LISTOWEL STANDARD.

FRIDAY, DECEMBER 3, 1880.

TOWN AND COUNTRY.

REMOVAL.—The STANDARD OFFICE has been removed to Martin's block, Main street, opposite the Grand Central Hotel.

Go to Roy & McDonald's for your boots and shoes.—41.

BUSINESS circulars got up in first-class style at the STANDARD office.

MILLINERY.—All the latest styles in Millinery at Mrs. Goodfellow's.—43c.

Butter wanted in large quantities, for trade and cash, at Roy & McDonald's.—41.

THE display of holiday goods in the shops and shop windows heralds the approach of Christmas.

For ladies' fur sets, caps, muffs and boas; also gents' fur caps, gloves, etc., go to Roy & McDonald's.—41.

THE sleighing continues good, owing to the frequent falls of snow which have occurred during the week.

Town Council meets on Monday evening next. The Public School Board meets on Tuesday evening.

Machine Oil.—A large quantity on hand, and selling at bottom prices, at S. Bricker & Co's hardware emporium.—28.

Superb Oyster parlor opened in connection with the Florida Fruit and Cigar Store, Main Street. "Dew drop in."
Row & KNIGHT.

NEXT TO GAS.—Everybody likes it. I am selling American high test burning oil same price as Canadian, in order to introduce it. J. A. HACKING.

Any quantity of Machine Belting in stock at S. Bricker & Co's. Parties in need will do well to call before purchasing elsewhere.—28.

INFORMATION of the whereabouts of John Henry Wettlaufer, who left his home in Wallace in March last, will be gratefully received by his distressed parents.

AUCTION sale bills printed neatly, cheaply and on short notice at this office. Parties favoring us with their orders will receive a *free* notice of sale in the STANDARD.

A SLEIGHING party, comprising a large number of young ladies and gentlemen of this town, drove over to Harriston on Friday evening last, where we believe they enjoyed a social hop.

Leading brands of tobaccos, plug or cut to suit buyers; also prime cigars and smokers sundries, at the Florida Fruit and Cigar Store.
Row & KNIGHT.

ADVICE TO YOUNG MEN.—If you want to look nice, and be well dressed, at the smallest possible expense, go the popular Clothing House, No. 3, Main st, Listowel. JOHN RIGGS, Proprietor.—42

AMERICAN OIL.—We notice that Mr. Hacking has just passed a quantity of American oil through H. M. Customs, the duty on which is 12½, which is 1½ more than the duty imposed by statute.—41.

ELMA CONSERVATIVE ASSOCIATION.—The annual meeting of the Elma Conservative Association has been appointed for the 17th inst., and will take place at Wynn's hotel Newry, at 7 o'clock in the evening. A large attendance is requested.

Special at Roy & McDonald's—Ladies' mantles, misses and dolmans, ready made and made to order, in first class style, excellent fit guaranteed, by Mrs. Leslie and Miss Reid. Goods sold in the house cut and fitted free of charge.—41

THE case of brutal treatment of the orphan child Cotton, by Thos. Markham, of Maryborough, will be heard before Justices Cross and Allan at Glen Allan on Monday next. It had been set for hearing this week, but the poor lad was unable to appear.

AN OLD SAYING.—It is cheaper to pay the shoemaker than the doctor. Keep the feet dry and warm, especially at this season of the year. The best place to get a supply of good substantial Boots and Shoes is at John Riggs' store, No. 3, Main st., Listowel.—42.

DISSOLUTION.—The law firm of Messrs. Fennell & Dingman has been dissolved by effluxion of time. Mr. Fennell's office will be in the old office over Roy & McDonald's store, and Mr. Dingman will continue practice in offices over Scott's Banking House, on Wallace Street.

Dresses and Mantles cut and fit on short notice at Mrs. Goodfellow's.—43c.

The frame of the new skating rink was raised last week, and the building is being pushed ahead rapidly. It is a very large structure, and the peculiar shape of the roof, being semi-circular, gives the building a striking appearance. It is expected that the rink will be opened in about a fortnight.

3 lbs. tobacco for one dollar ($1.00) at Roy & McDonald's.—41.

A second account of the loss of the ill-fated Simcoe, in Lake Huron, has been gathered from the lips of a survivor. The narrator speaks in the highest terms of the conduct of the captain and crew at the time of the disaster, and asserts that the courage and heroism they displayed are beyond all praise.

Millinery, mantles and dressmaking, in all the latest styles. Garments cut and fitted while parties are waiting, by Mrs. Leslie and Miss Reid, over Roy & McDonald's store.—41.

