Still the Forest is the Best Medical School!!!

That predisposition which exposes the human frame to the infection and virulence of all diseases, proceeds directly or indirectly from a disordered state of the System caused by Impure Blood, Bilious and Morbid condition of the Stomach and Bowels.

DR HALSEY'S
GUM-COATED
FOREST PILLS,

(A Sarsaparilla preparation of unexampled efficacy.)

These Pills are prepared from the best Sarsaparilla combined with other Vegetable properties of the highest Medicinal virtue. They are warranted not to contain any Mercury or Mineral whatever. They purge with no griping, nauseating, or weakening; can be taken at any time without hinderance from business, change of diet or danger of taking cold. They neither have the taste or smell of medicine, and are five times more effectual in the cure of diseases than any Pills in use.

But a short time has elapsed since these great and good Pills were first made known to the Public, yet thousands have already experienced the good effects. Invalids given over by their Physicians as incurable, have found relief, and been restored to sound and vigorous health from their use.

TO FATHERS OF FAMILIES.

Bile and foul state of the stomach are more sickness and death in families than all other causes of disease put together. Sometimes whole families are taken down by malignant Fevers, Fever and Ague, and other dangerous disorders all proceeding from a bilious and foul state of the stomach. No parent can be so ignorant as not to know the great danger resulting from biliousness—no parent would be guilty of causing the

DEATH OF THEIR OWN CHILDREN!!!

Yet thousands of children and adults die every year through neglect of parents to attend to the early symptoms of bile and foul stomachs.

Superfluity of bile may always be known by some unfavorable symptoms which it produces, such as sick stomach, headache, loss of appetite, bitter taste in the mouth, yellowness of the skin, languidness, costiveness, or other symptoms of a similar nature. Almost every person are at times bilious, the neglect of which is sure to bring on some dangerous disorder, frequently terminating in death. A single 25 cent box of Dr. Halsey's Gum-Coated Forest Pills, are sufficient to keep a whole family from bilious attacks and sickness from six months to a year. A single dose, from 1 to 3 of these mild and excellent Pills for a child; from 3 to 4 for an adult, and from 5 to 6 for a grown person, carry off all bilious and morbid matter, and restore the stomach and bowels, curing and preventing all manner of bilious attacks, and many other disorders.

SALTS AND CASTOR OIL.

No reliance can be placed on Salts or Castor Oil. These, as well as all common purgatives, pass off without touching the bile, leaving the bowels costive, and the stomach in a bad condition as before. Dr. Halsey's Forest Pills act on the gall ducts, and carry all morbid bile matter from the stomach and bowels, leaving the system strengthened and invigorated, producing permanent good health.

Dr. Halsey's Forest Pills are unlike all others. They act directly on those vital organs of the stomach, liver, kidneys, &c. which secrete the fluids of the body, and purgeise the impurities from the blood. While they purge all bilious and morbid matter from the stomach and bowels, they cleanse and renew the blood, thereby destroy the seeds of disease. The Forest Pills do not weaken, but give strength and invigorate health in body and mind. They neither cause griping nor any inconvenience whatever, and the patient is better able to attend to business while using their influence than before taking it. They are mild in operation, yet powerful in restoring health.

The great amount of good these Pills have done for the sick and afflicted, have induced thousands to recommend them to their friends and the public individuals of worth and integrity in almost every part of the country, have testified to the world in favor of their great efficacy in curing disease.

Never has any remedy had more reliable and strong proofs of its good qualities than Dr. Halsey's Forest Pills.

Testimonial after testimonial, showing their great powers of curing in almost every class of disease, have been tendered to us by persons of undoubted character and responsibility. The following testimony from a respectable and wealthy farmer residing near Utica, New York:—

UTICA, November 9, 1848.

DR G. W. HALSEY,—

Every fall, for several years back, I have had much sickness in my family of bilious disorders, and Ague and Fever. In the Fall of 1848, two of my sons were taken at the same time with bilious fever. In no former season, when sickness occurred in my family I had always employed a physician; but at the time having two boxes of your Forest Pills in the house, I concluded to try them. I gave them each six Pills, and four hours after I gave them one Pills more. They soon operated bringing away much black and green matter. On the following day, the fever had left them, and they both recovered without any more med cine. Since this time, I have always kept your Pills at hand, and in all cases of sickness we have used them with the most happy results.

(Signed) IRA S. GOODHUE.

NOTICE TO THE PUBLIC.

In 1845 Dr Halsey's Pills were first made known to the public, under the denomination of "Halsey's Sugar Coated Pills." Their excellent qualities soon gained for them a high reputation, and the annual sale of many thousands bore. This great success excited the avarice of designing men, who commenced the manufacture of common Pills, which they coated with sugar, to give them a outward appearance of Dr. Halsey's, in order to sell them under the good will Dr Halsey's Pills had gained by curing thousands of diseases.

The public are now most respectfully notified that Dr. Halsey's genuine Pills will henceforth be coated with

GUM ARABIC,

An article which, in every respect, supersedes Sugar both on account of its healing virtues, and its durability. The discovery of this improvement is the result of a succession of experiments during three years. For the invention of which, Dr. Halsey has been awarded the only patent ever granted on Pills by the Government of the United States of America.

The Gum-Coated Forest Pills present a beautiful, transparent, glassy appearance. The well known wholesome qualities of pure Gum Arabic with which they are coated, renders them still better than Dr. Halsey's Sugar-Coated Pills. The Gum-Coated Pills are never liable to injury from dampness, but remain the same, retaining all their virtues to an indefinite period of time, and are perfectly free from the disagreeable and nauseating taste of Medicine. In order to avoid all impositions, and to obtain Dr Halsey's true and genuine Pills, see that the label of each box bears the signature of G. W. HALSEY.

REMEMBER!!! If you wish to be cure of a Medicine which does not contain that lurking poison, Calomel or Mercury, purchase Halsey's Gum-Coated Forest Pills and avoid all others.

If you desire a mild and gentle purgative, which neither nauseates or gives rise to griping, look for Halsey's Pill.

If you would have the most concentrated, as well as the best compounded SARSAPARILLA EXTRACT in the world for purifying the blood, obtain Dr. Halsey's Pills.

If you do not wish to fall a victim to dangerous illness, and be subject to a long season's bill of 30 or 50 dollars, make use of Dr Halsey's Pills as soon as unfavorable symptoms are experienced.

If you would have a Medicine which does not leave the bowels costive but gives a healthy action of the bowels, procure Halsey's Pills, and avoid Castor Oil, and all common purgatives.

Persons, if you wish your families to continue in good health, keep a box of Halsey's Pills in your house.

Ladies, Dr Halsey's Pills are mild and perfectly harmless, and well adapted to the peculiar delicacy of your constitution. Procure them.

Travellers and Mariners, before undertaking long voyages, provide yourselves with Dr. Halsey's Pills, as a safeguard against sickness.
