box the door stuck. Ridpath then gave the door an extra hard shove and did not see Davidson coming down the side, the result being as before mentioned. Several loud-mouthed individuals shouted dirty Eatons, not knowing how the accident occurred.

Chauces Elliott refereed the game in excellent style and it is unfortunate that the public are so blind partisans that they seemed to see every act of the referee personally given against their club. The teams:

Eatons (7): Goal, Bricker; point, Rankin; cover, Hyland; rover, Laflamme; centre, Meeking; right, Matthews; left, Foyston.

Parkdale (3): Goal, Gall; point, Hunter; cover, Davidson; rover, Bartlett; centre, Evans; right, Edwards; left, Ridpath.

Referee—Chaucer Elliott.

Varsity 14 to 4 Win From Simcoes

Students Too Heavy for Rivals in Junior Series, The Half Time Score Was 3-3.

At Ravina Rink, West Toronto, Saturday night, Simcoes and Varsity Juniors, who are tied in the fourth district of the Junior O.H.A. series, played before a large crowd. The teams lined up as follows:

Simcoes—Goal, Melville; point, Lavery; cover, Clark; rover, Henderson; centre, Ellis; right, Warwick; left, Heintzman.

Varsity Juniors—Goal, Armstrong; point, Clarkson; cover, Boulter; rover, Reynolds; centre, Milne; right, Sinclair; left, Gouinlock.

F. C. Waghorne was referee.

Both teams played splendid hockey, but Varsity had the advantage in weight. At half time the score was three all.

The final score—14 to 4 in favor of Varsity.

Crowd Suspicious Of a Frame-Up

Ottawa Led at First, But Wanderers Show Surprising Form and Come From Behind.

OTTAWA, Jan. 27.—Wanderers, outplaying the Ottawas in the second and third periods, after being outclassed in the opening period, sprung the biggest surprise of a season of surprises at the Arena to-night, downing the Stanley Cup holders by 9 goals to 6, in a National Hockey Association fixture. Play was fairly fast thruout, with a lot of rough hockey thrown in by way of excitement, and the defeat of the champions came as a thunderclap, particularly in view of the easy manner in which they had accumulated a lead in the early stages, and the rumors that were afloat concerning an alleged "frame-up" to allow Wanderers to win. The result gave the game a decided setback in the capital and hundreds left the rink in the third period, under the impression that the Ottawas had played to lose. Such stories, however, were evidently absurd, for the game was a hard-fought one and Wanderers surely deserved to win. They were off-color in the first period, but came back strong in the second, and finished like real hockey-chiefly responsible for their victory.

In the first period the Ottawas took two, and Wanderers one, Kerr scoring a third for Ottawa and leaving it 3 to 1 when the teams crossed over.

In the second Wanderers tied the score at 3 to 3, 4 to 4, and they skated off with the score 5 to 5.

Shortly after the commencement of the third quarter Ross scored on a spectacular rush from goal to goal, making it 6 to 5. Ottawa pulled their defence down to the attack, Lake and Shore leaving Ross another opening. The big defence man suddenly shot away alone and cinched the game for the visitors by making it 8 to 5. Russell made it 9 to 5, and, tho Ottawas tried desperately, they could not overcome the lead, Wais getting a lucky goal, with but a minute to play.

Wanderers (9)—Goal, Boyce; point, Ross; cover, S. Cleghorn; right, O. Cleghorn; centre, Russell; left, Roberts.

Ottawa (6)—Goal, Lesueur; point, Lake; cover, Shore; right, Darragh; centre, Ronan; left, Kerr.

Referee—Russell Bowie.

Judge of play—Ernest Butterworth.

Hockey Gossip

The game this evening at the Excelsior Rink is an International-Stormont H. A. battle between the Argonauts and West Toronto Rangers. The Argos have a good chance to land their group, and are looking for a win.

The Simcoes got a rather rude jolt from Varsity juniors on Saturday. The Varsity team are a big, husky lot of boys, who will be hard to beat for the championship.

Practice hours at the Excelsior Rink today are as follows:
5.30—Upper Canada College v. Varsity.
7.00 to 7.45—Argonaut juniors.
8.15—Rangers v. Argonauts (inter.).
10.00—Roscos.

Eatons received $329.50 as their share of the gate on Saturday night against Parkdale, and, wit ha rink capable of holding twice the number, there would still be people unable to see the game, so ardent are the followers of hockey in Toronto.

