GREAT ENGLISH REMEDY!!!—THE MOST VALUABLE SPRING AND SUMMER MEDICINE IN THE WORLD!

HALSEY'S FOREST WINE!
Patronized by the Nobility and Medical Faculty of England, and esteemed the most extraordinary Medicine of the Age.

MEDICINES containing Molasses or Liquorice, like the boasted Sarsaparillas, require many large bottles to produce the slightest change in health. The *Forest Wine* is altogether a different article. It contains no Syrups to give it a consistency, but acquires the excellent flavor and powerful medicinal qualities from the vegetable plants of which it is composed. The *Forest Wine* combines the virtues of the

WILD CHERRY, DANDELION, YELLOW DOCK, and SARSAPARILLA.

With other valuable Plants whose properties are still more powerful.

Its high concentration renders it one of the most efficient Medicines now in use. Less than a single bottle restores the lingering Patient from weakness, debility, and sickness, to strong and vigorous health. Every dose shows its good effects on the constitution, and improves the state of the health. The *Forest Wine* is recommended, in the strongest terms, for all complaints of the

STOMACH, LIVER, KIDNEYS, NERVOUS DISORDERS, BILIOUS AFFECTIONS, DROPSY, DYSPEPSIA, LOSS OF APPETITE, JAUNDICE, FEMALE COMPLAINTS, SCROFULA, AND ALL DISORDERS ARISING FROM BAD BLOOD AND IMPURE HABIT OF THE SYSTEM.

SAVED FROM DEATH!!!

Testimony of MR. NATHAN MATHEWS, *a highly respectable and wealthy citizen of Newark, N. J.*

Dear Sir: G. W. HALSEY:—I believe your Forest Wine and Pills have been the means of saving my life. When I commenced taking them, I laid at the point of death, with Dropsy, Piles, and Asthma. My Physicians had given me over as past cure, and my family had lost all hope of my recovery. While in this dreadful situation, your Forest Wine and Pills were prescribed for me, and before I had finished the first bottle of the Wine, and box of Pills, I experienced great relief; my body and limbs, which were greatly swollen, became sensibly reduced. At the end of my recovery began now to revive, and after continuing the use of your medicines for about a month, the Piles and Asthma were completely cured. The Dropsy, with which my wife was placed in such great danger, was also nearly gone. I have continued the use of your Medicines until the present time, and I now enjoy as perfect health as ever I did in my life. I ascribe my recovery entirely to the use of your excellent Medicines. Several of my neighbors have also used them with similar success in obstinate complaints, and I can cheerfully recommend them to the public.

Yours, respectfully, N. MATHEWS.

GREAT CURE OF LIVER COMPLAINT OF TEN YEARS STANDING!

NEW YORK, Jan. 9, 1848.

DR HALSEY—DEAR SIR:—Having taken your Forest Wine and Pills to remove a disease of the Liver, from which I have suffered severely for upwards of ten years; and, having adhered to all the directions which accompany the Medicine, I have recovered my health, much astonishing those who knew me thought my case incurable. Previous to taking the Wine and Pills, I had recourse to the best medical treatment, but continued to grow worse to an alarming degree. Some of my friends spoke despairingly of my case, and tried to persuade me from making use of any advertised Medicines, in consequence of the deception and inefficiency of many advertised remedies put forth by unprincipled men, in flaming advertisements. But, what a pity it is that the deception used by others should be the means of disheartening many laboring under disease, from making trial and being cured by your excellent remedies. Humanly speaking, they have saved my life; when I commenced making use of them, I was in a wretched condition, but began to experience their good effects in less than three days; and, in six weeks from the time I purchased the Medicines, to the great surprise of all my friends, I was entirely cured, and had increased fifteen pounds in weight, having taken one box of the Pills and two bottles of the Wine. Would to God that every poor sufferer would avail himself of the same remedies!

Yours, &c., JAMES WILSON.

