TWO VICTORIES IN A DAY.

TORONTO AND HAMILTON DEFEAT BUFFALO AND ROCHESTER.

The Canadian Bicyclist Meeting at Montreal—Toronto Beats Hamilton at Cricket—Hanlan Wins His Race With Ross—Racing at Brighton Beach.

Two games were played between Toronto and Buffalo yesterday, and as in duty bound the Terrors won both. In the morning 2000 people were present. The Torontos appeared for the first time here in their new maroon jackets and caps, with scarlet stockings and dark blue pants. The uniform is a neat one. For the first two innings the game was a bit loose, but after that the Torontos settled down to work and taught their opponents how to play. At the end of the ninth innings the scores showed a tie, and a tenth had consequently to be played. In this Morrison, Faatz and Smith hit with intent, and the result was, with the aid of an error or two and more cracks, three runs were got in, giving the Torontos the victory by 7 to 4. Davis pitched a magnificent game:

Nearly 4000 people were present at the afternoon game. The ladies were particularly well represented. The home club started off with a rush to win, and they won easily. The game on the whole was on the same side, but there was plenty of enthusiasm in the stands. Osterhout and Albert were lionized for brilliant execution in the field. Veach did some handy work in left field. An error by Morrison in centre field and a passed ball presented the Bisons with three runs in the second innings. Buffalo put in a new battery in Walsh and Smith, while Toronto was content to substitute Emslie for Davis in the box.

In the first innings the first two balls that left the pitcher's hands were knocked far enough to count two-baggers for Osterhout and Albert. Osterhout was home before the third ball was pitched. Osterhout's brilliant play in the second innings consisted in his racing 25 yards with the ball which was sent sky-high by Brouthers into right field, and making a dexterous one-handed reach after the sphere. He got it. His really magnificent catch was rewarded with a ten minute cheer. Albert was roundly applauded in the eighth innings for capturing a hot liner. A brilliant double play by Albert to Spill to Faatz heaped more cheers on the heads of the home team. It occurred in the last half of the ninth when Buffalo required three runs to tie. One of the visitors was on first; his successor at the bat sent a snarling grounder between first and second. The man on first was forced from the bag, and he was thrown out at second from Albert to Spill. Spill then sent the ball to first and it dropped into Faatz's ready hands before the striker arrived at that point. Score:

Rochester at Hamilton.

HAMILTON, July 1.—The Hamiltons previous to-day had played in hard luck with the Rochesters, but to-day they won two straight games after a hard struggle from the Flour City club. In the morning upwards of 2000 people were present, but in the afternoon there were thrice as many, the jam at Dundurn being simply enormous. In the morning the game was won in the last innings and in the afternoon nine innings were played without either side scoring and then in the tenth Hamilton got in a single and won the most exciting contest ever played in the city. Pearson satisfactorily umpired both games:

Continental Hotel Dudes v. Heavy Weights.

The dudes and heavy weights of this hotel played a game of baseball on the morning of Dominion Day on the Parliament grounds, which resulted in favor of the dudes by the score of 46 to 37.

Fair Balls.

Exhibition Grounds — Brants 17, Algerians 14.

The only International League game scheduled for to-day is Oswego at Syracuse.

We've a pretty good lead now, and surely Hamilton will not be so cruel as to help us down a step to-morrow.

In a ten innings game on the Jarvis-street grounds yesterday forenoon the Stars of this city defeated the Nelsons of Hamilton by 12 to 11.

Beginning on Sunday next, the Cincinnatis will play Sunday games. The decrease of attendance at week-day games has brought this about.

A match was played at Port Perry yesterday between the Singer Manufacturing Company of Toronto and the Port Perry Baseball Club, resulting in favor of the former by a score of 13 to 6.

Anson's conduct at Detroit recently is likely to be thoroughly ventilated. In addition to Umpire Gaffney's report to Secretary Young, the Detroit Baseball Club has preferred formal charges against him. This is an unusual proceeding, but necessary in the present case, and will cause a sensation in baseball circles.