Oshawa and Argonaut juniors meet in the second game to decide their group on Tuesday night at the Excelsior Rink, starting at 8.15. Oshawa won the game in Oshawa last Friday night by 6—4, but the Argos think they can overcome that lead and win out. Word comes from Oshawa that the town has organized an excursion, and it is expected that at least four hundred hockey enthusiasts will accompany the team to Toronto on Tuesday night.

In a well-contested game of hockey between the Acton Publishing Co. and the Canadian Fairbanks-Morse Ltd., played at Varsity Rink Saturday afternoon, the score resulted in favor of the Canadian Fairbanks-Morse Co. by 8 to 2. Leonard of the Fairbanks' team played a brilliantly attractive game and much credit is due him for the victory achieved by the scalemakers. Mr. Geo. Hortop officiated as referee.

Princeton Wins From Yale.

NEW YORK, Jan. 27.—Princeton took the lead in the Intercollegiate College Hockey League by defeating Yale in St. Nicholas Rink, 4 to 1. It was a fine game, altho scoreless in the first half.

Mercantile Hockey League.

In the Mercantile Hockey League on Saturday Aikenheads defeated Howlands 6 to 3. The winners lined-up:

Goal, Simpson; point, Taylor; cover, Smith; rover, Lennox; centre, Wright; left wing, Tew; right wing, Harman (capt.).

Referee, Tackaberry.

Davisville Trims Lourdes.

Davisville defeated Lourdes, 6—2, on the Don Flats.

Davisville (6)—Goal, Dureen; point, McRea; cover, Price; rover, Moxon; left wing, Saunders; right wing, Woodhouse; centre, Murphy.

Lourdes (2)—Goal, Dunnegan; point, Fitzsimmons; cover, Steacy; rover, Folger; left wing, Mogan; right wing, Thompson; centre, O'Connell.

The game was very slow, with much snow on the ice. The game puts Lourdes out of the running. W. L. McGannon, referee.

Riverdale Defeats Athletics.

Riverdale defeated Athletics, 6—2, in a good contest. The game was called for 10 p.m. at Excelsior open-air rink, but the snowfall was so great that it was impossible to keep the ice clear, so Mr. Ferguson, manager of Riverdale, secured the Excelsior covered rink from 11.30 to 12.30.

The game was very fast and clean. Riverdale led at half-time, by 3—1. In the second half Mr. Hunter, the clever captain of the Athletics, received a cut on the forehead from the puck and was forced to retire, Philpott (R.) going off to even up. Final score was 6—2 for Riverdale. Teams:

Riverdale (6)—Goal, Maxwell; point, Philpott; cover, Kirkpatrick; rover, Valiant; left, Thompson; right, Charters; centre, Allan.

Athletics (2)—Goal, G. Thayer; point, T. Bowles; cover, W. Hunter; rover, L. Campbell; left, A. Wilson; right, R. Driscoll; centre, A. Bowles.

Ski Runner Makes A Jump of 123 Feet

GARY, Ill., Jan. 28.—Lars Haugen of the North Star Ski Club of Chippewa Falls, Wis., and brother of Anders Haugen, formerly champion professional ski runner of America, won the professional championship of the national ski tournament at the closing day of the meet here to-day. He made two jumps, of 121 and 123 feet, and scored .232 on form.

Haugen's leaps were negotiated beautifully. Sailing high, he cleared all of the rough portion of the hill on both jumps and finished with pretty slides on the flat ground at the foot of the slopes.

Sigourd Hansen won the professional long standing jump at 119 feet. Carl Solberg, amateur champion of America, won the long standing jump in his class at 121 feet.

The twin jump was won by Schoyen and Benson of Superior, Wis., and Red Wing, Minn, respectively, at 100 feet. Frank L. Otsen of the Norge Club won the boys' event with a leap of 100 feet.

Duluth was given the tournament for next year.

Canadiens Still Lead the N. H. A.

Game Was Very Fast and Close Thruout—Frenchmen Were Lucky to Win.

MONTREAL, Jan. 27.—Canadiens made their hold on the leadership of the N.H. A. by defeating the Quebec Club in one of the fastest and most closely contested games seen here this season, by 5 to 3.

The Frenchmen were fortunate to come thru the hour's play with a margin of two goals to their credit.