Dr. David Marvin, celebrated Practitioner of New York, declared publicly, that one bottle of Halsey's Forest Wine contained more virtue than fifty of the large bottles of Sarsaparilla. Messrs. S. S. Lampman & Co., the largest and most respectable Druggists in Syracuse, in a letter, says:—"From what they have heard and seen of Halsey's Forest Wine, it is an excellent and good medicine, and will, undoubtedly, become the leading Medicine of the day." Dr. Mott, of New York, also subscribes to the virtues of Halsey's Forest Wine, by recommending it to many of his Patients.

☞ Seven hundred Certificates from Physicians, Clergymen, and individuals of known responsibility, have been given, testifying to the great cures made by "*Dr. Halsey's Forest Wine and Pills.*" Among them is the cure of Mr. John Syms, of 225 Pearl Street, New York, cured of Affection of the Liver and bad Cough, after having been given over by his Physicians, who pronounced his case seated Consumption. A child of Mr. William Bowers, Broadway, New York, who had been dreadfully afflicted with Scrofula, of four years standing, cured in less than six weeks time. Mary J. Brown, daughter of the Rev. James B. Brown, of Disease of the Heart and Incipient Consumption. Others of Jaundice, others of Piles, others of General Debility, others of Gravel, Female Complaints, &c., &c.

£100 REWARD.

WHEREAS some malicious person or persons have circulated a REPORT and SEVERAL HUNDRED CHESTS OF DAMAGED TEAS, *had in their possession*, and from the effects of salt water) *poisoned* in the manner, inserted in the City Papers, purchased by me, I hereby offer a REWARD of £100 to any person who will bring to conviction the author or authors of such a shameful, and vile report is false, malicious, unprincipled, and intended to injure my business.

It is well known that I and others have been the promoters of the Tea and Coffee Trade in Canada, that since the Canton House is the only establishment for the exclusive sale of Tea and Coffee in either the Upper or Lower Province, and, by my untiring exertions, has been placed in the good position which it now holds, notwithstanding the immense amount of all those opposition I had to encounter. It is also well known that I have never interfered with others, but I have never expected the known fact of the utter impossibility of bringing Teas in a proper condition where turpentine, naphtha, oil, soap, molasses, tobacco, smoke, salt, tobacco, &c., &c., are kept; but who is my good or me, is so exactly, and wantonly invented, as in this case, I cannot overlook it, and have only to say, that should this calumnious slander be persisted in, the Public may have a list of the names of the purchasers of the Damaged Teas, above referred to, which is now in my possession, on a again request, so man shall sport with my hard-earned reputation with impunity.

TO THE LADIES.

THE GENUINE BALM OF COLUMBIA FOR RESTORING THE HAIR.

"Long hair is a glory to woman," says Paul,
And all feel the truth of the pious quotation:
Preserve it then, ladies—your glory may fall,
Unless you protect it with this preparation.

If you wish a rich, luxuriant head of hair, free from dandruff and scurf, do not fail to procure the genuine Balm of Columbia. In cases of baldness, it will more than exceed your expectations. Many who have lost their hair for twenty years, have had it restored to its original perfection by the use of this balm. Age, state, or condition, appears to be no obstacle whatever; it also causes the fluid to flow with which the delicate hair tubes is filled, by which, among thousands (whose hair was gray as the Allaba eagle) have had their hair restored to its natural color by this invaluable remedy. In all cases of fever it will be found the most pleasant wash that can be used.—A few applications only are necessary to keep the hair from falling out. It strengthens the roots, it never fails to impart a such glossy appearance, and is a perfume for the toilet it is unequalled. It holds three times as much as other miscalled hair restoratives, and is more effectual.

☞ CAUTION.—Never buy it unless you find the name of Comstock & Co., Proprietors, on the wrapper of each bottle, or you are cheated with a counterfeit article.

URQUHART'S
CONCENTRATED COMPOUND DECOCTION,
OR FLUID EXTRACT OF
JAMAICA SARSAPARILLA,
As ordered by the
Pharmacopœa of London College of Physicians.
PREPARED BY
ALEXANDER URQUHART,
AT THE
Medical Hall, 7, Great St. James' Street.