ST. ANDREW'S DAY.—Tuesday last, St. Andrew's day, was not observed by the sons of auld Scotia in this neighborhood with the forgathering usual among Scothmen on the anniversary of their country's patron saint. We are at a loss to account for the absence of the "reekin haggis" with which on former years the chiels of Elma have celebrated the day.

Bazar Patterns, giving all the latest styles, constantly on hand, at Mrs. Goodfellow's.—43c.

DEER SHOT.—Last week Messrs. Henry McConnell and Geo. Bond brought a fine deer into town, which they succeeded in capturing in the township of Maryborough. Deer of late years are seldom to be found in this neighborhood. It is probable that this one had strayed from some of the northern townships. The cracksmen are much elated over their capture.

The finest stock of Meerschaum, Briar Root and Myle wood pipes, to be found in town, is at the Florida Fruit and Cigar Store, just opened out by Row & Knight, on Main Street.

THE Masons of Listowel have decided to hold their grand assembly on Wednesday evening, 29th December. Prof. Philp's string band, of Guelph, has been engaged for the occasion. Invitations will be sent to a large number of brethren from other lodges, and the managing committee are sparing neither trouble nor expense to make it a brilliant success.

Cheap Stoves.—S. Bricker & Co. are running off their present stock of cooking, hall and parlor stoves at wholesale prices, in order to make room for their fall purchases. Great bargains given. Call early.—28.

CALEDONIAN CONCERT.—The Caledonian concert, to be given in the Osborne hall this evening promises to be highly enjoyable. The following names appear on the programme: Miss Ellis, of Guelph, pianist; Mr. J. Dungole, of London; Miss Strong, of Clifford; Miss Cope, of Branchtown; Mr. J. F. O'Neill, of Woodstock; Master Chas. and Thos. McMillan of Toronto; Miss Bella McKenzie; Mr. E. B. Sutherland, and Mr. Harry Ross, piper. Masters McMillan will appear in costume, and will execute a number of Scotch dances. Mr. D. D. Campbell will occupy the chair.

A local newspaper man is generally expected to be everywhere, see everything and catch every item afloat, simply because it is his profession. But he can't do it. His friends can help him through by sending or bringing such items as are of interest. All manner of legitimate local news go to make up an interesting paper, and will be received with thanks.

ANNIVERSARY SERVICES.—The anniversary services of the Canada Methodist Church will be held on the 12th and 13th inst. Rev. Mr. Maxwell, of Guelph, will preach morning and evening on the Sabbath, and a tea-meeting will be held on Monday evening. Mr. Maxwell is a very popular speaker on anniversary occasions. An opportunity of no common order will be afforded the community of enjoying profit and delight.

WE have been requested to announce that a convention of the members of the Currency Reform League and other advocates of the adoption of a National Currency for Canada, will be held in St. Lawrence Hall, Toronto, on Wednesday, 8th December, at 2 p. m. There will be a mass meeting in the evening, at which W. Wallace, M. P., A. W. Wright, Geo. B. Brooks, and other prominent currency reformers will speak.

SOIREE.—The Annual Soiree under the auspices of the Ladies of Knox Church will be held in about a fortnight, probably on the evening of the 16th inst. The Rev. M. Wright, pastor of Knox Church, Stratford, late of Montreal, and other talented speakers are expected to be present. Good music and other means of making an enjoyable entertainment will be provided. Particulars will be announced in a few days.

RUN OVER.—At the corner of Wallace and Main streets one day this week a young lady named Miss Clara Woods was run over by a team and considerably injured. The team was turning the corner at a pretty rapid gait, and struck her before she had time to get out of the way. The young lady was taken to Mr. Collison's hotel, where she is stopping. Fortunately no bones were broken, although the young lady was severely bruised. Could not something be done to protect people from the danger of being run over while crossing at the corners of these streets? Rapid driving at this point is extremely dangerous, as the corner is frequently thronged with people.

MR. ATKINSON, representative of the London *Free Press*—the most enterprising daily in Western Ontario—was in town last week. From the very intelligent sketch of the rise and progress of Listowel which he has furnished the excellent journal which he represents, it will be seen that during his short stay, like a sensible person, he kept his eyes open. Our city cotemporary is deservedly popular here, arriving some three hours earlier than the Toronto dailies, and containing the news of the world during the previous twenty-four hours in a much more "concatable" form than the more cumberous sheets of the Provincial metropolis. Success to the *F. P.*

P. O. REMOVAL.—In the course of a week or so the Listowel post office will be removed to Campbell's block, the store formerly occupied by Mr. W. Bamer having been leased and is now being fitted up for it. We are sure that our citizens generally will be pleased to learn that the post office is to be removed from the unsightly building which it at present occupies and located in respectable quarters. The position will be very convenient, the new premises being situated in the centre of the business part of the town. The Dominion Telegraph Co's office, and Mr. C. Hacking's ticket agency office, are, we understand, to be located in the same building.

