THE LONDONERS AT TORONTO

Were Given a Rousing Reception and Serenaded.

Started for Quebec Along With the Queen City Contingent—Notes by the Way.

Toronto, Oct. 26.—The London company of the contingent for South Africa arrived here last evening, and found the Toronto company at the Union station awaiting them. The boys were given a rousing reception, and were serenaded by the Queen's Own Band. The two companies left for Quebec together.

The departure of the Toronto district company of the Transvaal contingent was made the occasion of a demonstration absolutely unequaled in the history of the city. Fully 100,000 people assembled along the line of march. As the soldiers passed along they were greeted with an outburst of tremendous cheers and patriotic cries, mingled with the greetings of their friends. The scene in the armories, before the men marched out, was most affecting. Their relatives had been given tickets of admission to the armories, that they might say good-bye there, and while the city regiments mustered for the parade in honor of the volunteers, the women folks of the departing soldiers clung to them and said their farewell words amid tears. Patriotic addresses were delivered by Mayor Shaw and other members of the council, and afterwards the souvenir silver match boxes and other gifts of the citizens were presented to the men. Prayers were then said by Rev. Arthur H. Baldwin and the chaplains of the various regiments, after which the march to the station began.

The city's gift to the contingent consists of £25 to each officer and £5 to each man, supplemented in the latter case by 10 shillings to each man by Ald. Hallam. The life of every member of the contingent is insured for $1,000 at the expense of the citizens' committee, and the relatives of the volunteers will be cared for during their absence when necessary. At the Union station, when the train moved out, the enthusiastic people broke all bounds. Barriers were thrown down, women fainted and a vast crowd surged into the station, covering the platforms, besieging the train, while old veterans of former wars crowded around, praying to be taken with the contingent. The volunteers left amid the cheers of thousands.

NOTES BY THE WAY.

The Nova Scotia company left Halifax for Quebec amid a scene of unparalleled enthusiasm.

Dawson City has made an offer to the imperial government to equip and maintain 100 riflemen, most of them mounted police, for the Transvaal.

Woodstock had a half-holiday, and when the military train from London reached the town it was met by thousands of people, including officers of the Twenty-second Battalion and band. The Woodstock members of the company—Sergts. Henry Lane, G. W. Leonard, Garnett and Victor Odlum—were each given $25 by the council. Each member of the Oxford Rifles who went was presented with a $1,000 insurance policy by the members of the Twenty-second Battalion.

The Prince Edward Island men were given a rousing send-off on leaving Charlottetown.

Delhi's representative on the contingent, Frank Burkhort was presented with a purse of $50 by his fellow-townsmen.

The Montreal company reached Quebec Tuesday afternoon and was given an enthusiastic reception. The men from Ottawa and Kingston arrived in the morning.

It is said the departure of the contingent has been fixed for Wednesday.

Miss Betsy Russell, of Hamilton, who has just returned from duty among the United States wounded in the Philippines, will accompany the contingent as nurse.

A militia general order, dated 25th, provides: A company—Major H. M. Arnold to be captain, vice Capt. M. G. Blanchard, to be lieutenant. E company—Capt. C. K. Fraser, Fifty-third Battalion, to be captain, vice Macdonnell, who will be appointed a battalion adjutant; Lieut. C. J. Armstrong, Fifth Battalion, to be lieutenant, vice Fraser, appointed captain. N.-C. officers and men belonging to the permanent corps who have been accepted for enrollment in the special service, will be at once enrolled by the enrolling officer. The enrollment will, however, be dated the 31st October, up to which date the men will be considered as still belonging to their respective permanent units, and will be paid on the pay list of those units. These N.-C. officers and men will be transferred to the special service force from the 1st November, inclusive.

The governor and household leave for Quebec on Saturday, Oct. 28, for the purpose of seeing the contingent off.

Large Numbers Again Threaten Calamba—Macabebes Want to Enter the U. S. Army

Manila, Oct. 26.—The funeral of Maj. Guy Howard, son of Gen. O. O. Howard, killed Oct. 22 near Arayat, took place yesterday. The body was placed on the transport Belgian King.

Insurgents have returned to the vicinity of Calamba increased in numbers and are surrounding the town on land sides.

Gen. Blanco's 400 Macabebes are returning from the Ladrones. It is believed they are desirous of entering the American army and completing the regiment of Macabebes.

At San Isidro 30 hours' rain has raised the river and supplies are arriving in canoes of natives.

Gen. Otis reports the arrival at Manila of the transport Grant, with the 26th volunteers and the Aztec with civilian employes. The Aztec lost seven of its cargo of horses on the trip.

The transport Olympia and Pennsylvania leave 'Frisco for Portland to embark the 40th regiment and part of the 39th, and upon sailing for Manila will be followed by the Tartar, Newport and Manuense.

Col. E. G. Rathbone, who is in charge of the postal service in Cuba, arrived in New York from Havana yesterday. He says the postal service of Cuba has been thoroughly reorganized, and bankers and merchants of Cuba now send remittances averaging at least $150,000 a day by mail. Cubans are being given the jobs as far as possible.

CYLINDER KNOCKED OUT.

St. Thomas, Oct. 26.—A startling accident occurred at the Erie flour mills yesterday morning. The bolt connecting the driving-rod to the crank-pin broke, allowing the piston to knock out the head of the cylinder. A terrific report was the result, and the head of the cylinder was knocked about 40 feet, into an oil house. Fortunately no person was hurt. The first engineer, Mr. Roberts, escaped by jumping through a window. Mr. R. N. Price, foreman of the mill, and Mr. Corey were standing about four feet from the spot where the head of the cylinder struck. The difficulty experienced was in getting the steam shut off, as in a very few minutes it had filled both engine and boiler rooms, loosening the cement on a number of belts. It will be necessary to send the high-pressure cylinder to Galt for repairs.

JAMESON'S SCOUT.

Windsor, Ont., Oct. 26.—Charles Macdonald, of Detroit, who claims to have been Dr. Jameson's chief scout during his famous raid into the Transvaal, called on Col. Guillot to see if he could get permission to join the Canadian contingent enlisted for service in South Africa. Macdonald says he knows every foot of ground in the Transvaal, and is aching for a chance to fight the Boers. A reward of $2,500, he says, was offered by the Transvaal government for his capture.

The Chicago and Alton Railroad offers to defray one-half the premium on the life insurance policies carried by its employes.

DR. RADWAY & CO., New York:

Dear Sirs,—I have been sick for nearly two years, and have been doctoring with some of the most expert doctors of the United States. I have been bathing in and drinking hot water at the Hot Springs, Ark., but it seemed everything failed to do me good. After I saw your advertisement I thought I would try your pills, and have nearly used two boxes; been taking two at bedtime and one after breakfast, and they have done me more good than anything else I have used. My trouble has been with the liver. My skin and eyes were all yellow; I had sleepy, drowsy feelings; felt like a drunken man; pain right above the navel, like as if it was bile on top of the stomach. My bowels were very costive. My mouth and tongue sore most of the time. Appetite fair, but food would not digest, but settle heavy on my stomach, and some few mouthfuls of food came up again. I could only eat light food that digests easily. Please send "Book of Advice." Respectfully,

BEN ZAUGG,
