**High Tribute to a Toronto Artist.**

From a Northern paper of a recent date in reference to a concert, which appeared in that town, we extract the following notice:

"Mr. Girth, who was introduced for the first time, made himself popular in this part of Ontario. His rendition of Mona was such as to delight a city gathering, and our people showed their appreciation of high-class singing by thundering applause, which followed that selection, keeping it up until favored with an encore. Mr. Girth will undoubtedly attain distinction in his art if he only brings himself more prominently before the public. He possesses high vocal talents, which have been cultivated in a manner that reflects great credit on his teacher."

The Best Pills.—Mr. William Vandervoort, Sydney Crossing, Ont., writes: "We have been using Parmelee's Pills, and find them by far the best pill we ever used." For Delicate and Debilitated Constitutions these pills act like a charm. Taken in small doses, the effect is both a tonic and a stimulant, mildly exciting the secretions of the body, giving tone and vigor.

*VARSITY LACROSSISTS DEFEAT THE CRESCENTS AT NEW YORK.*

**The Score Stood 6 to 5 at the Close of the Contest—How the Goals Were Scored—Cornwall Shows Up Well in the Opening Game at Montreal—General Sporting News and Gossip**

New York, June 2.—The Toronto University lacrosse players, who are making a tour of the United States, yesterday afternoon tackled the Crescent A.C. experts at Bay Ridge, and, in conformity with the state of the atmosphere, a hot game resulted.

The Canadians are young and seemingly slight-built men. They know lacrosse from goal to goal, and they exhibited the fine points of the game to an admiring crowd of 500 spectators. They had everything their own way at the start, playing all round the Bay Ridge men for the first hour. Then the Crescents got together and played a remarkably stiff game. Curry, Pettit, Moser and Captain Post carrying off the honors. The Crescents might have won, or at least tied the Canadians, had not time been called. As it was the score stood 6 to 5 at the close of the contest. Most of the goals were shinnied through the posts. The Canadians who played particularly well were: Kingstone, Hendry, Captain Burns and Westman. The teams:

Toronto Varsity (6): Goal, W. Jones; point, C. Kingstone; cover, P. Knowles; defence Peter White, C. A. Moss, J. A. Jackson; centre, W. B. Hendry; home, S. H. Westman, W. B. Keith, W. E. Burns (captain); outside, C. W. Cross.

Crescent A. C. (5): Goal, G. Pettit; point, J. S. Garvin; cover, L. J. Doyle; defence, C. Miller, L. Moser, C. Post, jr. (captain); centre, E. McLean; home, W. Boardman, C. A. Bush, N. C. Roberts; outside, J. H. Bagg.

Referee—A. D. Ritchie, Staten Island A. C. Umpires—W. C. Coles, Crescent A.C., and E. McAllister, Toronto University.

Summary: First goal, Toronto, W. E. Burns; second goal, Toronto, S. H. Westman; third goal, Crescent, C. A. Bush; fourth goal, Toronto, W. B. Keith; fifth goal, Toronto, C. W. Cross; sixth goal, Crescent, J. Curry; seventh goal, Toronto, W. E. Burns; eighth goal, Crescent, C. Roberts; ninth goal, Crescent, J. Curry; tenth goal, Toronto, C. W. Cross; eleventh goal, Crescents, J. Curry.

Manager W. A. MacKinnon, who is with the team, has arranged to play the Stevens Institute lacrosse team at the St. George Cricket Grounds, Hoboken, to-morrow afternoon, but, owing to the crippled condition of the Stevens team, it is doubtful if the game will be played. Other games arranged for the American tour by Manager MacKinnon are: June 4, Harvard University at Cambridge; June 5, Lehigh University at Bethlehem; June 6, New York University at Ohio Field, University Heights, and June 8, Cornell University at Ithaca. From Ithaca the team will go direct to Toronto.

**Cornwall Defeats Montreal.**

Montreal, June 1.—The Senior League lacrosse match to-day between the Montreal and Cornwall teams resulted in an easy victory for the latter. Cornwall won seven games and the home team 2, following being the times: First, Cornwall 1 minute; second, do., 7 minutes; third, do., 9 mins.; fourth, Montreal, 11 mins.; fifth, Cornwall, 3 mins.; sixth, do., 9 mins.; seventh, do., 17 mins.; eighth, Montreal, 1-2 min.; ninth, Cornwall, 1-2 min.

