COLORED WORLD'S CHAMPION

Major Taylor of Boston Beat Them All in the Mile Professional Race.

CANADIANS ONLY SCORE THIRDS.

Riddle of Winnipeg and McLeod of Toronto Manage to Get Inside the Money.

Montreal, Aug. 10.—There was another big crowd at the World's Bicycle Championship races at the Queen's Park to-day and the races were conducted very successfully. The first event on the card, the 100 kilometer race, was won by John Nelson of Chicago, who covered the distance, which is equal to 62 13-100 miles, in 2 hours 4 minutes 13 1-5 seconds, which established a world's record. Ben. Goodson of Australia finished second and George Riddle of Winnipeg, Man., third, but the second and third times were not taken.

The two-mile amateur open race was won by J. F. Moran of Chelsea, Mass., in 4 minutes 22 2-5 seconds.

Major Taylor, the colored cyclist, won the one mile professional, defeating Tom Butler in a close finish. The five mile tandem pursuit race was won by Nat and Frank Butler. Following is the summary of to-day's events:

One hundred kilometers— John Nelson, Chicago, 1; Ben. Goodson, Australia, 2; George W. Riddle, Winnipeg, 3. Time 2 hours 4 minutes 13 1-5 seconds.

Two mile amateur—J F Moran, Chelsea, Mass., 1; John Caldow, Scotland, 2; W A La Duc, Cold Springs, N. Y., 3. Time 4.22 2-5.

One mile professional championship of the world—Major Taylor, Worcester, Mass., 1; Tom Butler, Cambridge, Mass., 2; A. McLeod, Toronto, 3. Time 3.03.

Two mile tandem pursuit race—Nat and Frank Butler, Cambridge, Mass., 1; J. T. Colgan and C. A. Church, 2. Time 9.39 4-5.

McAllister Won the Trophy.

Hamilton, Aug. 10.—(Special.)—The Crescent Bicycle Club handicap road race this evening for the Fraser Cup was won by M. Isbister (2 mins.), his riding time being 20.50. J. McAllister (2½ mins.) was second, and D. Wyle third. W. Dalton won the time prize. On points in the three races J. McAllister won the trophy.

The Great Cycling Event.

There will be but one cycling event of importance held in Toronto this year. The Dunlop Trophy Race at the Woodbine Track on Saturday, Aug. 19th, always attracts a great throng of sight-seers. The Trust this year are issuing tickets which will be held by the spectators and will grant them re-admission to the track, should they desire to go out on the Kingston road and watch the struggle there. But inside there will be many other events to interest the spectator. A telegraph wire is being strung along the course and the position of the riders can be ascertained at the different points. They will be bulletined on the big blackboard in front of the grand stand.

Great interest centres in the possession of the $1000 silver shield presented for competition among Canadian clubs by the Dunlop Tire Co. The Royal Canadians of Toronto won it from the Ramblers last year. This season there will be clubs from Montreal, Hamilton and other points. The Toronto clubs say they will not let the shield go outside the city.

Ladies Play Golf at Niagara.

Niagara-on-the-Lake, Aug. 10.—A Ladies' Handicap Golf Tournament was held today over the Queen's Royal links. There were over 25 entries. It resulted in a win for Miss Louise Elkins of Pittsburg, who went round in the net score of 54. The second prize was won by Mrs. Brown, also of Pittsburg, with 55. Then came Miss Charles of New York, 64; Miss Dickson of Niagara, 68, and Mrs. Hellmuth, a crack London, Ont., player, who was at scratch, 73. Some capital scores were handed in, considering the extremely difficult character of the links.

Around the Ring.

Mysterious Billy Smith is now under the management of Tom O'Rourke and O'Rourke expects to match him to meet Matty Matthews or some other welterweight at the Hawthorne club here.

John T. Dougherty, manager for Jack O'Brien, who will box Jim Popp at the Hawthorne club Saturday afternoon, arrived in Buffalo Wednesday night. He says O'Brien is in fine shape and expects to beat Popp decisively. Dougherty objects to Jack Sheehan, the club's official referee, already accepted by Nate Fenton.

William A. Brady is experiencing considerable difficulty in finding a hall in London suitable for the proposed Jeffries-Mitchell boxing exhibition, the Sporting Club being closed. Mitchell, who has been training at Brighton, has had several interviews with Brady and Jeffries. He says he is anxious to meet the American in his best form if Brady can secure a place.

Honest Advice Free to Men.

All men who are nervous and debilitated or who are suffering from any of the various troubles resulting from overwork, excess or youthful errors, are aware that most medical firms advertising to cure these conditions cannot be relied upon. Mr. Graham, a resident of London, Ont., living at 437½ Richmond-street, was for a long time a sufferer from the above troubles, and after trying in vain many advertised remedies, electric belts, etc., became almost entirely discouraged and hopeless. Finally he confided in an old clergyman, who directed him to an eminent and reliable physician, through whose skilful treatment a speedy and perfect cure was obtained.

