FRIDAY, JULY 29, 1881.

## TOWN AND COUNTRY.

MR. JONATHAN THOMLINSON'S carriage team indulged in a runaway on Friday last. Vehicle considerably damaged.

☞The verdict of the people is that the choicest stock of prints in town is to be seen at the Glasgow House.

R. SOPER was arrested on Sunday last for threatening the life of his brother-in-law. He was bound over to keep the peace.

☞Butter, Eggs, apples and potatoes taken in exchange for Groceries at D. W. Palmer & Co's.

W. W. COLE'S circus and managerie about to make a tour through Canada, is announced to visit Listowel early in September.

☞D. W. Palmer & Co. keep constantly on hand the largest and best selected stock of the choicest Liquors, Wines, etc., in town.

A YOUNG BEAR excited considerable curiosity in town on Saturday. It was captured by Mr. Warren, of Wallace, while in Michigan lately.

For first-class Meerschaum pipes or cigar holders, call at Kay's noted Tobacco Store.

BASE BALL.—The Listowel Beavers defeated the Young Canadians of Harriston on Thursday, the score standing: Beavers, 8; Young Canadians, 7.

☞D. W. Palmer & Co. keep in stock the best 50c. Tea in town. We defy any to beat it. Try it and be convinced.

REV. G. O. TROOP removed with his family to London on Monday last. A number of the congregation of Christ Church assembled at the station to wish them good bye.

Manufacturers of reapers, mowers and threshing machines prefer "Castorine" Machine Oil to any other. It will outwear lard oil or elephant, and is warranted not to gum.

MR. E. RICHMOND, son of Mr. George Richmond, of Elma, is on a visit to his friends in this neighborhood. Mr. Richmond holds a position on the staff of the Buffalo *News*.

☞For a neat and good suit of Boy's Clothing call at the Glasgow House.

BETWEEN sixty and seventy persons from this vicinity took in the excursion over the Great Western Railway to the falls on Wednesday. The Listowel band accompanied the excursionists.

The finest stock of Briar Pipes in town at Kay's Tobacco Store.

WE have received a copy of the annual catalogue of the Wesleyan Female College in Hamilton. In glancing over its neatly printed pages we notice in the list of students the names of a number of young ladies from Listowel.

☞Go to the Glasgow House and see what beautiful Sugars they sell at twelve pounds for $.

FARMERS are busy in the harvest field, and as a consequence business in town is dull. However, in view of the bountiful harvest which is being ingathered, our merchants can look hopefully forward to a brisk fall trade.

PAINTS, OILS AND COLORS.—For the largest stock, best material and lowest prices, go to HACKING'S Drug Store.—21.

CRICKET.—Another victory was scored by the Listowel cricketers on Wednesday at Brussels, the Listowel team defeating their western neighbors by 41 runs. Out of six matches played this season, the Listowel club have met with but one reverse, and naturally enough, the boys are considerably elated by their success.

☞Don't forget the Toronto Tea Store when in town, for Cheap Teas; good value for the money. D. W. Palmer & Co.

The largest and best assortment of Tobaccos in town at Kay's Tobacco Store, *Main street.*

SCHOOL RATES.—Trustees of the various school sections in the township of Wallace are requested to bear in mind that the township council will meet on the 20th August for the purpose of striking the rates for the current year. The township council of Elma will also meet on the 20th for the same purpose.

☞D. W. Palmer & Co. have secured a choice selection of the best brands of imported Wines and Liquors for medicinal purposes.

If you want good Tobacco or Cigars, or Smokers Sundries, go to Kay's Tobacco Store.

CHRIST CHURCH.—Services will be held in Christ Church on Sunday next at the usual hours, by Rev. Mr. Troop. The holy communion will be administered after the morning service. Service will also be held at Shipley at 2.30 p. m. It is expected that the Bishop of Huron will appoint an incumbent to the parish at an early day.

☞Laces, Frillings, Lace and Silk Ties Edgings and Embroideries in immense variety and very low price at the Glasgow House.