## TORONTO'S WHEAT DEALERS.

**A Party Who Is Supposed to Know Tells The World the Profits They Have Just Made.**

The man in charge of the elevator in the Board of Trade building read The World on Saturday and took a great deal of interest in the despatch from Montreal on the profits made by the wheat kings of that city through the recent big advance in wheat. This individual knows a thing or two, and he has been making nice calculations as to the profits of Toronto grain men. He submitted The World an estimate of these profits as follows:

Crane & Baird $40,000, James Carruthers $30,000, John F. Sproule $30,000, W. D. Matthews $20,000, L. Coffee & Co. $20,000, D. O. Ellis $5000, J. N. Peer $5000, J. F. McLaughlin $25,000, Thomas McLaughlin $15,000, F. F. Cole $20,000, McBean & Co., $15,000, G. L. Spink $20,000, McLaughlin & Moore $15,000.

The elevator man says he never saw such a changed aspect in the countenances of any body of men as that which now illumines the faces of the Toronto grain men. For two or three years they have been in the dumps, and it was often as much as his place was worth to joke with even the most good-natured of them. Now, however, they come in the building with a bounding step, they are full of smiles, and he finds them so buoyant and lively that the elevator requires only half the usual power to take them and it up. Since wheat crossed the dollar mark, the grain men are hardly able to contain themselves. The elevator man says he knows most of the plans they have adopted for getting rid of the money they have made. Some have already laid out trips to Europe and the Holy Land. Mr. J. F. McLaughlin is one of those who intends to find relief in this way. He will start for Europe in a short time, and while the trip is being made he will leave specifications in Glasgow for a steam yacht. Others contemplate purchasing valuable estates and erecting palatial residences. In the meantime the money is flowing pretty freely, and more than one Toronto merchant is pleased with the success that the Toronto grainmen have just experienced.

**Have You Not Noticed It?**

There is quite a difference in the way you are treated on railroads. Some conductors and porters in sleeping cars are surly and not accommodating, while on the Erie it is a pleasure to the train attendants to be obliging and courteous to passengers. Try it and be convinced; elegant service in connection with Empress of India.

**Fell Among Thieves.**

A lumberman named William Wallace, en route from Collingwood to Ottawa, arrived in Toronto about 2 o'clock Saturday morning and found all the hotels closed. A man named William Taylor met him in York-street, and the two started up Queen-street avenue and sat down on one of the benches. Wallace fell asleep and was awakened by feeling some person going through his pockets. He discovered that his money, amounting to $380, was gone. He accused Taylor of the theft, and the latter started to run, when he was caught by P. C.'s Wallace and Townsend. The $380 was found in the pocket of Taylor, who was remanded to jail until Monday.

**Schram Water Guard.**

At the present time every precaution should be taken to secure clean, pure water. The "Schram Patent Water Guard" is a most valuable attachment for the water tap, and is guaranteed to remove al. material impurities, etc. A system of silk wire gauze is arranged in the interior of the "guard," making it simply impossible for any organic or impure matter to pass through. Manufactured by Schram-Williams Company, 87 Richmond-street west.

*THE SUNDAY WORLD.*

**An Excellent Issue—Full of Bright Literature and News.**

The Sunday World, published on Saturday evening and out on the streets in time for the swarms of returning excursionists and outing-seekers, is fulfilling a very much felt want in giving all the latest news of Saturday, including the sports of the day. Yesterday's issue was a capital one, both from a news and a general point of view.

The special articles were most interesting; "Satan in the Synagogue," was the title of Ebor's weekly contribution. It was full of instructive and entertaining incidents bearing on ecclesiastical criticism.

"The Faithless Josephine" discussed the new light which the famous De Barras' memoirs, just published, cast on the character of the first Empress of the French. Her amours and passions have been brought to light, and the illusions of the many people who have not known her real character will be sadly shattered.

The editorials on social subjects, Eryx's weekly comments, Dulcimer's turf criticisms and Progress' musical notes are features unequalled in any other Canadian weekly, while Legal Tender's Business Comment is most valuable.

**Death of Judge Dennistoun.**

Robert Dennistoun, Q.C., formerly County Judge of Peterboro', died at his residence, 202 Beverley-street, Friday afternoon in his 81st year. Deceased was well known in the legal profession of earlier years. He was called to the bar in 1849 and made a bencher of the Law Society in 1864. He was appointed County Judge of Peterboro' about the year 1870, and retired some five years ago.

## ALL THE BYLAWS BEATEN

*MAJORITY OF SIX TO ONE AGAINST ELECTRIC LIGHTING.*

**The Majority Against the Other Bylaws Also Very Large—All the Water Bylaws Suffer the Same Fate as That for the Electric Light Plant.**

Toronto ratepayers on Saturday voted upon four bylaws: To expend $75,000 on an intake pipe, $90,500 for a watermain in Front-street, $185,000 for pipe from Bathurst-street to Reservoir, and $277,000 for a civic electric light plant. All of the bylaws were overwhelmingly defeated, the majority against the bylaws being more than six to one. The results:
