Seed Wheat!

Arrangements were made by the Kings County Farmers' Association whereby 400 bushels of Red Fife and Marquis wheat for seed is being held by the Woodworth Mills, Berwick, N. S., for Kings County Farmers at the reasonable price of $2.75 per bushel. Order your supply early as later purchased seed wheat will be much higher. Indications are that flour will steadily advance in price and the only safe plan to ensure a wheat supply is for Kings county to grow the wheat required for her own use.

W. H. WOODWORTH, Secretary,
Kings County Farmers' Association.

An Interesting Service.

A most interesting service was recently held in the Seminary chapel. Two large flags, six feet by twelve feet, made of best English bunting, a Union Jack and a Canadian Ensign, were presented to the Seminary by the pupils resident in the school The purchase represents the real self denial of all the girls, whose names are written on the Canadian banner. The ceremony of presentation was simple and fitting. Miss Whidden read a short paper on Women's Contribution to the Empire in the War. Miss Leila Giberson read an original poem re "The Flag," and Miss Elleta Colpitts, the President of the Senior Class, made the presentation, while the two smallest pupils in the school from the Junior Department drew back the screen that veiled the flags. After the acknowledgement and reception of the gift by the Principal, "Oh Canada" and the National Anthem were sung. It was a happy and beautiful thought simply and graciously expressed. The flags will be displayed always in the school.
