JOHN WILLIAMS,
(SUCCESSOR TO A. W. GIBBS,)
AGENT FOR
MOFFAT'S VEGETABLE
LIFE MEDICINES.
THESE medicines are indebted for their name to their manifest and sensible action in purifying the springs and channels of life, and endowing them with renewed tone and vigor. In many hundred certified cases which have been made public, and in almost every species of disease to which the human frame is liable the happy effects of Moffat's Life Pills and PHŒNIX BITTERS have been gratefully and publicly acknowledged by the persons benefitted, and who were previously unacquainted with the beautifully philosophical principles upon which they are compounded, and upon which they consequently act.
The Life Medicines recommend themselves in diseases of every form and description.—Their first operation is to loosen from the coats of the stomach and bowels, the various impurities and crudities constantly settling around them, and to remove the hardened fæces which collect in the convolutions of the small intestines. Other medicines only partially cleanse these and leave such collected masses behind as to produce habitual costiveness, with all its evils, or sudden diarrhœa, with its imminent dangers. This fact is well known to all regular anatomists, who examine the human bowels after death; and hence the prejudice of these well informed men against quack medicines—or medicines prepared and heralded to the public by ignorant persons. The second effect of the Life Medicines is to cleanse the kidneys and bladder, and by this means, the liver and the lungs, the healthful action of which entirely depends upon the regularity of the urinary organs.—The blood which takes its red color from the agency of the liver and the lungs before it passes into the heart, being thus purified by them and nourished by food coming from a clean stomach, courses freely through the veins, renews every part of the system, and triumphantly mounts the banner of health in the blooming cheek.
Moffat's Vegetable Life Medicines have been thoroughly tested, and pronounced a sovereign remedy for dyspepsia, flatulency, palpitation of the heart, loss of appetite, heartburn and headache, restlessness, ill-temper, anxiety, languor and melancholy, costiveness, diarrhœa cholera, fever of all kinds, rheumatism, gout dropsies of all kinds, gravel, worms, asthma, and consumption, scurvy, ulcers, inveterate sores, scorbutic eruptions and bad complexions eruptive complaints. Sallow cloudy and other disagreeable complexions, salt rheum, erysipelas, common colds and influenza, and various other complaints which affect the human frame. In fever and ague particularly, the Life Medicines have been most eminently successful; so much so that in the fever and ague districts, physicians almost universally prescribe them.
All that Mr. Moffat requires of his patients is to be particular in taking the Life Medicines strictly according to the directions. It is not by a newspaper notice, or by anything that he himself may say in their favor, that he hopes to gain credit. It is alone by the results of a fair trial.
Moffat's Medical Manual; designed as a domestic guide to health.—This little pamphlet, edited by W. B. Moffat, 375 Broadway, New York, has been published for the purpose of explaining more fully Mr. Moffat's theory of diseases, and will be found highly interesting to persons seeking health. It treats upon prevalent diseases, and the causes thereof.—Price, 25 cents—for sale by Mr. Moffat's Agents generally.

Eight Hundred Thousand
ACRES OF LAND
IN THE
HURON TRACT.
Notice to Old Settlers, Emigrants and Others.
THE CANADA COMPANY have again thrown open all their Lands in the HURON TRACT for disposal, by way of LEASE for TEN YEARS—NO MONEY BEING REQUIRED DOWN. The Rent payable on the 1st February in each year, is not much more than the Interest upon the upset price of the Land—the right to purchase the Freehold at any time within the ten years, at a fixed price named in Lease, is secured to the Settler, who would thus save all further payments of Rents.
The Huron District is known to be one of the most healthy and fertile Tracts of Land in Canada—it has more than doubled its population within four years. The Huron Tract in the year 1842, contained 7101 souls—in June last year, the Huron District numbered 14,983 souls, according to the Official Returns.
The above Lands are in Blocks, therefore, affording facility for the undivided settlement of Families, of Old Settlers and their Friends.
Maps, Printed particulars, and every requisite information upon the Huron and the Canada Company's other Lands in the Province, will be furnished FREE OF CHARGE, by application (if by letter post paid) to the Canada Company's Office, at Toronto, and Goderich, and Stratford, in the Huron District.