In playing merit they were not noticeably superior to the Blues, who put up the best exhibition they have shown here this season. Indeed, in the last period of the contest, they actually outplayed the locals, and it was only by herculean efforts on the part of the Canadien defence that the lead was maintained. There was little if any foul checking, but within the rules the players went the limit and while the defensive tactics used by either team were legitimate, they were extremely forceful and effective. One or two of the men willed under the continuous hammering and showed signs of distress before the gong announced the conclusion of the struggle. The line-up:

Canadiens (5): Goal, Vezina; point, Dubeau; cover, Laviolette; centre, Glass; right, Pitre; left, Payan.

Quebec (3): Goal, Moran; point, Prodgers; cover, Hall; centre, Malone; right, Chapman; left, McDonald.

Referee—Joe Powers. Judge of play—Jack Marshall.

PICKERING COLLEGE 7 NEWMARKET O.H.A. 5.

NEWMARKET, Jan. 27.—Pickering College defeated the Newmarket Junior O.H. A. team Friday night by 7 to 5 in the fastest game of hockey seen here this season.

The puck was faced at 8.15, in the college rink, and in a minute and a half college scored the first goal. Newmarket evened up and put in three more to college's one, making the half time score 4 to 3 in favor of Newmarket.

There were seven penalties, evenly distributed in the first half, but in the second clean fast hockey was the order. Only once did the Newmarket line get past the college defence, and the excellent combination work of the wings found the O.H.A. men five times.

College played a brilliant game in the last half. Final score, College 7, Newmarket 5.

The work of Mike Workman in goal, was excellent, while Quigley at centre and H. Wade (capt.), showed At Corm. Moore and Sparks at defence were impenetrable. Epworth and Martin are very fast and good stick-handlers. The line-up:

Pickering College (7): Goal, A. Workman; point, L. Sparks; cover, F. Moore; rover, G. Pearson; centre, F. Quigley; right, B. Wilson; left, H. Wade (capt.).

Newmarket (5).H.A.: (6): Goal, Bogart; point, P. Epworth; cover, Blair; rover, N. Epworth (capt.); centre, Leonard; right, Martin; left, Charles.

Referee—Mr. Racine.

Stormont-Glengarry Hockey.

CORNWALL, Ont., Dec. 23.—The Glengarrians of Williamstown met their first defeat of the present season in the Stormont-Glengarry Hockey League, when they were defeated at the Victoria Rink, Cornwall, by the Internationals of Cornwall, champions of last season. The game was 4 to 2, and the match was witnessed by a large crowd of fans, despite the very cold weather.

The Glengarrians did not play up to the form they have shown previous contests, while the Internationals, realizing that another defeat would be almost fatal to their chances of holding the McDonald Cup, played a great game and won on their merits. They scored the only two goals registered in the first half, but the Glengarrians came back gamely in the second period and tied the score. They could not hold the pace, however, and the Internationals made 4 to 2 ere time expired. It was a strenuous hard-checking game, but there were few fouls, and the only penalties handed out were ten minutes each to C. Cattanach and E. Somerville, the big men of their respective teams, who indulged in a little fistic encounter. The teams and officials were as follows:

Internationals (4)—Goal, F. Sugden; point, E. Sommerville; cover, Corbet Denneny; rover, M. Degray; centre, Cyril Denneny; right wing, D. Phalen; left wing, L. Degray.

Glengarrians (2)—Goal, A. Larocque; point, J. A. Raymond; cover, C. A. Cattanach; rover, E. Sullivan; centre, G. Stewart; right wing, A. Sullivan; left wing, W. Cattanach.

Referee—E. A. Kennedy, Cornwall.

Judge of play—E. MacIntyre, Williamstown.

Allan Cup May Change Hands.

WINNIPEG, Man., Jan. 26.—Victorias, holders of the Allan Cup, lost to the Monarchs 13 to 6 and the trophy-holders are now in second place in the league race. Dion, the Ottawa star, did not play for the Victorias, being on the sick list. Varsity leads with three wins and one loss, Victorias two wins and two losses, and Monarchs one win and three losses. If Varsity wins next Thursday it will mean that the Allan Cup will change hands.

Detroit Down T.A.A.C.

DETROIT, Jan. 27.—The Detroit hockey seven to-night defeated the senior team of the Toronto Amateur Athletic Club, 3 to 2. To-night's game was the play-off of last night's 0-to-0 contest.