TO ARRIVE TO-MORROW.—Green corn, cabbage and other vegetables, at H. D. Murray's: where the choicest fruits and vegetables of the season will always be found earliest and cheapest.

MESSRS. HESS BROS. have this week received an order for furnishing the very large hotel recently erected by Mr. Jas. O'Neill in Woodstock. It is to be furnished throughout in first-class style, and we are sure that Mr. O'Neill could not have placed his order for furniture in better hands.

THE BEST THING YET.—Instantaneous Ink and Stain Extractor and Obliterator. Removes grease spots, ink and stains of all descriptions from cloth and paper. Warranted harmless to paper, hands, or clothing. Can be had at Dr. Michener's book and drug store. Sole agent for Listowel.

MONDAY next, the 1st of August, will be Toronto's civic holiday. As a report got abroad that the civic holiday in the Queen City would be on the 4th—the same day as Listowel's,—any who may desire to do business in the city on that day need not be deterred from taking advantage of the cheap excursion.

THE FIRST OF THE SEASON.—Harvest apples, Pine apples, Water-mellons, Musk-mellons and Tomatoes—now in stock at H. D. Murray's. The only place in town where these delicacies can be procured. Fresh fruits arriving daily. No monopoly—we sell at bottom prices.

NO PAPER NEXT WEEK.—In order that our staff may participate in the civic holiday, the STANDARD will not be issued next week. As we have not deemed it advisable to take advantage of the custom prevalent with weekly journals of omitting an issue at the New Year, that season being of all the year the least opportune for depriving the public of their newspaper, we trust that the readers of the STANDARD will kindly submit to be deprived of their paper for a week at the present season, when nothing of any great moment in the political or social horizon is transpiring, and at a season when a large proportion of our readers are so engrossed in the harvest field as to make it almost out of the question to imbibe in mental pabulum of any kind.

HAD TO SHOOT HIM.—Yesterday morning a horse belonging to Mr. A. Moyer, employed at Messrs. Hess Bros.' saw mill in drawing logs, took fright and ran away. In crossing the bridge lately erected on the firm's property, the animal's leg struck a board, breaking it in two places. It was found necessary to shoot the poor brute.

MR. F. G. SNELL, nephew of the Rev. J. H. Snell, B. A., Proprietary Church, Wallace, was awarded by the Oxford and Cambridge Examiners on the 25th of June last a Scholarship, value $300 per annum, tenable for 5 years. The endowment belongs to Blundell's school, Tiverton, (the High School of that town). The scholarship is for Balliol College, Oxford, England.

DIDN'T GO.—Messrs. J. O. Mowat and A. B. McCallum, of this town, who, it was announced had left on a trip to the upper lakes, upon arriving at Southampton found the boat so crowded that they declined taking passage in her. These gentlemen are to be commended for their common sense in foregoing the pleasure of a trip rather than run any risk on an overcrowded boat.

"RURAL CANADIAN".—This is the title of a fortnightly journal of agriculture, horticulture and rural affairs which is announced to make its appearance shortly. It will be issued from the office of C. Blackett Robinson, publisher, Toronto, and will be edited by our townsman, Rev. W. F. Clarke, whose acquaintance with agricultural and horticultural matters well fits him for the position. The subscription price will be 1.00 per annum.

A HEAVY CRASH.—Messrs. G. S. Climie & Son met with a heavy loss on Wednesday evening by the floor of a building on Wallace street, which they were using a store room, giving way, and letting some thirty or forty new stoves tumble through a distance of about six feet. Scarcely a stove escaped without more or less damage, many of them being converted into complete wrecks by the crash. Messrs. Climie's loss will probably not be short of two hundred dollars at least.

GOING TO THE NORTHWEST.—Mr. J. B. Jackson, station agent for the G. T. R. in this town, is about to take his departure for the North-west. During Mr. Jackson's stay in this town, which extends over three years, he has won by his kind and obliging manner the good will and esteem of the large community with whom he has had business relations, and we are sure that his departure will be generally regretted. Mr. Porter, of Stratford, has been appointed to the position which Mr. Jackson vacates.