Criminal Folly,
And even cruelty is exhibited in the want of prudence, care and economy, which is wantonly indulged in by *all Parents, Bigots,* and all those who neglect to keep on hand,
Daffey's Magical Pain Extractor.
The renowned Doctors Mott, Proudfoot, Cheesman, Freeman, &c., of New York, with millions of intelligent *daily users* of it, for all injuries, *solemnly confess* its presence a safety to life, and that for
Piles, Corns, Gout,
Rheumatism, neuralgia, strains, spinal weakness, Fever Sores, Salt Rheum, Frosted parts, Sore Eyes, Cuts &c., even every ailment where inflamation and swellings is present, it absolutely outstrips the whole Materia Medica and every nostrum extant.
On all Afflictions
(See pamphlets at Agents) its action is as rapid and safe as it is on
Burns and Scalds.
And which *alone of all remedies* has the unequalled effect to relieve *as soon as it touches,* and to entirely remove ALL pain from in a few minutes, *where care is taken* to lay it on promptly, it even prevents blister or sore, and if faithfully kept upon sores, it cures not only more rapidly than all else can, but ALWAYS *free of pain and scar.*
CAUTION.
Beware of all that has Comstock & Co. upon the envelope. It being as Commercial an article as Flour, the Courtland St. worthies have been pirating, but detected counterfeiting, and imprisoned and ruined. The application of their poisons may cost life. All Druggists found robbing by selling such trash, will be published and convicted.
Daffey's Animal Galvanic Cure All.
Also, is become as famed, and cures all Cattle diseases and hurts, every one who has tried it pronounce it the ne plus ultra of all cures.
Spavin, Ring Bone, Grease,
Foll evil, Mange, Humors, Scratches, Founder, Strain, swellings, Broken knee, and Galls without blemish, and all inflamable injuries and wounds.
Nothing ever in use before had such merit. Cures can be made in hours (see pamphlets) now, which always took days to do, and *cures never before made* are as rapidly effected.
It is warranted the *safest, quickest, cheapest* and most simple remedy ever in the hands of man.
Cows, Sheep and Pigs
can now be restored, and milk made plentiful where chill and fever often destroyed it.

To ascertain in this System which Company is really the cheapest, requires a careful examination of the Profits which have been returned by each Company, and the prospects they may be for a continuance or increase of the same. THE CANADA, at its second Annual Meeting, declared a return of *twenty five per cent* or *one fourth* of the *Premium received*—the corresponding Bonus, added to the Policy, being from £22 8s 3d; to £24 7s 8d per £1000 Assured, and decidedly more than the Bonus declared by ANY British Company, even in the seventh year of its existence.
This proportion of profit the Directors feel sure will be increased; but in it self, it reduces the above Rates at 20 years of age, to £1 8s; at 30, £1 17s; at 40, £2 9s 8d; and at 50, £3 9s 10d.

LIFE INSURANCE.
Mutual Life Insurance Company.
No. 35,
WALL STREET, NEW YORK,
Capital, $200,000.
SAMUEL HANNAY, *Secretary.* JOS. B. COLLINS, *President.*
THE Undersigned, having been appointed Agent for this Company, is now prepared to grant Life Risks, and annuities, subject to the approval of the Board of Directors.
The Terms of the Society are very liberal, and it would be to the interest of parties who purpose effecting Insurance on their Lives, or upon the Lives of others, to make themselves acquainted with its Business and rates before effecting the same with other Companies. It has paid during the past year, $92,200 for Losses occasioned by death, and during the Month of February last, added $30,000 to its Capital. Premiums are paid yearly, half-yearly, or quarterly, at the option of the Insured. It has already added upwards of 52 per cent to parties holding policies. Its Business is rapidly increasing, and promises at some future time, and at no very distant day, to make disbursements equal to those of the Equitable Life Insurance Company of London, England, which amounted in the year 1845, to the enormous sum of upwards of three and a half Millions of Dollars. There are but few persons in this Country who have any conception of the extent of Business transacted by Mutual Life Assurance Companies. The New York Mutual is the only Company in Canada doing Business on purely Mutual principles, and so far, it has clearly established the fact, that Mutual Companies conducted upon a good basis, are the safest and cheapest.
Every information will be given to parties, and Blanks and Pamphlets furnished gratuitously, by calling at my Office.
S. S. POMROY.
