THE WAR SITUATION

London, Nov. 18.—To the south and centre of the Tchataldja lines the Bulgarians again pressed their attack today and, according to the Turks, were again thrown back.

Monastir, the last stronghold of the Turks in Macedonia, surrendered today to the combined Servian and Greek armies, after a bloody struggle.

The Sultan is said personally to have appealed to the powers to step in and end the war.

The battle for the Tchataldja lines began early today, in front of the Turkish centre. There, Mahmoud Mukhtar, the Turkish commander, led out his troops in a spirited frontal attack through heavy fire from the Bulgar artillery, and, according to Ottoman reports, broke up the Bulgarian formation, flung the invaders back in confusion, and captured several guns.

At the southern end of the lines hot fighting then developed, and here, too, the Turks claim the victory. They say they had taken six batteries and four machine guns before nightfall.

Fifty thousand men laid down their arms when Monastir surrendered today, and the Crown Prince of Servia entered at the head of his troops. Zekki Pasha, commander of the sixth Turkish army corps, and Djavid Pasha, who led his seventh corps to that important city after the defeat of the Turks at Uskub, together with Fethi Pasha, who was formerly Ottoman minister at Belgrade, handed over their swords to the conquerors.

The Balkan allies have agreed to discuss armistice and peace terms with Turkey.

FIRE DROVE GUESTS TO LEAP TO DEATH

Three Persons Killed and a Score Injured by Early Morning Fire in a Los Angeles Hotel—Many Heroic Rescues.

Los Angeles, Nov. 19.—Three persons are known to have been killed and about twenty injured in a fire at the St. George Hotel on East Third street near Main, this morning.

The fire started on the second floor, and drawn up through the elevator shaft it spread so rapidly that those on the fifth and sixth floors who did not receive the warning in time were compelled to jump from the windows. Those who lost their lives jumped from the upper floors.

The known dead are: Mrs. Charlotte Harrington, Mrs. Ella Moran and Joseph Martin, jewelry clerk, Los Anegles.

Heroic Rescues.

Many had miraculous escapes from death, and perhaps a score or more owe their lives to the heroism of Oscar Mangel, who ran the single elevator of the hotel, making trips to the sixth floor with the small car packed with humanity, until the flames and smoke made further trips impossible. There were also a number of heroic rescues by the firemen.

Mrs. Harrington, who was a member of a company playing at a local theatre, lost her life jumping from the fifth floor. Escape had been cut off, the only means been a single stairway in the building, which was soon ablaze. She first tossed her 18 months' old babe into the net held by the firemen and jumped, but missed the net and sustained injuries which caused her death.

Jumped to Sidewalk.

A woman whose name was said to be Mrs. Ella Moran, jumped from a sixth story window on the front of the hotel and was crushed to death on the sidewalk below.

Mr. and Mrs. F. J. Bock, who were said to have come here recently on their honeymoon, jumped from a sixth story window. Mrs. Bock was taken to the hospital, where it was learned that her back had been broken. Bock's injuries are not serious.

The fire did comparatively little damage except to the upper floors.

Second Day of Fierce Combat Before Forts of Tchataldja

Turks With Their Backs to Wall Are Fighting Desperately, and Have Thrown Back Several Assaults of the Bulgarians.

Constantinople, Nov. 18. — The battle of the Tchataldja forts was resumed this morning. The brunt of the fighting swung to the centre of the lines today. There the division under Mahmoud Mukhtar made a spirited frontal attack upon the Bulgars, and, according to the official Turkish reports, broke up their formation, seized a number of guns, and drove the Bulgars back. The Ottoman reports admit that the Turkish losses were heavy, as they had to advance through a hail of artillery fire.

Owing to the gale which blew to the westward correspondents were permitted to approach the lines on the Marmora. The cannonading seemed much less in volume than on Sunday, but it is believed that there were more infantry attacks. It was impossible to ascertain whether the Bulgarians were making any progress in taking the lines, but it was certain from a survey of the several main roads that the Turks were not retreating.

While the capital awaits the details of the fighting, sailors from the foreign ships are patrolling the streets of the city. They are the object of much interest to the natives, who crowd about them as they make camp in front of the foreign embassies at Pera.

It is stated that the Sultan has personally appealed to the sovereigns of the great powers to intervene and stop the war.

SARNIANS ARE DIVIDED AS TO COST OF NEW WATERWORKS

Sum of $240,000 Voted Upon Considered by Some as Excessive.

[Special to The Advertiser.]

Sarnia, Nov. 18. — Opinion appears to be divided here as to what the new waterworks will really cost. The sum voted upon in the bylaw was $240,000, but there are quite a few who think that this amount is excessive. On the other hand there are just as many who believe that the sum will not be adequate and advance a number of reasons to back up their statements.Town Engineer McLean is of the opinion that the amount designated in the bylaw is not more than enough and it may be possible that more money will be needed. The high cost of material at the present time is the reason given by those who believe that the $240,000 will not be enough.

Local Option Rally.