CIVIC HOLIDAY.—Thursday next, 4th August, has been proclaimed a civic holiday in Listowel. A cheap excursion to Toronto is announced by the Grand Trunk Railway, the fare for the round trip being only 1.00; children half price. Arrangements have been made for visiting Hanlan's island and points of interest in the city. It is quite probable that many of our citizens will be induced to visit the provincial capital on that day. Further particulars will be learned by consulting our advertising columns.

NEW TIME TABLE.—A new time table came into effect on the Georgian Bay and Lake Erie Division of the Grand Trunk Railway on Monday last. There has been no alteration in the time for arrival and departure of daily express trains at Listowel. The following changes have been made in the running of the mixed trains: Trains Nos. 7 and 8 now run between Stratford and Durham. No. 7 leaving Listowel for Stratford at 2.15 p. m. on Tuesdays, Thursdays and Saturdays, and No. 8 arriving in Listowel from Stratford at 3.35 p. m. on Mondays, Wednesdays and Fridays. A daily mixed train has been placed on the road between Stratford and Port Dover, leaving Stratford at 6 a. m., and returning to Stratford at 7.40 p. m.

FIRE.—About three o'clock on Monday afternoon a fire broke out in the stable in the rear of the M. E. Church parsonage. The fire was first discovered in a manure heap outside of the stable, from which it quickly communicated with the inflammable material in the interior of the building, spreading so rapidly that it was with difficulty that Rev. Mr. Cooper's horse and buggy were saved. A set of harness, a quantity of hay, and other property, were destroyed. The fire engine was promptly on the spot, and did good service in saving the buildings adjoining. The residence of Michael Rothar was considerably damaged. The roof of Henry Goddard's house was also ignited, but was extinguished before doing much damage. There was no insurance on the stable. The fire is supposed to have originated from a spark from some the smokestacks in the neighborhood.

HIGH SCHOOL BOARD.—At a meeting of the H. S. Board on Wednesday evening the contract for painting the new fence around the school was awarded to Mr. T. Perry, at 1.32 per rod, the material and work to be subject to the approval of the Board. The Board then adjourned until Thursday morning, when the applications for the positions of first and second assistant teachers for the school were examined and considered. There were a large number of applications for each of the vacancies. The Board by resolution, selected Miss Henriette Charles as second assistant teacher, salary 450.00 per annum. Miss Charles is a young lady who has won unusual distinction for her scholastic attainments. From a pupil of high standing in the St. Catherines Collegiate Institute, this young lady matriculated at the Toronto University in 1879, taking honors in Mathematics, English, French and German. In 1880 Miss Charles passed the first year examination at the University, again taking honers in the above named subjects, in addition to which she gained the distinction of being first in general proficiency and modern languages. Miss Charles' scholastic acquirements are certainly of a very high order. As she is also not without experience in teaching, the Board have no doubt acted wisely in selecting this young ady for the position. The selection of a first assistant was postponed until Thursday evening.

GRAND TRUNK, GEORGIAN BAY AND LAKE ERIE RAILWAY.—A large meeting was held in the Council Chamber, in Woodstock, on Monday, of the shareholders and bondholders of the various roads now amalgamated under the name of the Grand Trunk, Georgian Bay & Lake Erie Railway Company. The meeting was called to take into consideration the affairs of the company and to give consent to an agreement for the use, lease or working and equipment and maintenance of the railway and property of the above company by and with the Grand Trunk Railway company of Canada. The meeting was called to order by the appointment of Henry Parker, Esq., Chairman, and P. Watson, Secretary. The President, Col. Tisdale, of Simcoe, was called upon to explain the position of affairs, and the nature of the agreement. There was a good deal of interest manifested. A resolution was passed giving consent to the said agreement. An offer was read from Mr. E. B. Osler, of Toronto, offering 45 cents on the dollar for all first preferential bonds, not including coupons. This offer was pretty generally accepted, and only a few have not, as yet, signed. The town of Simcoe accepted this offer, and so did the directors of the road. The Trustees for the first preferential bonds are E. B. Osler, Esq., and the Treasurer of the Grand Trunk Railway, and the Trustees of the second bonds are Messrs. S. S. Fuller, of Stratford, and John Bell, Solicitor, Belleville.