A St. Louis special despatch to the Cleveland Plain Dealer says: "It can be stated on the best of authority that the St. Louis League Club is ready to quit and will do so at an early date. Von der Ahe will buy Lucas out, and the Maroon players will be divided among the clubs who want them and want to pay the price for them. It can also be stated that the present baseball lines will be rooted up at the end of the present season, and Eastern and Western Leagues are likely to be formed. The Western men have their eyes on Cleveland as a likely town for a team. Van der Ahe has been so badly treated by the American Association people that he may get out with his team and play the League schedule out. If he does it will stand the American people on their heads. This idea is emphasized by the fact that Lucas has a $5000 guarantee in the League Fund which will be forfeited if his team withdraws.

Lacrosse at St. Catharines.

ST. CATHARINES, Ont., July 1.—Two very exciting lacrosse matches were played here this afternoon. The first game was between the Young Canadians of Toronto and the second team of the Athletics. The Athletics took the first and third games in nine and fourteen minutes, the Young Canadians the second in twenty minutes. As there was not time to finish the game owing to the second match being called it was declared a draw. The Torontos of Toronto and the Athletics' first team then took the field and a splendid exhibition of lacrosse was witnessed. The Toronto twelve included Bonnell, Garvin, Jewett, Irving, Hubbell, Donaldson, Dixon, Macdonald, Eckhardt and four others. Notwithstanding this the Athletics succeeded in winning three straight games; time, four, eighteen and fourteen minutes. The Torontos made a number of attacks on the Athletics' goal, but with Rogers between the flags assisted by a splendid defence field it seemed impossible to get a ball through. The Athletics' home players also worked together capitally. There were about 2000 persons present.

Cricket.—Toronto v. Hamilton.

HAMILTON, July 1.—The Toronto club defeated the Hamilton club to-day easily, their majority being wholly unlike what the Hamilton men are accustomed to. The victory was an innings and 31 runs. The measure of praise must be filled to the brim coupled with the names of Vickers 57, Boyd 38 and Wilson, whose bowling was so destructive in the first innings, and W. W. Jones, who came off in the bowling department in the second innings. The Toronto victory is decidedly popular in Hamilton because it is a long time since Toronto has in this particular match showed up in its proper strength. The Hamilton men did not seem to play up to their well-known high reputation; and yet the bowling seemed as accurate and well-pitched as ever it was. The strength of the Torontos was the weakness of the Hamilton eleven; and though gallant Captain Kennedy tried every wile which was human to rid the Toronto men he was well met and countered by them. Hamilton's scores were very small, 65 and 54 being small totals for a team of their calibre. Toronto, however, ran up 150 in their first and only essay, and clearly won the match on their grand batting. The judgment exercised by D. W. Saunders, who captained the Toronto team, is worthy of the highest praise, and his frequent changes in the bowling were always timely and productive. The falling of the Toronto wickets was somewhat remarkable and may be mentioned in part, one wicket fell for 3, two for 90 and three 109, and yet the team total only amounted to 150. The irony of fate seems to have clung close to the arms of Ferrie and Gillespie during the earlier part of the match. Fate siding with Toronto for a change. The decision of Kennedy in going to the field when he had won the toss was much talked of, and it is plausibly argued that had he taken the innings the result might have been different. Be this as it may he is too old a captain not to know what he was about, and though we may not hit upon an explanation at the first trial there is good sound reasoning at the bottom. Gillespie and Dixon were perfectly invulnerable until Wilson was handed the ball, but his curly deliveries were almost unplayable. A shout might now go up, Toronto has a bowler! and it would not be without reason.

There was a Toronto contingent on the ground, headed by the veteran John O. Heward, who has been dubbed the Mascot of the Torontos. There was no player on the ground better known than John O. Heward, and no one applauded more impartially and as often as the same gentleman. The umpiring was better than usual, Mr. Mulligan doing duty for Hamilton and Mr. T. S. C. Saunders for Toronto.

The Bicycle Races at Montreal.

