## British and Foreign.

[*By Telegraph to Associated Press.*]

LONDON, Sept. 6.

A further advance in English coal has occurred. Twenty thousand Midland coal miners are about to strike for higher wages.

The Tribunal Arbitration to-day pronounced their decision, making the award for losses caused by "Alabama," "Florida," and "Shenandoah," and for expenditures incurred by the United States in pursuit of these vessels. The award is said to be the lump sum of $15,000,000. This, however, is not positively known. A rumor prevailed in Paris that the United States was awarded thirty million dollars, but no confidence is placed in it.

Spain again intimates, through a semi-official Madrid journal, that she will not part with Cuba on any terms.

The Egyptian army has not entered Abyssinia, as was stated, but is stationed on the frontier.

The Emperor of Austria arrived in Berlin this evening, and was received with the same demonstrations accorded to the Russian Czar. Visits and banquets in the various palaces are the order of the day.

Bismark, accompanied by Gortschakoff, had a long interview with Alexander yesterday. Moltke and Wrangel have arrived in Berlin.

NEW YORK, Sept. 7th.

Big railroad accident at Independence, Ohio, on Wednesday; seven were killed and forty-five wounded, three of the latter fatally.

TORONTO, Sept. 6th.

In match made up to-day between English Eleven and Canadians, six of each, Grace was bowled out on his second ball, making nothing. Match not yet concluded.