### Canadian Cholera.

This terrible disease is but little less fatal than real Asiatic cholera, and requires equally prompt treatment. Dr. Fowler's Extract of Wild Strawberry will cure it as well as all other forms of bowel complaints of infants or adults if used in proper time.

### THE WRECK--MAY 24TH.

*Hic murus aheneus esto. (Be steadfast and true).*

Death stands on death and blocks the way;
Corse upon corse, 'tis now;—
They sink, they drown, O agony!
The curse, the prayer, the vow.
In narrow stream a vessel sinks;
Her fittings strike like lead;—
A pall is on the merriment,
And merriment is dead.
Help, help! come lend a ready hand,
Nor moralize just here;—
And stalwart souls lent helping hands,
And heart and hand drew near.
Not all in vain: this man is safe,
And that dear little child;
This life is from the waters snatched,
That broken lily smiled.
The help was God's; be sure 'twas His,
And glow with gratitude;
He sent it, for His mercy lasts,
Piteous and kind and good.
And while He lends another day
To measure out the true,
Our 'Loyalty' be 'the Fear of God,'
Packed never out of view.
Crowds cannot save, they'll hide a clue,
When life is a sweet snare;
Throng we for Christ within the heart.
Revealed: oh, how and where?

### THE WORLD'S VERY GREATEST SHOW.

*From the San Francisco Daily Call.*

W. W. Cole's Stupendous Exhibition.—All the week along young and old have enjoyed the varied entertainment at the vast circus, corner of Mission and Seventh streets. The performers seem to have grown stronger and more alert by their recent ocean voyage to and from Australia. They spring with greater lightness than before, and hold their place on the horse's back with greater firmness, and, at the same time, away to the quadruped's motion with assured gracefulness. Linda Jeal is the "belle of the arena." With her jaunty hat and feather through paper baloons and fiery circles she flies without missing a tip. She has muscles like steel, while she is as pliant as a hazel rod. The equestrianism generally, is of a high order, and in addition to this there are wonderful exhibitions of horse training. The stallions, controlled by Mr. Wm. Organ, their tutor, are things of beauty—of a sort of fearful, facinating beauty. One looks at those magnificent animals obeying the slightest nod and word of their master, and cannot help thinking what a power for mischief human intelligence thus holds so perfectly under command. Sultan retreating from the ring, erect on his hind legs, would be a study for Clark Mills. Then there are the clowns that make the welkin roar by their funny tricks and jokes; and the tumblers clean-limbed and agile, who fly through the air with such ease that rumatic Crœsus in the dress circle looks on with envy, and would give half his wealth had he such thews and sinues. It is a splendid exhibition, all through. Not the least interesting feature is the presence of the orphan children on afternoons. They are enabled to enjoy the show by Mr. Cole's generosity in giving matinee benefits to each charitable association in the city. The fresh interest the litte ones take in the sights of the arena is pleasurable to see. It is the opening of the new world to them, and the man, blase with years and experience, lives over again his first young and innocent delight. This world famous and mammoth enterprise will give performances in your town (Listowel) early in September, and the above remarks coupled with the fact that this is beyond all doubt the grandest combination on the face of the earth will suffice to fill its vast tents.

### *AN OPEN LETTER.*

*To the Reader,—Dear Sir:—I would be very glad to get your measure for a suit of clothes. I do a large trade in this line. I have a first-class Cutter, and will guarantee a good fit to all who will kindly favor me with their orders. My stocks of Scotch and Canadian Tweeds, Worsted goods, &c., were never better than now, and the prices will be found as reasonable as any in the County. Please give me a call when you require clothing, or anything else in General Dry Goods, Groceries, &c., and everything in our power will be done to make the deal pleasant and satisfactory.* GIVE ME A CALL, *and in the meantime, I am,*

*Yours respectfully,*
*JOHN RIGGS.*
