Toronto

Toronto, Nov. 10.—Receipts on the Union stockyards were 86 cars, containing 1,171 cattle, 134 calves, 1,116 hogs and 1,151 sheep and lambs. Trade was very dull and prices generally were easier on practically all grades of cattle. Heavy steers in particular were affected, there being scarcely any demand for the five or six loads offering. Cows, bulls, canners and stuff of that variety were again in good demand, but anything else found but a very indifferent market. The probable effect on the market of the embargo now in force is causing some anxiety among the trade, but as yet the effect is not particularly marked either one way or the other.

Lambs steady for lightweight and good quality. Heavy lambs hard to dispose of.

Hogs are firmer.

ST. VITUS DANCE

Another Severe Case Cured Through the Use of Dr. Williams' Pink Pills.

St. Vitus dance is a common form of nervous trouble, which affects not only young children but men and women as well. The only cure lies in plenty of pure blood, because good blood is the life food of the nerves. Dr. Williams' Pink Pills cure the most severe cases of St. Vitus dance, because they actually make the rich, red blood that feeds and restores the starving, shattered nerves. This has been proved in hundreds of cases, among them that of Mrs. John Duncan, London, Ont., who says: "About a year ago I found myself becoming very nervous. At the outset I did not pay much attention to it as I thought the trouble would pass away. In this I was disappointed, for I soon found myself rapidly growing worse. My right arm and leg began to jerk and twitch all the time, even when I was in bed, and I found great difficulty in walking or doing any work. Finally the trouble affected my speech and it was with difficulty I made myself understood. Of course I was doctoring for the trouble, but was not being helped, and finally the doctor wanted me to go to the hospital for treatment. This I did not care to do, and it was at this stage that I decided to try Dr. Williams' Pink Pills. By the time I had used four boxes I felt much better, and in a short time longer I was quite well and strong. My neighbors look upon my cure as quite wonderful, and Indeed I think it is, and shall always be grateful for what Dr. Williams' Pink Pills did for me."

These Pills are sold by all medicine dealers or can be had by mail at 50 cents a box or six boxes for $2.50 by writing The Dr. Williams' Medicine Co., Brockville, Ont.

Herrington vs. Cochran

This case was heard at Toronto this week before Lennox J.

P. H. Bartlett (London) and W. E. Fitzgerald (Watford) for plaintiff. R. I. Towers (Sarnia) for defendant. Action to set aside deed and agreement and for damages for malicious prosecution, arrest and detention. Judgment: The plaintiff is not entitled to a declaration of ownership of the land, nor to the incidental rights and moneys claimed. There will be judgment dismissing the action as to this portion of the claim. It is admitted that plaintiff is entitled to damages for malicious prosecution, arrest and detention unless defendants can escape by reason of the arrest being made beyond the territorial jurisdiction of the magistrate. I do not see that defendants can ask to profit by the circumstance that the warrant was illegally or irregularly executed. They had no jurisdiction for their act. I assess the damages at $300, and allow plaintiff $35 on the three small items claimed by him. There will be judgment for plaintiff for $335, with costs, according to the tariff of this court.

Wm. Dean, of Thamesville, has promised 1000 bushels of apples for patriotic purposes.