MONTREAL, July 1.—The annual championship race meeting of the Canadian Wheelsmen's Association was held here this afternoon. In the mile championship there were five starters: Foster and Fane, Toronto; Clarke, Woodstock; Lowe, Montreal, and Hunter, Alburton. Fane fell out, Lowe fell on the second lap and Clarke won, beating Foster by ½ of a second in 3 minutes 9¼ seconds. In the 100-yard run on foot Bert Field, Woodstock, and Robertson were started. In the first heat Field was leading by about a yard, when his leg gave out. Robertson finished the heat in 10 1-5 secs. He ran the second heat alone in 10¼. The three-mile bicycle race (roadster, 40 lbs. or over), was very well won by Fane, Toronto, J. H. Robertson, Montreal, being beaten ½ of a length; time 10 mins. 8¼ secs. The half-mile dash, with hands down, five entries, was won after a close race by Charles Ware, Marblehead, Mass.; F. B. Holden, Montreal, being second; time 1 min. 48 secs. In five-mile championship J. R. Scales, Montreal; Foster, Toronto, and H.W. Clarke, Woodstock, started. The Canadian record is 16 mins. 6⅘ secs., but owing to wind, etc., the record was not even nearly broken. Clarke led throughout until the last couple of laps, when Fred Foster took the lead and won in 18 mins. 56 secs., Scales being a bad second. In the one mile bicycle for the championship of Canada, A. T. Lane, Montreal, had a complete walk over, winning in 3 mins. 51 secs., and beating the Canadian record, which is 4 mins. 18⅘ secs. The 440 yards run brought out Robertson, Owens and Harry Shaw, Montreal. Robertson won handily in 52 1-5 secs. The three mile bicycle was won easily by H. W. Clarke, Woodstock, D. E. Hunter, Alburton, P. E. I., being second; time, 10 mins. 4 secs.

Toronto C. C. v. Rosedale C. C.

The above match was played on the beautiful grounds of the Toronto C. C. on Thursday (Dominion Day), and resulted in an easy victory for the home club by 75 runs on the first innings. The Rosedale club, considering that they have only been established a fortnight, acquitted themselves most creditably. The chief feature of the match was the brilliant and steady innings of Winslow, who not only gave no chances, but went in on the fall of the first wicket and carried out his bat for an exceedingly well played 59, whilst Collins hit hard for his splendidly put together 47. The Rosedale team were well captained by Mr. W. H. Harris. Scores: Toronto 159, Rosedale 84, and 32 for two wickets. Saunders bowled remarkably well for Toronto.

Racing at Brighton Beach.

BRIGHTON BEACH, July 1.—First race, ¾ mile—Voucher won, Lizzie Walton second, Dizzy Brunette third; time 1.18¼. Second race, ¾ mile—Longslipper won, Lookout second, Bill Brien third; time 1.18¼. Third race, ¾ mile—Al Reed won, Comus second, Daly Oak third; time 1.20. Fourth race, King's County Cup, 2 miles—Barnum won, Hartford second, April Fool third; time 3.41. Fifth race, ⅞ mile—Harry Mann won, Pat Dennis second, Col. Morris third; time 1.32¾. Sixth race, ⅞ mile—Blue Day won, King Victor second, Nimrod third; time 1.32.

Although the police declare there shall be no slugging in the Mitchell-Sullivan match great preparations are being made for the affair. Pat Sheedy, John L. Sullivan's manager, says that "there will be four gates at the Polo grounds, instead of two, as heretofore. There will be 300 police afoot, besides thirty mounted police, to preserve order. The stage is to be erected in the centre of the ball ground, so that everybody can see. The gates will be thrown open at noon, and the exhibitions begin at 2 o'clock sharp."

It is expected that Sullivan and Mitchell will face each other at about 4.30 o'clock. The admission is to be as follows: One dollar to the field, $1.50 to open stand, reserved seats in the covered stand $2 and in the ladies' gallery $2.50. Sullivan says: "All I want is my wind right and my legs strong. I think I will best Mitchell easily, and without much exertion. And then I'll tell you something else, Now, you can say that neither Mitchell nor his friends need worry about me not appearing. I only hope that Mitchell will be in as fine a fix as I intend to be when he stands in front of me for eight rounds."