THIS Valuable Preparation has been before the public for many years, during which time it has been extensively used, and has proved eminently successful in all those diseases in which this medicine is prescribed. It is considered by Physicians of the present day the very best Medicine for re-establishing the constitution after it has undergone the effects of Mercury. In Chronic Rheumatism, the most marked effects have been produced by the use of Sarsaparilla; and its continued use is often attended with improvement of appetite and digestion, increase of strength, the production of a more healthy state of mind, and the palliation, or, in some cases, complete disappearance of various morbid symptoms, as Eruptions, Ulcerations, pains of a Rheumatic character, &c., &c.

Drs. McCulloch, Campbell, McDonell, and Fraser, who have extensively used it in their practice, have kindly favored me with the following Certificates:—

ALEX. URQUHART, Esq.:—DEAR SIR:—I have much pleasure in bearing testimony to the faithful manner in which you prepare your Fluid Extract of the Compound Decoction of Sarsaparilla. This I am enabled to do, on account of several of my patients having derived the greatest benefit from its use.

For Constitutional Syphilis and Chronic Rheumatism, I have prescribed it with the most marked effects. I can, therefore, without the least hesitation, recommend your preparation as one possessing all the Medicinal qualities of the Compound Decoction of Sarsaparilla, while it is at the same time more palatable, and less apt to derange the Stomach. Your most obedient Servant,

W. FRASER, M.D.,
Lecturer on Medical Jurisprudence, McGill College.

Montreal, 8th February, 1847.

I beg to certify, that I have employed very extensively, the "Fluid Extract of Sarsaparilla," made by Mr. Urquhart, in all those diseases in which this Medicine is usually prescribed, and that I have found it a most valuable preparation. I can, moreover, state, from personal investigation, that the Proprietor employs the best and purest ingredients, and bestows the greatest care and attention upon the mode of preparing this remedy.

ROBERT McDOUGALL, M.D.,
Lecturer Institute of Medicine, McGill College,
Physician to the Montreal General Hospital.

Mr. URQUHART's Sarsaparilla is the only preparation of this valuable Medicine that I can, with entire confidence, recommend to my patients. M. McCULLOCH, M.D.

Montreal, 10th February, 1847.

DEAR SIR,—I have frequently prescribed your Fluid Extract of Sarsaparilla, and I have no hesitation in recommending it as a very elegant and convenient form for administering that Medicine. Yours, very truly,

GEO. W. CAMPBELL.

ARTICLES FOR THE TOILET.

BOGLE'S HYPERION FLUID,
FOR RESTORING PRESERVING, AND EMBELLISHING THE HAIR.

The following Certificate, from Dr. Winslow Lewis, one of the most eminent Physicians of Boston, will show the estimation in which it is held by the scientific and learned, being one only of many similar ones.

BOSTON, Feb. 15, 1847.

MR. WM. BOGLE, Sir,—The preparation invented by you for the hair, has been extensively used in my family, and they give it the decided preference over all other compositions of the kind. It invigorates and beautifies the hair, and clears the skin of scurf, dandruff, without producing any ultimate deleterious effects, which are so frequently the result of many well-known patented compounds.

WINSLOW LEWIS.

It is an indispensable article for the Ladies, as it keeps the hair in place and curl, and the skin or parting of the hair free from dandruff and scurf. For children, it lays the foundation of a good head of hair.

BOGLE'S AMOLE,
A COMPOUND FOR SHAVING.

This delightful article is totally different and far superior to anything yet invented for shaving. The base of it is derived from the *Amole*, or "soap plant," of California, an article used by the natives of that country for washing; and thus the use of strong Alkali, so hurtful to the skin, is avoided. Its vegetable and detergent properties have the purest and most nourishing effects on the skin,—it soothes and allays irritation, and has a fine, thick, creamy lather, which does not dry on the face. It is a decided luxury to be shaved with this incomparable soap. It is done up in elegant style, calculated either for the dressing case of the "high and ready" traveller, or the toilet of the most fastidious connoisseur.

