

# HEALTH FOR THE SICK!

## VOLUNTARY TESTIMONY.

Messrs. DEVINS & BOLTON, Druggists, next the Court-House, Montreal, have received the following letter from Mrs. M. J. NOLIN HEROUX, witnessed and confirmed by her husband and E. M. ROY, merchant, of St. Phillips, Laprairie, of a wonderful cure by **Bristol's Sarsaparilla**.

Messrs. DEVINS & BOLTON:

SIRS—The present is to certify that I, M. J. NOLIN, 40 years of age, wife of M. HEROUX, Notary Public, have suffered for a year with violent palpitation of the heart, sudden chills, extreme heat and cold in various parts of the body, attended with great pain, particularly in the arms; my pulse was very variable—very slow or quick; frequently a tendency to faint, with a sense of suffocation; sleep troubled; irritable, and very low spirits. I tried several medical men without deriving any benefit, and they all concluded by giving me up. In July last, I saw in the papers, "**Bristol's Sarsaparilla**,"—"Blood is Life." I purchased five bottles at your store, which afforded me relief from the first dose. A substance resembling very fine white sand came from my legs in quantity, after which I recovered my nearly lost faculties, and was free from pains, palpitations, and chills, and perfectly cured of my affliction in ten weeks. I am convinced of the superiority of this remedy over all others.

Signed,

M. J. N. HEROUX,  
EMELIEN ROY, Merchant.  
Mr. HEROUX, Notary Public.

## HOME EVIDENCE.

Mr. R. DUGAL, Chemist and Druggist, Crown Street, Quebec:

SIR—I send you the following certificate attesting the efficacy of **Bristol's Sarsaparilla**:

RESULT OF A SLOW FEVER—I certify that on the 19th March, 1860, my son, nine years old, was obliged to keep his bed from the above sickness. I employed the best doctors, who took him under their charge for two years, without affording relief. Last spring I commenced to give **Bristol's Sarsaparilla**, and from the moment he began taking the remedy a rapid improvement took place, and at present he can walk with facility. I therefore advise all persons suffering with similar maladies to try **Bristol's Sarsaparilla**.

### RHEUMATISM CURED!

Still another of our well-known and highly respectable neighbors has come forward under a sense of duty, and made the following statement:

ST. CONSTANT, DIST. OF LAPRAIRIE, *May 25, 1863.*

Messrs. DEVINS & BOLTON, Druggists, next the court house, Montreal:

DEAR SIRS—When I began using **Bristol's Sarsaparilla**, I had been for nine months suffering with rheumatism, and had completely lost the use of my legs, being unable to walk during four months out of the nine. The first bottle of **Bristol's Sarsaparilla** gave me great relief, and before I had finished seven bottles, I was entirely free from pain, and able to walk as well as I ever could. You will confer a favor on many by making these facts public, which I shall be glad to confirm.

Very respectfully yours,

THOMAS QUELLIAN.