Knowing, to his own sorrow, that so many poor sufferers are being imposed upon by unscrupulous quacks, Mr. Graham considers it his duty to give his fellow-men the benefit of his experience and assist them to a cure by informing anyone who will write to him in strict confidence where to be cured. No attention can be given to those writing out of mere curiosity, but anyone who really needs a cure is advised to address Mr. Graham as above. 25

SAILED IN THE BAY.

McLeod Boat Divided Honors With Canada's Cup Defender in Two Races Yesterday.

The Minota and Beaver sailed two races around the bay triangle yesterday afternoon before a fairly good breeze, Mr. Jarvis sailing the Beaver and Mr. H. C. Weir the McLeod craft. Each race was once around the triangle, the first sailing from west to east, leaving buoys to starboard, and the second from east to west, leaving buoys to port. In the first race the Payne boat crossed first and was ahead at the first buoy, but on the reach to the Island buoy the Minota picked up a lot, but on the run home the Beaver again increased her lead and won by only a fraction of a minute. The following is the time for the first round:

Start. 1 buoy. 2 buoy. Finish.
Beaver 3.20.7 3.30.30 3.40.50 3.48.22
Minota 3.20.9 3.31.05 3.40.56 3.48.34

Beaver won by 10 seconds.

The second race was started east to west and Minota crossed 12 seconds ahead of the Beaver. She held her lead to the Island buoy, where, after rounding it, the Beaver went ahead, leading to the second buoy. Then the leader was blanketed by the Minota, who gained four seconds and showed the way to the finish, winning by 16 seconds on elapsed time.

The second race:

Start. 1 buoy. 2 buoy. Finish.
Minota 3.50.10 3.57.30 4.06.10 4.10.12
Beaver 3.50.22 3.57.51 4.09.14 4.19.40

It is likely the boats will be out again to-day.

Columbia Outclassed Defender.

Newport, Aug. 9.—In the second run of the New York Yacht Club to-day over a course of 43 miles, the Columbia far outclassed all the other yachts and gave Defender the worst beating she has ever received. According to the official figures, Columbia finished 22 minutes and 25 seconds ahead of Defender.

Before the Breeze.

Great interest is being taken in the L.Y.R.A. regatta here next week.

The two-masted schooner Wave Crest from Rochester came into the R.C.Y.C. moorings yesterday afternoon.

The yacht Weir, that had her spar broken on Wednesday, was sent to Hamilton, and will have a new one put in. She will be back for Monday's races.

The syndicate that built the yachts Beaver and Minota have decided to have them sold at Townsend's by auction on Wednesday, Aug. 16, the purchaser not to take possession until after the international race.

HURRAH! WE WIN A GAME

After All Those Disasters With Rochester Syracuse Stars Are Made Victims.

MONTREAL BEAT THE ROWDIES.

Rain Stopped the Games at Providence and Hartford—All the Scores.

Black Jack Keenan, who shut out Toronto here last week, averted Toronto's slump yesterday at Syracuse. He was trying to repeat his trick, but went in the air late in the game. The Rowdies were up against Dooley's new pitcher, and tasted defeat for a change. There was rain at the other centres. The record:

	Won.	Lost.	Pct.
Rochester	53	33	.616
Montreal	47	38	.552
Worcester	46	38	.548

Hartford	40	44	.476
Providence	40	48	.454
Syracuse	27	53	.337

Games to-day: Toronto at Syracuse, Montreal at Rochester, Springfield at Providence, Worcester at Hartford.

Toronto 6, Syracuse 2.

Syracuse, Aug. 10.—The Stars lost to Toronto to-day because of Keenan's ineffectiveness after the fifth inning, and his ragged fielding. Keenan allowed but two men to reach first up to the sixth inning, but after that he was hit hard. Williams pitched a hard, steady game throughout. Score:

Royals Beat the Rowdies.

Rochester, Aug. 10.—The Rowdies were defeated by the Royals to-day in a closely-contested game and the fans were kept on the anxious seat until the last man was retired. Both Murphy and Morse were effective and were well supported. A couple of errors by Bean marred the work by Morse, while Murphy's support was perfect. The batting of Campau and Burke were the features. Attendance 1000:

GOOD SCORING AT MIMICO.

Asylum Beat Anchorage and Then the Englishmen Hit Up 231 in Their 2nd Innings.

A match at Mimico, thanks to the genial hospitality of Dr. Beemer and his staff, is always enjoyable, and yesterday, when the home team played the Anchorage C. C. (a club composed entirely of Englishmen living around Oakville) was no exception to the rule. The Mimico men batted first and Gormley made 62 by very careful, steady play. Dr. Beemer, as usual, contributed a well played score, and Abernethy made 28 in short order. Tench and Ruttledge both bowled well, especially the former whose curly slows puzzled more than one good man. The Anchorage, after their long stay in the field, were easily disposed of, Langton alone showing any form. In their second innings, however, Langton and Dodd fairly collared the bowling. Langton's 91 was a fine exhibition with only one very hard chance. His cutting was hard and well timed. Dodd had some luck, but hit hard all round the wicket for his 78. White and Bridge both did well. Whittaker's bowling proved deadly in both innings.