BALDNESS CURED.

The following is from Sumner F. Barrett, Saratoga Street, East Boston:

EAST BOSTON, Feb. 8, 1847.

Mr. William Bogle,—Dear Sir: For several years past, my wife has been troubled with baldness on the Crown of the head, about six or seven inches in circumference. After repeated failures of other so-called remedies, and by the advice of friends, she was induced to use your Hyperion as a wash, for the purpose of restoring her lost hair, and I am happy to say that its effect has been to cause the hair to grow all over the part affected. She has used only two bottles, and that very irregularly; had she used it oftener and more regularly, I am convinced that the growth of the hair would have been accelerated. I am, Sir, yours respectfully, SUMNER F. BARRETT.

BOGLE'S HEBEAIONA,
FOR REFRESHING AND BEAUTIFYING THE COMPLEXION,

Eradicating Tan, Pimples, and other eruptions of the skin, and rendering it fair, delicate, and blooming. It is equally efficacious in protecting the skin from the hot suns of summer, and freezing blasts of winter, and is the most fragrant and delicious article to be found at the toilet of fashion.

All the above articles have stood the test of the strongest investigation, and are WARRANTED superior to anything yet invented.

LUXURIANT HAIR.

BOGLE'S HYPERION FLUID—One bottle of this truly valuable liquid is worth more than its weight in gold. There is no quackery in its composition; but healthy and efficacious ingredients, calculated to effect all that is promised. Baldness will at once depart, and a luxuriant growth of hair take its place. Grey hair will return to its pristine brilliancy—weak hair become strong and vigorous, and the skin take a proper and healthy action by the use of the inestimable Hyperion. As an article for giving a gloss to the hair, and a brilliant gloss, it cannot by any compound be equalled.

MINERAL WATERS
OF
POINT DU JOUR, PARISH OF LASSOMPTION.

THESE truly valuable WATERS are distinguished for the large quantity of Bromine and Iodine they contain, and are acknowledged superior to all other Medicinal Waters. They are the most agreeable refreshment of the description that have yet appeared. They can be used cold to the greatest degree in the most oppressive heat of Summer, and that without offening or affecting injuriously the health of the person using them; upon the contrary, they are found to improve and strengthen. The large number of cures effected by the use of the above Waters, enable us to recommend them to the public as an excellent remedy in a very great number of cases. The names of a few only of the persons of celebrity who have given their written recommendation of the Waters, are here given. These, however, show the happy results arising from their application:—

R. Evq de Kingston,	A. Nelson, M. D.,
Jos. M. Belanger, Ptre,	J. B. Meilleur, M. D.,
P. C. A. Munro, M. D.,	A. E. Regnier, M. D.,
Amable Simard, M. D.,	A. Rolin, M. D.,
L. G. Carrenaye, M. D.,	C. Sabourin, M. D.,
E. H. Trudel, M. D.,	F. L. Genand, M. D.,
W. Nelson, M. D.,	F. H. Latour, M. D.,
R. L. Macdonnell, M.D.,	T. Ed'Orsonnens, MD.
G. B. Bibaud, M. D.,	Dr. Dorion.

Persons who have not received the little volume containing these certificates at length, can obtain it at the Depots, where the Waters are Sold; by reading it, they will feel convinced that they have effected wonderful cures in various cases, and that they have been found superior to all others.

REVEREND DES PRAIRIES, March 1, 1850.

