ADDIE ADE'S ADVENTURES

The Minute-a-Day Serial

CHAPTER VI.—"You know—I been thinkin', Addie," remarked Dad Ade a few evenings later, as he sat puffing on his favorite pipe, "that with the extra
MONEY—I got on those potatoes I might almost——" "Spend it on that cream separator!" finished Addie, looking up from the paper, with a
TWINKLE—In her eyes. "You guessed it," nodded Dad, "I
MADE—SO MUCH MORE ON THE PRICE OF THE 125 BUSHELS BY PUTTING THAT LITTLE AD. IN THE PAPER AND GETTING IN TOUCH WITH STORES THAT NEEDED POTATOES
THAT—I might begin lookin' into that pet cream separator idea of mine."
"THINK—You can afford one right now?" asked Ma Ade. "Nope—I can't," said Dad, with a sudden stroke of conscience, "d'you know how much George Dill wants for one of those new separators?" "Well, why get a
NEW—One? I broke in Addie, "here's an ad in the Farm Equipment column—says a man has one of those same separators—good as new—and he'll sell it for
HALF PRICE"—Dad made one jump for the paper.
(To be continued.)