Medicos at the Wicket.

The first of the pair of annual matches between the benedicts and the less fortunate city doctors occurred at Rosedale yesterday, 14 aside, when the bachelors carried off an easy victory, 121 for 6 wickets, to 81. Parsons and Dawson, for the bachelors, bowled effectively, the former getting seven wickets for 8 runs. Drs. Pepler and Smith carried off the batting honors for the benedicts, while McCallum, Watson, Parsons and Ashton went into doubles for the winners, the first pair raising the score to 50 before being separated. The second match takes place next Thursday, when the benedicts will have their full strength out. Score:

Belmont 228, Hamilton 41.

Hamilton, Aug. 10.—The Hamilton C. C. crossed bats with the Belmont team of Philadelphia here to-day, and were defeated in a very one-sided match. The only Hamiltonian to make double figures was A. Gillespie, 17, and all were out for a total of 41. Cregar and King did the bowling for the visitors. The Belmont team scored 228 runs against the bowling of Dixon and Martin, double flures being made by King, 33; Wood, 61; Cregar, 43; Hinchman, 13; Leech, 16, and Statezell, 21.

Australians Out for 227.

Canterbury, Eng., Aug. 10.—A game of cricket began here to-day between the visiting Australians and a team representing Kent. The Australians, in their first innings, were all out for 227 runs. At the close of play the Kent eleven, in their first innings, had scored 29 runs for no wickets down.

Cricket Slips.

A cricket match was played here to-day between the Port Elgin eleven and Owen Sound. The home team went to bat first and scored 48 runs. Port Elgin made 65 in their first, defeating the home team by 17 runs.

P.C. Wallace and Patrol Sergeant Mitchell are practising at Rosedale for the police games on Aug. 16. This pair were beaten yesterday in a short sprint by P.C. Pife.

Philadelphia has completed a deal which will greatly strengthen a weak spot. The acquisition is Billy Goeckle, the former University of Pennsylvania player, and recently with Wilkes-Barre's team. The club has not decided what to do with Dick Cooley, but the chances are that he may receive his release. He is not in Thomas' class in centre field. His habits are demoralizing on the team.

GRAND CIRCUIT TROTTING.

Good Day's Racing at Fort Erie — Burns of Toronto Won First Race.

Buffalo, N.Y., Aug. 10.—The four-day card of the Buffalo Driving Club was completed at the Fort Erie track this afternoon, although with the brisk half hour shower and the match affairs the Grand Circuit performers were kept busy until close to 8 o'clock this evening. The showers sprang up as the horses were called for the third heat of the Queen City Trotting Stake, and it made the track heavy and sticky. This stake was a hotly contested affair. At the start it looked like a battle confined to Surpel, the electricity horse, and Village Farms' the Queen, who took the measure of Royal Baron, the M. and M. winner the other day. However, both Surpel and The Queen fell by the wayside and the winner appeared in Lord Vincent, who won a hard race very easily in the sixth heat. It was a terrific upset and thousands were lost on The Queen and Surpel.

Coney took the place with the greatest of ease and Sphinx S. had little trouble in his race.

There was an affair for the local roadsters and pacers, but all but two scratched. Mr. Lattimer's Kitty B. had little trouble beating Maid at Law:

When Leaders Meet.

Word comes from Cornwall that the Factory Town club is sending up the full team, which have successfully borne their colors so far this season, to meet the Island Braves on Saturday afternoon at 3.30. The Tecumsehs have been working hard and are confident of victory, although appreciating the fact that the game will be a stern struggle from start to finish. There are a few choice semi-pros reminding, which, together with ferry tickets, may be reserved at Nordheimers'. Special boats leave the foot of Yonge-street and Brock-street every few minutes, affording ample accommodation.

The following telegrams clearly contradict the rumors that have been circulated concerning the Cornwall and Tecumseh-Elm lacrosse match:

To J. E. McPhee, Secretary Cornwall Lacrosse Club: Rumors to hurt our gate are being circulated that you are only sending a second-rate team. Please wire correction. D. A. Rose.

To Dan A. Rose, Proprietor Tecumseh Lacrosse Club, Toronto: You can rely on us sending up the best team. J. E. McPhee.

Checkers Are Champions.

Beaverton, Aug. 10.—The Checkers Lacrosse Club journeyed to Orillia to-day per steamer Islay to play the final match for the Northeastern District championship. The Orillia intermediate team, however, defeated the game to the Checkers, which places them champions of the district without a game lost this season.

Rather than see the large crowd disappointed a game was played between the Senior Orillias and the Checkers, which was a very loose exhibition, neither team caring how they scored, ending eventually in favor of the Orillias 5 to 1.

The Checkers will likely play Richmond Hill in the first semi-final game shortly, that club being leaders in their district. The local team's chances for landing the intermediate championship are considered first-class, and if the team can be kept in their present form the championship will be theirs.

Clinton Beat Mitchell.

Clinton, Ont., Aug. 10.—The Clinton Junior Lacrosse Club were victorious over the Mitchell team this morning by a score of 5 goals to 1. The game was easily won.