RESULT of an examination in Arithmetic and History on Friday last in the senior department of the Listowel Public School—max mum 100.

CANADIAN PRESS ASSOCIATION.—The members of this association met on Tuesday at the Rossin House, and presented their secretary, Mr. W. R. Climie, of Bowmanville, with an address and a silver tea service. The address stated that to Mr. Climie the association owed its present prosperity, its exclusively professional character, and the satisfactory condition of its finances. Mr. Climie returned thanks in an appropriate speech, in which he bore testimony to the unselfish and harmonious spirit which the members displayed in all their conferences, and expressed his willingness to continue his efforts on behalf of the profession.—*Mail.*

RAILWAY MATTERS.—The Palmers on *Telegraph* says:—The Port Dover division of the Grand Trunk Railway will be open to Durham on or about the 10th inst. The contractor expects to get the rails laid to Durham by the end of this week, and if he succeeds in doing so the first passenger train will be run over the line on Friday, Dec. 10, and throughout the winter one passenger train will be run daily each way between Port Dover and Durham. The freight trains will commence running at the same time. The Montreal Telegraph Company have a number of men at work fixing their wires along the railway, and as the posts were fixed to Mount Forest on Monday last there is no doubt the line will be ready by the time the directors have fixed upon for the opening of the road.

The United circulation of the Montreal *Witness* publications is by far larger than those of any other publishing house in Canada. They are as follows:—*Daily Witness*, 13,300; *Weekly Witness*, 28,300; *Northern Messenger*, 59,000; *Aurore* 900—in all 101,500. Now, estimating the population of Canada at 4,500,000, and five souls to a family, there are 900,000 families in the Dominion, from which it will be seen that one of those *Witness* publications, if not two were taken in the same family—would be sent to one out of nine families in the Dominion, including all races and religions, and, besides leave a good fraction over to cover the foreign circulation. The publishers of the *Witness* are not satisfied with this wonderful success, and are endeavoring to increase their proportion of subscribers by some certainly very attractive inducements, which can be explained to those interested by every subscriber of the Montreal *Weekly Witness* or *Northern Messenger*.

GLENALLAN.

SERENADE.—Friday evening last a number of the male population of this village highly enjoyed themselves by serenading one of the oldest and most respected citizens of the place, on the occasion of his taking to himself a blushing bride not yet out of her "teens." After amusing themselves for a short time by firing a grand salute, the serenaders struck up some lively airs. The instruments used consisted of horns, bells and other articles usually required for carrying out the programme of such entertainments. After satisfying themselves that their efforts to produce an unearthly noise had been duly appreciated, they wished the aged groom and his youthful bride all the happiness imaginable. A small contribution was of course requested in aid of the "Band Fund," which we are informed was cheerfully handed out, greatly to the satisfaction of the musicians. Again wishing the interesting couple joy for all time to come, the entertainment was brought to a close by firing and playing a final adieu. Taking into consideration the manner in which such proceedings are generally conducted, this was an exception, being on the whole orderly.

POSTPONED.—The case of the boy Cotton, who, according to reports, was so brutally treated by his employer, Thos. Markham, of Maryborough, and his sister-in-law, was, we believe, to have been tried here on Monday last; but owing to the delicate state of young Cotton, from the severe treatment received, and being still under medical treatment, he was unable to appear. The case was postponed, in order to give the boy an opportunity to appear and give his evidence against those who should have been his protectors. We understand the case will be heard next Monday, if the young lad is able to appear.

The remains of Hiram W. Armstrong, who lately succumbed to the effects of scarlet fever, were brought here from Listowel on Thursday of last week, by his sorrowing friends, and interred in the Methodist burial ground.—CAMBRIDGE.

Mr. A. Park, of Maryboro', the enterprising breeder of pure-bred Ayrshire stock, has lately purchased a pen of 8 head of pure-bred Southdown sheep, from Mr. Thos. Choate, of West Oxford. Mr. Park is one of Maryborough's most enterprising farmers.

SOMETHING NEW AND OLD.—New goods for the winter wear, consisting of dress goods, shawls, mantles, overcoats, boots, hosiery, furs, robes, ladies', gents', misses' and children's fur caps, clouds, mufflers, and a thousand and one other things, all of which will be sold at a small advance on cost, at the old reliable store, No. 3, Main st., Listowel.