A big mass meeting in the interests of local option will be held in the town hall next Friday evening. Several well-known men, such as Aubry Davis, of Newmarket, and ex-Mayor Cameron, of Strathroy, will deliver addresses, and Ruthven MacDonald, of Toronto, will render several songs. Both the speakers of the evening are free from local option centres and will tell how the proposition worked out in their respective communities. It is expected that a record-breaking crowd will turn out to hear the opening guns of the campaign.

The Viking, one of the largest lumber carriers on the lakes, arrived here today with a load of lumber for the Laidlaw Lumber Company. The vessel is of steel and has a capacity for two million feet.

Thomas D. Watson, one of Sarnia's well-known and respected citizens, expired at his home here Sunday afternoon as the result of injuries received from falling off a ladder last Friday afternoon. Mr. Watson was appointed engineer at the fish hatchery, Edward, when the plant first opened, and was still employed there prior to his death. Te deceased was a staunch Liberal in politics and leaves a wife and five children.

Liberal Meeting.

Several prominent Liberals will speak at the annual meeting of the Sarnia and Point Edward Liberal Association to be held in Woods' Hall on Wednesday evening next. Officers for the coming year will be elected and all friends of the party are cordially invited to be present.

Three steamers are being maintained throughout the entire season this year by the Northern Navigation Company, this number of vessels having in previous years been operated during the summer months only. In fact, the company has established a record this fall for handling freight, and instead of the usual congestion of freight, each steamer is now able to clear from the dock with every pound aboard. The volume of tonnage handled by the company is steadily increasing, and the shippers are highly satisfied with the service given.

Throat Was So Sore Could Hardly Speak.

Mr. Gordon Murphy, Elliott's Mills, P.E.I., writes:—"Too much praise cannot be given your valuable remedy, Dr. Wood's Norway Pine Syrup. I suffered terribly from a severe cold during the early part of last winter and found it almost impossible to get anything to relieve me. Hoarseness seemed to be continually troubling me, and my throat was so sore I could hardly speak for quite a long time. At last I was advised to try your remedy, and in a short time I got relief, and have never been troubled with a sore throat or hoarseness since. I hope others will be fortunate enough to give your remedy a trial and be convinced that it is all I say it to be."

Dr. Wood's Norway Pine Syrup is without an equal for Coughs, Colds, Sore Throat, Hoarseness, Bronchitis and all Affections of the Throat and Lungs.

Price, 25 and 50 cents a bottle, put up in a yellow wrapper, three pine trees the trade mark.

PASSENGERS OF LIMITED LOOTED BY BANDITS

[Canadian Press.]

Ottumwa, Ia., Nov. 19.—The Chicago, Milwaukee and St. Paul Railway Southwest Limited, between Kansas City and Chicago, due here at 12:05 a.m., was held up at midnight by two bandits between Ottumwa and Mystic. The men boarded the train at Mystic and, after robbing the passengers, they compelled them to hold up their hands until the train pulled into the Ottumwa station. The bandits escaped here. The police and a sheriff's posse have arrested five suspects.

DURHAM.

Durham, Nov. 18.—Melville Ryan, the young son of Mr. and Mrs. Wm. Ryan, had his collar-bone broken last week while engaged in play at school.

The abutments on the new bridge over the Saugeen have at last been completed, and the work will be ready for the steel in a few days.

The coal shortage which has prevailed here all fall has been relieved, several cars arriving the latter part of the week.

The Durham contingent which spent the deer-hunting season in Muskoka returned on Saturday. All who went up from here were successful in securing their quota of animals.

The Presbyterian and Anglican churches here are making preparations for the holding of their annual bazars. The former will be held during the latter part of this month, and the latter in the early part of December.

The weather during the past few days though fine, has been quite cool, with snow flurries.

There has been no service in Trinity Church for the past three Sundays, owing to changes being made in the edifice, and a new furnace being installed. The rector, Rev. W. H. Hawtry, occupied the Presbyterian pulpit on Sunday.

Those from here who spent the harvest season in the West have returned. They all report bumper crops in the various parts visited, with plenty of work for everyone.

BRUSSELS.

Brussels, Nov. 18.—Mrs. George Thomson and her son James have gone to Southern California, seeking better winter condition for the son, whose health has not been good during the past year.

The president of the Stratford board of trade for 1913 is D. M. Ferguson, a well-known merchant, whose acquaintance with public affairs has been wide. He was a former resident of Brussels.

The "Little Stars" Mission Band of the Presbyterian Church raised $14 in their free-will offering. There was a good program and an excellent address by Mrs. (Rev.) Lundy, of Walton.

Louis and Mrs. Wilkinson, of Walton were waited upon at their home recently by the Walton Methodist choir and presented with an easy chair and a short address.

Bob Leckie, son of Reeve and Mrs. Leckie, of Brussels, has gone to Winnipeg, where he has a position in one of the C. P. R. offices.

Mrs. A. H. McNeil, fifth line, Morris Township, has a white chrysanthemum with 145 blossoms upon it.

It is said J. S. Blake, an expert oil well driller, who has been following his avocation in Egypt, will spent the coming winter here with his wife and daughter. Mrs. Blake is a daughter of W. H. and Mrs. Watson, of Morris Township.

