GANANOQUE CANOE RACES TORONTO PADDLERS WIN

Blomfield and Brent Carry Off the Honors in Record Time.

Reg. Blomfield, the crack paddler of the Toronto Canoe Club, cleaned up in the A.C.A. regatta at Gananoque, held off Sugar Island on Saturday. He carried away four first prizes, winning every event in which he competed. The affair was most successful, there being large crowds present from Brockville, Belleville and other towns. The lake was covered with yachts, sailboats and craft of every kind, and the greatest interest was taken in the various events.

The races were very keenly contested, altho the entries were not as numerous as in former years. In th half-mile tandem, record time was made, Blomfield and Hal. Brent (also of the Toronto Canoe Club) winning by three feet. It was anybody's race until the finish, Mathers and Dey being sturdy opponents and fighting hard until the last stroke.

In the mile double-blade contest, Dey led all the way until the last 50 feet, when Blomfield came on with a spurt and won by half a length. He was almost exhausted at the finish and keeled over in his boat. Mathers of Medford, Mass., who was third, won this event last year at Cup Cod.

The quarter-mile mixed tandem was won by four lengths. Miss Snyder, Blomfield's companion, is a daughter of the wealthy Cincinnati manufacturer. She volunteered to enter the race, and proved a very skilful canoeist. She was entered as hailing from Chicago, but demurred, saying that she was a Canadian still, and wished to be entered as from Toronto, where she was bokrn.

The war canoe races were done in fast time. The Brockville Y.M.C.A. had secured a new boat and obtained revenge over the Bohemians from the same town fortwo prior defeats this season, by taking both the mile and half-mile events.

The summary is as follows:

One-half-mile, single-blade, straightaway—Blomfield (Toronto Canoe Club) 1, Dey (Ottawa) 2. Time 4.28.

One-mile double-blade—Blomfield 1, Dey 2, Mathers (Medford, Mass.) 3. Time 8.20.

Half-mile men's tandem—Blomfield and Brent 1, Dey and Mathers 2. Time 4.05.

One-quarter-mile mixed tandem—Blomfield and Miss Snyder 1, Dey and Mrs. Plummer 2. Time 2.10. Won by four lengths.

War canoe, one-half mile—Brockville Y. M. C. A. 1, Bohemians 2. Time 3.38. Won by half a length.

War canoe, one mile—Brockville Y. M. C. A. 1, Bohemians 2. Time 6.36. Won by four lengths.

Sporting Editor World,—My good friend "The Captious One," in his Echoes of the Week, in your Sunday edition, comments upon the revival of amateur rowing in Canada, and gives me what I consider undue credit for the good results recently shown.

The permanent course, so favorably established near St. Catharines, has had more to do, in my humble opinion, with the increased interest shown in this branch of amateur sport in Canada than anything else, and, altho I was one of the original three appointed to carry out the project of its establishment, yet the work done by the committee of the Canadian Association of Amateur Oarsmen should not be taken lightly, as every member has striven hard to establish what promises to be the best rowing course for amateurs in the world, and among those who deserve special mention and every credit are Messrs. A. Claude Macdonell, president of the C. A. A. O., and F. H. Thompson, chairman of this year's regatta committee, whose efforts have been untiring.

It was Mr. Thompson, now captain of the Argonauts, who first suggested the present course as a permanency for Canada's rowings championships.

Exhibition Bench Show.

Entries for the exhibition dog and cat show are set to close with Manager Orr, 70 East King-street, to-day. So far the entries are most satisfactory. A moment there is a bulldog that is priced at $10,000. A feature is the number of new owners who are entering. The green classes for collies, foxterriers and cockers are filling uncommonly well.

Referring to Winnipeg Oarsmen.

London, Aug. 14.—"Geraint," under the "Sporting Notions," in The Referee, referring to the Winnipeg team says: "We are apt to be a little remiss in at least the formalities of hospitality when colonial visitors are concerned. The Canucks are capital fellows to meet in a mild degree. But when you come to contrast the receptions given touring Englishmen are given by their fellow subjects across the sea and how great occasions these are made with the casual attention paid to friends from the colonies, who are honoring us with their company, travelled Britons cannot help fearing that the colonial representatives must mark the inequality in the exchanges. We make mistakes in letting our own people, such as the Canadians, come and go without being entertaintd by any amateur rowing association.

Ingomar Again Winner.

Southampton, Eng., Aug. 13.—At the Royal Southern Yacht Club regatta to-day the American schooner yacht Ingomar won the handicap race for yachts of over 100 tons.

Don Valley League.

