Wm. Nelson, Wins the Three Mile Championship Race—Arlingtons Defeated by the St. John's A. C. Boys.

SKATING.

NELSON WINS.

William Nelson, of East London, defeated Galbraith in the three-mile championship race at the Princess rink last night before a crowd of 200 people. Galbraith was looked upon as a sure winner, having defeated Heffernan last week in a walk-over. Nelson, however, had better staying powers, and easily won out. For seventeen laps Galbraith kept close upon the heels of Nelson, and on the 30th round he threw up the sponge, retiring after knocking over one of the corner barrels and slightly injuring his knee. Nelson finished the three miles in 9:17⅕. The race was very fast. The first mile was skated in three seconds better than three minutes; the second mile in 3:07, and the last mile in 3:13⅕. George Black was referee; Thomas Gillean, time-keeper; Alex. Craig, scorer; J. Brown and E. Westcott, judges. Nelson will now have to defend the championship gold medal until the end of the season.

HOCKEY.

The St. John's A. C. and the Arlingtons played a game at the Jubilee Rink last night. It was not exactly fast hockey, but it furnished lots of fun for the crowd. The Arlingtons had forgotten to bring their wind apparatus with them, and were therefore handicapped for want of the necessary staying power. The score was 10 to 0 in favor of St. John's A. C. The teams were as follows:

ST. JOHNS.		ARLINGTONS.
Glover	Goal	Dr. Silk
Hora	Point	W. Roome
Kerrigan	Cover Point	J. Callison
W. Woolley, T. Woolley, Labatt, McLoud	Forwards	Ranahan, J. Dewan, C. E. Reid, W. Mitchell

Referee—Mr. Langtry. Goal Judges—A. Woolley, A. Friendship. Timekeepers—Shillington, Spittal.

LAWN BOWLING.

The annual meeting of the Chatham Lawn Bowling Club was held at the Hotel Garner on Monday evening. There were present: President J. Sowerby, Vice-President W. Taylor, Secretary-Treasurer J. S. Black, W. A. Thrasher, R. G. Fleming, George B. Merritt and D. S. Gray. The financial statement was read, which showed that there were 26 members last year, and that the club had come out about even at the end of the year. The club at the end of last season expended about $75 in fixing up their lawn, and now have one of the finest lawns in Western Ontario. The election of officers resulted as follows: President, Wilson Taylor; vice-president, J. S. Black; secretary-treasurer, R. G. Fleming; executive committee, the three officers and W. A. Thracher, J. Sowerby and John Hendershott; representatives to the Bowling Association, Dr. R. V. Bray and W. A. Thrasher. President Taylor presented to the club a large pitcher for yearly competition, which he won at the local tournament last year. He was greatly in favor of the anual local turnaments. The gift was gratefully accepted by the club.

TURF.

YESTERDAY'S WINNERS.

At New Orleans—Triaditza, Lovable, Van Brunt, Albert Vale, Hurricane and Iola.

At Tanforan, San Francisco—Ladorga, Rollick, Geyser, Ella Boland, Los Medanos and Wallenstein.

FISTIC.

New York, March 14.—Bob Fitzsimmons and Peter Maher have been matched to box six rounds at the First Regiment armory, Philadelphia, on March 27.

Harmony now reigns between Bob Fitzsimmons and Wrestler Ernest Roeber. A few days ago Roeber brought suit against the former champion for back salary, which Roeber says amounted to $875. Fitzsimmons since called on Roeber and gave him all the money that he owed him, and the two made up. To show his sincerity, Fitzsimmons then engaged Roeber as a wrestling partner and trainer for his coming battle with Tom Sharkey. Roeber was one of Fitz's partners for his fight with Jim Corbett at Carson City.

KENNEL.

Mr. George Douglas, of Woodstock, has returned from the kennel show at Chicago, where he was very successful with his famous little spaniels. His prizes were as follows: First in novice black, with Picador; first in novice red, with Red Kate; second, limit, with Red Willard; second, parti-colored, with Duplex; third, with Topsy Fink, in open black class; first, with Picador, in limit black.