Officers of the local W. C. T. U. branch are: President, Mrs. A. M. McGuire; vice-presidents, Mesdames Oaten, Paul and Leatherdale; recording secretary, Mrs. R. Dark; corresponding secretary, Mrs. R. Oliver; treasurer, Mrs. Wm. Rands. Various committees were also elected.

HARRISTON.

Harriston, Nov. 18.—Mr. McMillan, manager of the local gas plant, paid a business visit to Glenallen recently in connection with the installing of a system there. Mr. McMillan is an expert mechanic in his line, and the system installed in this town is giving the very best of satisfaction.

Up to the present time no arrests have been made here in connection with the safe blowing and robbery at Gunn's, Limited. The Grand Trunk detective, Mr. Fraser, with the assistance of the local constabulary have been busy on the case here, and it is reported that several houses in the "tough" element of the town have been searched, but so far no clue has been secured to implicate the owners.

The Robertson Block has undergone a series of repairs at the hands of the mason, carpenter and tinsmith.

J. W. Bailey, who recently conducted a drygoods business here, is removing this week with his family to London, where he has secured a job in a wholesale house.

GAMBLING AT STRATFORD

Stratford, Nov. 18.—Twelve youths paid $144 in fines in the police court today as the result of a raid by Chief McCarthy and a squad of policemen on the home of George Wesley, a colored resident of the west end. A crap game was in full swing in the early morning hours, when the chief, who had entered unobserved on the heels of a frequenter after placing blue-coats at all the exits, bade the players "good morning" and jotted down the guest list.

A keg of beer was on tap in a neighboring room, and a raffle had preceded the crap game.

CASCARETS CLEANSE LIVER AND BOWELS

No Headache, Bad Taste, Sour Stomach or Coated Tongue By Morning.

It is more necessary that you keep your Bowels, Liver and Stomach clean, pure and fresh than it is to keep the sewers and drainage of a large city free from obstruction.

Are you keeping clean inside with Cascarets—or merely forcing a passageway every few days with salts, cathartic pills or castor oil? This is important.

Cascarets immediately cleanse and regulate the stomach, remove the sour, undigested and fermenting food and foul gases; take the excess bile from the liver and carry out of the system the constipated waste matter and poison in the intestines and bowels.

No odds how badly and upset you feel, a Cascaret tonight will straighten you out by morning. They work while you sleep. A 10-cent box from your druggist will keep your head clear, stomach sweet and your liver and bowels regular for months. Don't forget the children—their little insides need a good, gentle cleansing, too.

A New and Valuable Book on the Subject of DEAFNESS

Ringing Noises in the Head.

When one is gradually becoming deaf or is troubled with those miserable noises in the head, which are so often allied with deafness, he seeks in vain for a plain, easily-understood book upon the subject that is so all important to him. He can get no nearer than the purchase of a medical work, which is so technical that it cannot be understood.

To meet a long-felt want, an able physician (formerly a county medical society president of New York), has written a treatise in simple, clear language, explaining deafness and head-noises, showing how they develop, how insidiously dangerous are the causes, and, best of all, the details of a home treatment which has restored the hearing of legions of persons of all ages who thought they were doomed to lasting deafness.

This book points out the way to better health and to placidity of mind, including the elimination of nervous troubles. The author holds that over nine-tenths of all the cases of deafness are amenable to the new home treatment.

Remarkable cures are being reported after persons were deaf for years and had almost abandoned hope.

A copy of this very interesting treatise will be mailed free by writing to the author, Dr. George E. Coutant, Sta. E, 413 B, New York, N. Y.

Household Economy

How to Have the Best Cough Syrup and Save $2, by Making It at Home.

Cough medicines, as a rule, contain a large quantity of plain syrup. If you take two cups of granulated sugar, add one cup of warm water and stir about 2 minutes, you have as good syrup as money could buy.

If you will then put 2½ ounces of Pinex (50 cents' worth) in a 16-ounce bottle, and fill it up with the Sugar Syrup, you will have as much cough syrup as you could buy ready made for $2.50. It keeps perfectly. Any housewife can easily prepare it in five minutes.

And you will find it the best cough syrup you ever used—even in whooping cough. You can feel it take hold—usually stops the most severe cough in 24 hours. It is just laxative enough, has a good tonic effect, and taste is pleasant. Take a teaspoonful every one, two or three hours.

It is a splendid remedy, too, for whooping cough, croup, hoarseness, asthma, chest pains, etc.

Pinex is the most valuable concentrated compound of Norway white pine extract, rich in guaiacol and all the healing pine elements. No other preparation will work in this formula.

This recipe for making cough remedy with Pinex and Sugar Syrup is now used and prized in thousands of homes in the United States and Canada. The plan has often been imitated, but never successfully.

A guaranty of absolute satisfaction or money promptly refunded goes with this recipe, if the genuine Pinex is used. Your druggist has Pinex, or will get it for you, if you ask him. If not, send to The Pinex Co., Toronto, Ont.