Only one game was played in the Don Valley League. The Marlboros and I.C.B.U. came together for the fourth time this season. One of the former games was a tie, the other two were victories for the Marlboros. This time, however, the tables were turned. The Marlboros had their team shifted around somewhat and lost their own game by poor throwing to bases, the I.C.B.U. taking advantage of these things. The Marlboros hit four times in the second and scored two runs. In the third Brockbank hit, was sacrificed by Leary, Beatty attempted to bring him home on a hit, but the ball was fielded home and he was out. After that Lackey hit a hard one thru the infield; by a series of manoeuvres he attracted the attention of the whole infield, while Beatty romped home. That finished their scoring. The I.C.B.U. tied the score in the seventh. In the eighth there were doings. Dennis hit, was fielded out at second on Meeghan's attempt to sacrifice; Meeghan got safe. Manager Billy Smith attempted to sacrifice Meeghan, but both were safe, and Oster finished the scheme with a brilliant two bagger, sending in two runs. Elmer Ferris' work on third was a feature. Score:

A fast and exciting game was played in the Toronto Manufacturers' League at O'Halloran's Grove Saturday between Mason and Risch and the Robert Watson Company, which resulted in a win for Watsons by 8 to 6. The features were the pitching of Byrnes for Watsons, he being very effective in tight places, and the timely hit of McNairs in the ninth inning, which won the game. Crowe, for the losers, pitched a good game, but was touched up when hits meant runs. Batteries—Watsons, Byrnes and Fuerst; Mason & Risch, Crowe and O'Dea. Umpire Benson.

Lacrosse at Chicago.

Chicago, Aug. 14.—The Calumets defeated the Tecumsehs of Chatham, Ont., in a lacrosse match preceding the American League game at White Sox Park yesterday by a comfortable score of 8 to 2. The visitors proved no match for the locals either in attack or defence, and at times the Calumets scored almost at will.

The Canadian goal, Young, was weak and often left his net absolutely unprotected, while doing work that belonged to his point or cover-point. The Chicagoans profited by this several times.

The weather was too hot for fast playing continuously, but it was a creditable exhibition of the Canadian sport. The Calumets had things all their own way in the first half, at the end of which the score was 4 to 0 in their favor. The visitors got together better in the second half and secured two goals, while the Calumets added four to their own score. Lineup:

Tecumsehs (2): Goal, Robinson; point, Francis; cover-point, Pickering; f.d., Elliott; s.d., McBride; c., Haydon; s.h., Grace; f.h., McLaren; o., Stewart; i., Macfarlane; captain, Babcock.

Calumets (8): Goal, Young; point, T. Collins, c.p., Morrison; f.d., Beaton; s.d., Stevenson; c., H. Mulligan; s.h., P. Rubidge; f.h., Barrett; o., Sewell; i., Culbertson; capt., G. Wood.

Greer's Ridiculous Challenge.

A ridiculous challenge to Champion Scholes from Frank Greer of Boston is going the rounds. The deft has quite a professional ring, and, of course, will go unnoticed. The Beantown sculler is worrying because he cannot meet Mr. Scholes, forgetting that the opportunity was his a few months ago, had he only gone to Henley. The world's champion would gain nothing by beating a man even of Mr. Greer's calibre.

Uxbridge Beat Stouffville.

Uxbridge, Aug. 13.—The ball game played here to-day between Stouffville and Uxbridge resulted in a score of 9 to 2 in favor of the home team.

C.L.A. Committee on Friday.

A meeting of the C.L.A. judicial committee will be held at the Iroquois on Friday night next, when it is expected St. Catharines' protest against the Tecumsehs will be settled. Sudbury v. North Bay, Aurora v. Weston and Cannington v. Beaverton are other difficulties that will come up for adjustment.

Larned Won the Final.

Southampton, L.I., Aug. 13.—William A. Larned, the national ex-champion, won the final of the singles here to-day in the Meadow Club lawn tennis tournament. He defeated William J. Clothier of Philadelphia in straight sets by the score of 7—5, 6—3.

Larned and Bob Wrenn won the final of the doubles by defeating Clothier and E. B. Dewhurst, the Australian, who is the intercollegiate champion for the University of Pennsylvania. The score was 6—3, 6—1, 6—4. Lyon defeated Kobb in the final of the consolation singles by the score of 6—1, 4—6, 6—1. The final of the mixed doubles was won by Miss Robbe and H. F. Allen, who defeated Miss Bell and Robert Leroy by the score of 2—6, 7—5, 6—1.

Lacrosse Points.

Referee Waghorne states that the game at Weston Saturday was hard, rather than rough. It was well contested and the crowd acted quite properly.

F. C. Waghorne will referee the game to-day at St. Catharines.

For the Lipton Cup.

Chicago, August 13.—The race for the cup donated to the Columbia Yacht Club of this city by Sir Thomas Lipton was won by the Sprite to-day. The Mandota was second and the Yo San third.

Canoe Regatta at Ottawa.

Ottawa, Aug. 14.—The regatta of the northwestern section of the C.C.A. was pulled off at Britannia on Saturday, but only local contestants were entered. The Ottawa crew won both the half and quarter mile canoe race, the other contestants being the Britannias, Rideaus and New Edinburghs.

The record up to date is as follows:

	Played.	Won.	Lost.	P C.	To Play
Grace Church	8	7	1	.875	4
Deer Park	10	7	2	.700	2
St. Clements	5	3	2	.600	7

*St. Marks	6	1	5	.166	6

*Games lost by default are included.

The total in St. Alban's score on Saturday against St. Simons was 44 and not 144. Mr. Edwards make eight, instead of a century, as was reported to us by some irresponsible person. With two wickets down rain stopped further play.