BASEBALL.

NOT CONGENIAL.

A prominent league catcher, in telling the following story to a New York reporter recently, well illustrated the feeling that usually existed between veteran professionals and young bloods, especially collegians who are grafted into the teams:

"'Last year a certain collegep itcher was signed by the club with which I was playing," said the catcher, "and he was so swelled up, the old players took offense. He wouldn't listen to advice, and also refused to associate with us at all. One day we were playing the Philadelphias, and this young man was in the box. The Philadelphians had the bases filled in the sixth inning, with 2 out, the score 3 to 0 in our favor, and Delahanty at the bat. The college boy had been getting away with the big hitters, because I had correctly tipped their weak points to him, but he soon thought he knew enough himself to do the signing instead. So when I gave a sign for a ball I thought Delahanty couldn't hit safely, the pitcher shook his head. I walked down to the box and said:

"'Well, what's the matter?'

"'Mr. Catcher," replied the collegian with a look of disdain, 'you do not know your business. Just you go back behind the bat, hold your hands out like a mere mechanic and catch the ball. I will attend to the brain work here. I intend to pitch Mr. Delahanty a high, fast, straight ball, close in to his neck! I'm positive he cannot hit it! Hurry back there, Mr. Catcher, and do not argue with me, for 'tis useless!'

"As I walked back to my position I was hot under my collar.

"'Del.,' I said to the great batter, 'look out for a high, fast straight one in to the neck!'

"Delahanty stepped back as the ball was pitched, and hit it over the fence for a homer. That night the president of the club took a rush at the collegian and gave him his walking papers."

SPORTING NOTES.

The American universities are taking up lacrosse early this season. At their next schedule meeting it is likely a motion to adopt the rules and constitution of the Canadian Lacrosse Association will be passed, owing to the fact that they have adopted the series system.

The Columbia Yacht Club of Chicago will send a special committee, made up of Edward T. Bascom and Simon Mayer, to Canada, Boston and New York, to secure the entries for their regatta. The committee leaves on March 28, and will be gone two or three weeks. They expect to interest many of the Canadian yachtsmen, and incidentally add fifteen or twenty boats to the number already entered for the regatta.

There's a Brooklyn man who says he will be ready on the first visit of the Pittsburgs to the east to wager $10,000 that the Brooklyn nine beats Pittsburg out for the championship.

Tod Sloan backed De Wolf Hopper at the Shaftesbury Theater, London, and dropped $29,500.

The Bostons will train at Greensboro, N. C., but will not assemble there for two weeks yet.

The Chicago players are working out at West Baden, and the Cincinnatis at New Orleans.

Terry McGovern will meet Tommy White in a six-round contest at Tattersall's, Chicago, on March 28.

McGraw, Robinson and Keister have been sold to St. Louis for $5,000. The players refuse to budge unless they receive a slice of the money and materially increased salaries.

The Grady boxing law, which may succeed the Horton law in New York, calls for 12 rounds of sparring with a referee and two judges, a padded rink and not more than ten pounds difference in weight between the big fellows who meet.

Ban Johnson has selected as umpires for this year in the American League, Sheridan, Cantillon,, Haskell and McDonald.

APPROVED BY BRITISH PRESS

Salisbury's Reply to the Boer Presidents Indorsed.

Received With Bitterness and Defiance at the Boer Capital—Other Cable News.

London, March 15.—The Times, commenting editorially upon the reply of Lord Salisbury to the message of the Boer presidents, says: "The government has given the only conceivable reply to the extraordinary Kruger-Steyn telegram—a reply which will be hailed with profound satisfaction throughout the empire."

Most of the papers express sentiments similar to those of the Times.

The Standard says: "It is hard to treat with any seriousness an appeal which ignores the palpable realities of the situation. So far as it is meant for diplomatic use abroad, the appeal is a sheer waste of labor."

