"THE BLOOD IS THE LIFE,"

DR. HALSEY'S FOREST WINE.

This is the great Spring Medicine, which has been proved equal to all the claims made for it, by the testimony of thousands, during the last Twenty Years. Scarcely a family can be found in the Country, but some of its wonderful cures, in their vicinity, have been made known to them. Its mild and yet powerful effect in purifying the blood, and its invigorating properties, have recommended it to the notice of the Medical Faculty, who have not been slow in prescribing it in the cases for which it is recommended.

Dr. L. S. STANLY, a celebrated Physician, in a letter to a friend, says, among other things, "Dear Sir: I have prescribed your Wine with much benefit in my practice, and have no hesitation in saying it is a valuable tonic, and a good blood purifier. Yours, &c."

The following Certificate, voluntarily given by Mr. E. G. Mussey, a respectable and well-known citizen of Cobourg, New York, is an evidence which must remove all doubts of the great efficacy of the Forest Wine in GENERAL DEBILITY, NEURALGIA, AFFECTIONS OF THE SPINE AND KIDNEYS:—

"Cobourg, March 6, 1850. DR. HALSEY:—DEAR SIR,—I cannot in justice to you, and for the benefit of others, forbear to add my testimony to the efficacy of your Forest Wine. I was for many years afflicted with a severe pain in the Spine, and Kidneys, and general debility. She found speedy relief, and regained her health, by the use of the Forest Wine.

From my own knowledge of the excellent medicine, I confidently recommend it for the good of others who may be suffering with similar complaints. It is the best medicine with which I am acquainted, and those who are afflicted with the above, or any similar disease, may safely rely on its virtues. E. G. MUSSEY.

More Testimony from Cobourg.

Dr. G. W. HALSEY:—DEAR SIR,—My wife last autumn was reduced to a low state of Debility. My family Physician advised her to take your Forest Wine. Accordingly I went to Mr. Perry's, your Agent for the town, and procured a bottle of it, which restored her in a very short time to perfect health. HENRY DONALDSON.
