WEBSTER'S QUARTO DICTIONARY,

UNABRIDGED,
PRICE ONLY SIX DOLLARS,
FOR SALE by R. & A. MILLER, 8 Saint Francois Xavier Street, and 19 Great Saint James Street.

TESTIMONIALS.

"It is, undoubtedly, the most complete Dictionary of the English language that has ever been published, and as such will place before any other Lexicography of that language will be required. It is, in every respect, far superior to the folio edition of Johnson's Dictionary. The Introductory matter—on the origin and progress of language—Etymology—the changes of the English language, and other topics—contains an immense mass of useful information, which must have cost the author a very great degree of labor and research. The pronunciation of Scriptural, Classical, and Geographical names, forms a most valuable appendix to the Dictionary, and cannot be too highly appreciated."—*Thomas Dick, (Author of the Christian Philosopher, &c.)*
Broughty Ferry, near Dundee, Sept. 12, 1849.
"In regard to pronunciation, we feel perfectly satisfied that this revision places that subject on a truer ground than any other work of the kind. The system of pronouncing conforms to a pure and manly taste, adapted to the character of the language, and is far removed from all affectation and mere fashion. * * It is now, as we fully believe, in this revision, brought down to the true circumstances of the community in all respects. And we hope it will find its way rapidly, not only to the schools and the study, but to the parlor, the counting-room, and to the every day purposes of life."—*Hon. Wm. B. Calhoun, Dec., 1847.*
"We venture to say that there is no Dictionary in the English language which combines so many advantages, with such economy of price, beauty of execution, compactness and cleanness, as this *Quarto* Edition of Webster."—*N. Y. Observer.*
"We rejoice that the public at end is strongly gratifying our long-cherished conviction that Noah Webster was decidedly the best Lexicographer who has treated of the English language. Emphatically *the* Dictionary of our language."—*N. Y. Tribune.*
"There is no Dictionary but this of Webster's that can be adopted as a standard."—*Boston Courier.*
"In its admirable definitions, its accurate philology, its conciseness, good sense, and comprehensiveness, it is fast receiving the judgment of the learned world, that it has no equal."—*N. Y. Evangelist.*
"With materials so abundant, advantages so unusual, and upon a basis so valuable as the result of the labors of Webster, during the thirty years which he devoted to the subject, Professor Goodrich has completed a perfect and most authoritative Dictionary of the English language as spoken and written in A. D. 1848."—*Baltimore Patriot.*
"Perhaps no work ever issued from the press more faultless in every particular."—*Daily Ohio State Journal.*
"Its cheapness is not the least remarkable thing about it, nearly 1,500 quarto pages for $6."—*St. Louis Herald of Religious Liberty.*