The Daily News says: "Lord Salisbury puts his decision on the right ground. No other answer could be expected. The duty of the Liberal party will be to use its influence in the direction of tempering the future British sovereignty with the largest measure of local autonomy consistent with the securities for inter-state peace and equal laws and liberties."

AT PRETORIA.

A Pretoria dispatch says: "Lord Salisbury's reply to Presidents Kruger and Steyn causes bitter disappointment, and State Secretary Reitz says it means that the war will have to be fought to the bitter end."

The Daily News (London) has the following from Pretoria, dated Monday, March 12: "Lord Salisbury's reply has been received, and a Boer refutation of the British contention is under consideration. It will deny that any annexation has been made, and it will declare that the occupation of British territory was merely strategic. It will express the determination of the two republics to fight to the finish."

The New York Evening Journal prints the following cable from President Kruger: "Pretoria, March 13—8 p.m., via Berlin, March 14, 10 a.m.—The burghers will only cease fighting with death. Our forces are returning in good order to our first line of defense on our own soil. The Natal campaign was longer in our favor than we expected. The British will never reach Pretoria. The burghers, Joubert, Steyn and myself, as well as all others, are united. There are no differences. (Signed) Kruger."

IN OTHER COUNTRIES.

Natal dispatches recount that the greatest satisfaction is felt there at Lord Salisbury's reply to the Boer president's peace overtures.

Montagu White, agent in the United States for the Boers, says he yet hopes for a happy solution of the great problem.

In high circles in Berlin no surprise was felt at Lord Salisbury's reply to the Kruger-Steyn proposals. Doubtless just such an answer was expected.

The majority of the French papers confine themselves to printing the text of the communications exchanged between Lord Salisbury and Presidents Kruger and Steyn without comment. The Temps, however, expresses the opinion that Lord Salisbury's reply means "a war of conquest and annexation, a war to the death." The Temps concludes: "After the example given by the United States, it would be vain to place any hopes of intervention in the foreign powers."

SAD STORY OF A WAR FATALITY.

London, March 15. — A sad story of the war comes from Southwark. The father was killed at Magersfontein, the mother died two days after receiving the news, and the only child died yesterday from the effects of being deprived of its parents.

KEEPS HIS WORD.

Berlin, March 15.—The Kreutz Zeitung claims that before the commencement of the Boer war, the czar promised Queen Victoria not under any circumstances to take advantage of England's difficulties. The czar's attitude, alleges the paper, influenced the other powers similarly to leave England alone.

THE SHAMROCK.

London, March 15.—The Queen's recognition of the dash of the Irish soldiers by her order to wear the shamrock on St. Patrick's Day has been noted by the leading florists. A syndicate has been formed among the Covent Garden market men and three agents sent to Ireland, with instructions to buy as much shamrock as they could lay their hands on and ship it to London.

The New South Wales Government has proclaimed St. Patrick's Day a public holiday as a tribute to the bravery of the Irish soldiers in South Africa.

ALL LOVELY IN SAMOA.

Auckland, N. Z., March 15.—Advices from Samoa, dated March 1 report that the German flag was hoisted at Apia in the presence of the treaty officials and of Mataafa and Tamasese. Dr. Solf, president of the municipality, is governor. Herr Knipping, formerly vice-consul at Sydney, will act as chief judge and vice-governor. A public reconciliation took place at the flag-hoisting between Mataafa and Tamasese. The supreme court, the municipal council, the municipal magistracy and the consular courts were abolished. The laws will remain in force as at present. The natives are all quiet and awaiting news from Germany as to the form of government.

CABLE NOTES.

Former Premier Crispi of Italy is very ill.

In the British House of Commons the war loan passed its third reading.

Citizens of Kingston, Jamaica, will send two delegates to London for the purpose of representing to Secretary Chamberlain and the British Parliament the injustice done to Jamaica by the appointment of additional members of the council, and that crown government in any form is obnoxious to the Jamaicans.
