CANADA EXHIBITS AT FLORIDA FAIR

Dominion Building at Tampa Crowded During Every Day of Show.

Ottawa, Feb. 10.—(Canadian Press)—Hon. Duncan Marshall, the newly-appointed commissioner of agriculture who has returned from Tampa, Fla., where he represented the federal government of immigration and colonization at the South Florida fair, expressed gratification with his reception and with the splendid results that had followed the holding of "Canada Day" at that fair on Saturday last. The Canadian building fitted up by W. J. White, superintendent of exhibitions, had been crowded during the whole period of the fair, Mr. Marshall stated, and Saturday's attendance had been a record. During the day the commissioner of agriculture had delivered an address on Canada to over 10,000 citizens of Tampa and the surrounding country, who, he declared, were keenly interested in Canada and farming conditions here and also in the question of improved marketing conditions and the prospect of Canadian farmers being in position to use southern fruits in exchange for Canadian farm products.

As a result of an invitation extended to the Floridans it is expected that exhibits from that country may be brought to some of the Canadian exhibitions during the coming season.

PRINT EDITIONS WITHOUT TYPE

Paris, Feb. 10.—The editorial staffs of the Paris editions of the New York Herald and the London Daily Mail gave a lesson in journalistic initiative and enterprise to their French contemporaries today.

When their compositors walked out last night following rejection of their ultimatum for a 50 per cent increase in wages, the staffs of the two newspapers got together. This morning they brought out a joint edition printed from photo-engraved plates of typewritten copy, the method being similar to that adopted by several magazines recently in similar contingencies.

Alkali In Shampoos Bad For Washing Hair

Don't use prepared shampoos or anything else that contains too much alkali, for this is very injurious, as it dries the scalp and makes the hair brittle.

The best thing to use is just plain Mulsified cocoanut oil shampoo, for it is pure and entirely greaseless. It's very cheap and beats anything else all to pieces. You can get Mulsified at any drug store, and a few ounces will last the whole family for months.

Simply moisten the hair with water and rub it in, about a teaspoonful of Mulsified is all that is required. It makes an abundance of rich, creamy lather, cleanses thoroughly, and rinses out easily. The hair dries quickly and evenly, and is soft, fresh looking, bright, fluffy, wavy, and easy to handle. Besides, it loosens and takes out every particle of dust, dirt and dandruff.

Be sure you get Mulsified. Beware of imitations. Look for the name Watkins on the package.—Advt.

Healing Cream Stops Catarrh

Clogged Air Passages Open at Once—Nose and Throat Clear.

If your nostrils are clogged and your head stuffed because of catarrh or a cold, get Ely's Cream Balm at any drug store. Apply a little of this pure, antiseptic, germ-destroying cream into your nostrils and let it penetrate through every air passage of your head and membranes. Instant relief.

How good it feels. Your head is clear. Your nostrils are open. You breathe freely. No more hawking or snuffling. Head colds and catarrh yield like magic. Don't stay stuffed up, choked up and miserable. Relief is sure.—Advt.