SIR,—Since you are desirous to ascertain the effect which the Waters of the Point du Jour Springs have produced on myself, I most inform you, that I have used them medicinally at their Source, and have found them highly salubrious. I was at the time so afflicted by the consequences of a severe disease of the Digestive Organs that my Physician judged it right to suspend for a time all active remedies, even for the repression of Dyspepsia and an absolute Retention of the Bowels, under both of which I were suffering severely. He prescribed for my relief the Mineral Waters, and I made use of those of the Point du Jour, as being the nearest. I was at the time so weak, that it was with difficulty I kept my feet. However, at the expiration of three weeks, I was restored by using the Waters. These Waters are of a gaseous nature, containing a large quantity of saline particles, and agreeable in the taste—taken in a large dose they are strongly laxative, but their purgative properties are unattended with griping,—those even who have been using them have not been weakened or enervated in their condition, so in consequence; upon the contrary, I have found they find their appetite increased, and their digestion improved more regular.—After a dose of a pint and four glasses, I found that they had the effect of increasing the urinary secretion at first, and that these decreased in the same proportion that the alvine secretions increased. The action of the nervous and sanguinous systems were thereby moderately augmented, and, instead of finding myself morose and sad as I had been during some days before them, I perceived myself sensibly disposed to pleasure and gaiety. Many who, in the Neighbourhood, have made use of the Waters by the recommendation of Dr. Chauvreux, experienced the same effects. To conclude, I am of opinion, in conformity with the Analysis made by T. S. Hunt, Esq., that Physicians might employ it successfully in the same diseases for which the Plantagenet Waters are so judiciously recommended.

Yours, respectfully,

AMABLE SIMARD, M. D.

ST. JOSEPH'S CONVENT, May 14, 1850.

SIR,—I observe with pleasure that the Mineral Waters, at their source at Point du Jour Parish of the Assomption, (Lassomption) are now beginning to be appreciated. For myself, who am, perhaps, one of the first that alluded to them in the newspapers, in the year 1836, I can testify, ever since that time, I have had recourse to my various Mineral Waters, nevertheless I have never doubted that the preference must be given to those of Point du Jour—having myself had much experience.

J. M. BELLANGER, Priest.

Agents for Montreal:—Dr. Picault, 36, Notre Dame Street, corner of Bonsecours Street; Benjamin Workman, Apothecary, corner of St. Paul Street, Custom House Square; O. LaLiberte, corner of St. Catherine and Visitation Streets.

The Proprietors have their Depot established at No. 6, Jacques Cartier Place, next door to the Hotel of Serafino Giraldi, Esq. The distance for conveying the Waters to the Depot is so trifling, that we are enabled to have a constant supply fresh, and are consequently in possession of a better market than any other person. Price 7½d. per gallon, and 2s. the dozen, (in bottles.) Sick persons, unable to pay for it, can have some *gratis*, by producing a certificate from their Physician, since we are unwilling that any should be deprived of these healing and wonderful Waters, are apparently designed for the alleviation and cure of many protracted and dangerous diseases.

BRAULT & LEMOINE.

"DEATH'S DOOR."

How frequently do we hear the expression, which is meant to convey to the mind the last stage of sickness, that a patient can be reduced to, and live. Mrs. Harrison, a member of the Trinity Church, was, as she expresses herself, brought down to "Death's door," by Rheumatism and Nervous Headache, when, like an angel of mercy, *Radway's Ready Relief* relieved her of her severe pains, and restored her to her friends in perfect health.

The very instant Radway's Ready Relief is applied, its beneficial effects are experienced, it soothes, heals, cleanses and purifies; it instantly allays irritation, reduces inflammations and swellings, relieves the most severe Neuralgic pains, gives ease to Burns, Scalds, Sores, Eruptions, cures Rheumatism, Lumbago, Gout, Paralysis, Sprains, Strains, Bruises, Bad Neck, Stiff Knees in the Side and Back, Sores of all kinds, Galls, Bruises, Chafes, Sore Throat, Influenza, Hoarseness, Coughs, Colds, &c.

TOOTH ACHE CURED IN ONE SECOND

This torturing affection can be cured in an instant, for the moment the Relief touches the nerve, the pain is mitigated. So with Tic Doloreux and Hemicranea, Neuralgia and Tooth Ache; both the parts where the pain is most severe, and to whose remedy it yields the most readily, are relieved. Taken internally it will cure incipient Spasms and Cramps, stop vomiting or too much purging; in all cases it will give strength for weakness, ease for pain, health for sickness. Mark the genuine Radway's Ready Relief is the only one that will cure the INTERNAL PERSP
