CITY BAKERS

In Future Will Be More Particular About Their Loaves.

The Bread Seizure Discussed by No. 3 Committee—The Bylaw to be Amended—Tenders Let for Relief Wood and Dog Tags.

Frank Love appeared before No. 3 Committee last evening on behalf of several city bakers, complaining against some seizures made by Inspector Bell. Johnston Bros. have a stamp for 1½ pounds, and every loaf of their fancy bread it stamped with it. Mr. Bell could not decipher it and accordingly made the seizure. Mr. Bell complained that some Vienna rolls were made square in shape and sold for two-pound loaves. Mr. Johnston denied this, and said that his were stamped "1½ pounds." The bylaw did not regulate the shape of loaves.

Ald. Parnell said he would not speak as if he knew "Baker Parnell" at all. He explained that the bylaw was not really what bakers thought it was. He said that although customers received loaves weighing probably one-half or one ounce light they were not defrauded, but received the required amount of dough. None but Vienna loaves should be allowed to be made under two pounds in weight.

Ald. Wm. Heaman argued that all Vienna loaves should be made in the same shape.

It was moved that the bylaw be amended so that no loaves but Vienna rolls be allowed to be made under two pounds in weight.

Ald. Wm. Heaman moved in amendment that the matter be laid over until next meeting in order that a deputation of the city bakers might be present and express their views.

Mr. Johnston asked if there was any objection to having every loaf made the same weight.

The committee considered that Mr. Johnston had complied with the spirit of the bylaw in every particular and completely exonerated him. His bread was not seized as being under weight but simply because the stamp was indistinct. The matter was left over until the next meeting of the committee.

City Engineer Graydon reported that he had made a test with a meter of Hunt Bros.' electric lights, and that he had found them fully up to the standard required. Filed.

A communication from Chief Roe, of the fire department, stated where in his opinion new fire alarm boxes should be located. This and also the matter of supplies for the fire department was left over on account of the illness of the chief.

The city engineer recommended that an electric light be placed at Victoria bridge during the construction of the breakwater. A light will be put up.

John Morris, butcher who occupies a stand in the market building, asked for room to build an ice house. Aldermen Moule and John Heaman will arrange the matter.

James Wilson, of Springfield, wished to know if the Council had any street lamps for sale and their price. The Council has lamps, but the committee does not favor selling them.

A memorandum was read from the secretary of the Council asking the committee to amend the huckster bylaw so that hucksters can buy goods but not sell them again on the market, Progress will be reported.

The wood market clerk reported that he had examined 332 cords of woods and received $17 50 during the month.

Tenders were opened for the removal of the old brick cottage at the east side of the central fire hall. The contract was awarded W. Crispin, who offered to pay $15 and remove the building inside of a month.

The contract for supplying 600 dog tags was awarded to Wm. Gurd at $14 25.

The contract for supplying relief wood for the year was awarded George McNeil, Richmond street, at $4 20 per cord for the north side of Dundas street and $4 30 for the south side.

Anderson & Nelles were awarded the contract for 500 pounds of sulphate of copper and 30 pounds of sal ammoniac.

Regarding the contract of supplying uniforms and caps for the firemen, Ald. Hannah and John Heamen were appointed a committee to look into the matter to report to the chairman of the committee before the Council meets on Monday night.

Aldermen Fitzgerald and Parnell will supply a gong and clock for No. 3 fire hall.

In the absence during the early part of the meeting of Chairman Fitzgerald, Ald. Moule took the chair. There were present: Mayor Spencer, Aldermen John Heaman, Wm. Heaman, Parnell, Hannah and F. J. Fitzgerald and Secretary Bell.

Cruel Conspiracy.

NEW YORK, March 2.—A startling tale of villainy and malignant conspiracy against the person of his client, Miss Louie Fuller, is told by Isaac N. Falk, a lawyer with an office in Temple Court. The purport of the effort at revenge, as indicated by affidavits now in Mr. Falk's possession, is said to be the outcome of the recent suit instituted by Miss Fuller against Wm. B. Hayes, ex-president of the defunct Lenox Hill bank, for bigamy. Mr. Falk said to-day that a certain party had made a confession to him of a conspiracy to throw vitriol on Miss Fuller, and that he had affidavits in his possession giving full details of an intended attempt to permanently disfigure the actress and also to ruin Henry W. Bates, a lawyer who gave evidence against Hayes in the bigamy trial. According to the confession contained in the affidavits made by a man and his female accomplice, the vitriol was to be thrown by a woman who, if caught, was to make the plea that Miss Fuller had enticed away her husband.
