Practical Business Education.

DAY and EVENING SESSIONS.

Eaton's Commercial College,

RITCHIE'S BUILDING, St. John, N. B.

OUR course of study is comprehensive, and adapted not only to such as have enjoyed the best educational advantages, but also to those whose education is deficient, from want or neglect of early opportunities or other causes. Those who desire to engage in Mercantile pursuits will receive that which is invaluable to them in the safety and despatch with which they will be able to conduct their own business or that of others. It gives the Mechanic an opportunity to take a front rank, by reason of superior ability to transact with correctness the business of his calling. To those engaging in Agricultural life it gives a practical knowledge and experience in business, which will enable them to meet the shrewd business man with confidence. And to that large class who are uncertain what course to pursue, it is not only the best stepping stone to lucrative and permanent business of their own, but also a ready means of commanding regular employment.

SCENE THIRD.

Kilmansegg to Gilpin.

KIL. TO GILPIN—Did you ever ride as fast as you did, on last Wednesday, down to J. W. MONTGOMERY'S to buy those ALPINE and VELVET HATS that he is selling at One Dollar?

GILPIN—Well, I cannot see how he does sell New Goods so cheap; and you take my advice and sell your golden leg and go down and buy a lot of those BLACK SILKS or IRISH POPLINS that he is selling so Cheap, and new Colors.

KIL.—I was there and made a purchase of a Felt Hat and a Velvet Hat, two Sacques, one Shawl, two pairs of GLOVES, BLACK LUSTRE, and a lot of RIBBONS & FRINGES, &c.

GIL.—Did you read in the newspapers what was said about his Prices and his Goods?

KIL.—Yes, I did, and I did not believe it until I went down and saw his prices. But now I do, and I shall be a good customer to him; that the only place to go and buy any kind of Dry Goods from the finest of Silks down to Cotton Warps, Flannels, Blankets, Stuffs, Shirts, Gloves, Velveteens, Dog Skin Cloths, Beavers, Whitneys, Trouserings, Coatinugs, Bed Ticks, French Merinos and Coburgs.

John, tell all the Gilpins, from Ware to Edmenton, and tell them all to look out and find his place and be satisfied.

JOHN—His number is 2 King street. I have it down in my book, but it don't matter; I would not go to any other place. I have rode for miles to find a good place to buy, and I have found it, and there I will go, and only there. From Edmonton to Ware they all will known it. He will become a household word amongst large families. It is a saving—a large saving—and all this country must know it.