Cleveland Wins From Boston.

CLEVELAND, O., Jan. 27.—The Intercolonials of Boston were easy for the Cleveland A. C. hockey team, 5 to 1, here to-night, in the second game of their series.

FAILED TO WIN A GAME

Scotch Curlers Leave Toronto for Hamilton and the Falls.

Every curling club in the city was represented at the Union Station when the Scotch curlers left at 6.20 last evening for Hamilton. They lost every game in Toronto. It being the Sabbath, the departure was quiet and consisted in handshaking and well-wishes.

In the morning those who had not private engagements attended divine service on the invitation of Rev. T. Crawford Brown at St. Andrew's Church, King street.

Early in the afternoon Col. Robertson-Aikman and several of his men accompanied by Col. Robert Reinie, chairman of the local curlers' reception committee, paid an informal visit to government house, spending a half-hour with the lieutenant-governor.

The Scotch curlers spent a quiet Sunday evening in Hamilton. They are at the Falls sight-seeing to-day.

To-morrow afternoon the outside clubs will be tackled at Hamilton and the city clubs in the evening.

The further program for this week is as follows:

Wednesday, at Galt.
Thursday, at London.
Friday and Saturday, at Detroit.

An elaborate program has been arranged by the Detroit curlers, where the O. C. A. series of games will be played.

They go from Detroit to Chicago, St. Paul and Winnipeg.

The International Skating Union Have Arranged Tour

NEW YORK, Jan. 28.—At a meeting here to-day of the International Skating Union, a circuit for the international amateur championships was arranged and a plan devised thru which it is hoped to insure the appearance of the best skaters in all the championship meets. Representatives of the Canadian, western, middle states and eastern skating associations attended the meeting. The suspension of the New England Association was lifted and that organization also was allowed representation.

It was decided to organize the contestants from this country and Canada who qualify for positions, into a team and have them, under the direction of a manager, make the tour of the championship meetings, the expenses of the team to be borne pro rata by the rinks in the various cities. This arrangement is expected to obviate the difficulty which organizations in the different cities have heretofore had in dealing individually with the contestants.

About 15 of the fastest amateur speed skaters in Canada and the United States, it was announced, will report in Boston, where the tour will begin, with the international championship meeting on Feb. 15 and 16. On Feb. 17 the American indoor championship meeting will be held in this city. An outdoor meeting will be held in Poughkeepsie, N.Y., on Feb. 19, if the ice is in a favorable condition. Syracuse, N.Y., will be the next stop on Feb. 20 and 21, where the eastern championships will be held. The circuit will end at Cleveland, O., on Feb. 22 and 23, where the middle western championships are scheduled. Allen I. Blanchard of Chicago was elected president, Louis Rubenstein of Montreal secretary-treasurer, and A. W. Norfolk of Boston chairman of the board of control.

NEWARK AND THE OUTLAWS

Promoter Wants Franchise—Barrow Has No Fears—International Schedule.

NEWARK, Jan. 28.—The placing of a United States Baseball League team in Newark is proposed by Robert B. Stoutenburg, a real estate dealer of this city. Stoutenburg said that he had been commissioned by several New York men, whose identity he could not reveal, to secure a franchise in the league and locate a site for grounds.

The Newark man said that, if successful, the franchise would be taken out in his name, and that he would be identified with the new club. He will apply at once to President Witman of the United States League for the franchise. The independents think that Newark is a fertile field for another team, as the city has never had a pennant, altho in the old Eastern League circuit for ten years.

President Edward Barrow of the International League, who was here yesterday, said the story was new to him, and added that he did not fear competition from the new league.

Mr. Barrow is working on a tentative schedule for the International League. The various club-owners have forwarded him a list of Sundays and holidays they want at home. A draft of these dates will be issued to the club-owners soon, and afterward Barrow will draft the dates he will submit to the schedule meeting, which will be held in Providence on Feb. 21st.

Royal Canadian Notes.

The Royal Canadians' euchre party will be held at the clubhouse this evening.

All members of the club interested in baseball are requested to attend a meeting at eight o'clock on Wednesday night.

The bachelors and benedicts will hold their annual bowling match for an oyster supper on Friday night. Blonde Cullitton will shortly join the benedicts, but would like to be winner once more with the bachelors before he leaves them.
