JAYNE'S CARMINATIVE BALSAM.

It is well known that regular physicians are shy of endorsing the virtues of any of that class of remedies commonly called "Patent Medicines," but so conspicuous have been the curative powers of this preparation, in its wonderful effects, that some of the first physicians in Pennsylvania, Maryland, and other States, have voluntarily come forward, and furnished Dr. Jayne with certificates of its sanative influence. It is now extensively prescribed in medical practice, as a remedy for cholera infantum, dysentery, cholic, dyspepsia, and all diseases, proceeding from a disordered action of the stomach, liver, intestines, or nerves, whether in children, or persons of adult age. It acts directly upon the secretions, and purifies the blood, by purifying the elements of which it is composed.

JAYNE'S EXPECTORANT.—The virtues of this efficacious and cheap Medicine for the cure of Consumption and other diseases cannot be too well known. Very many lives have been saved by it.

JAYNE'S ALTERATIVE has been used in numerous cases of Skin Disease, such as Scrofula, King's Evil, Salt Rheum, Blotches, &c. with the most marked success.

A VALUABLE TESTIMONY.

We like, at all times, to give credit when credit is due, and if at the same time we can relieve the distressed, we are doubly gratified; we, therefore, give the following voluntary testimony as to the beneficial effects of Wistar's Balsam of Wild Cherry, by the editor of the Columbia South Carolinian, who appears to have obtained great relief from its use. Old Dominion, Portsmouth, Va.

WISTAR'S BALSAM OF WILD CHERRY.

We seldom resort to patent medicines, having a great respect for the skill of the medical profession, but chance threw into our way the above named medicine, immediately after the close of the late session of the Legislature, when our lungs were almost dried up by the highly rarified atmosphere of our stove-warmed State House. The Balsam immediately relieved us of a most harrassing cough, which threatened our health in a serious degree. We feel that we are indebted to it for some fifteen pounds of animal weight—which addition being once FELT, cannot be forgotten.—None genuine unless signed I. BUTTS on the wrapper.

PANTECHNETHECA

TAILORING, WOOLLENDRAPERY, AND READY-MADE CLOTHING ESTABLISHMENT,

PRINCE WILLIAM STREET, SAINT JOHN, N. B.

GARRETT & SKILLEN, Proprietors.

WHEN we commenced the ready-made CLOTHING BUSINESS, (in addition to our CUSTOMER TRADE,) some months since, we determined to publish a list of our prices, founded on the very closest calculations, and which we shall always remodel, with the change of the English and foreign Markets, so as to give our numerous Customers every advantage as soon as it offers; and by late advices from Manufacturing Districts in England, we find considerable reduction in prices in consequence of the change in the Corn Laws, and almost total repeal of duty on Foreign Manufactures, which, in Woollens, Cloths, Velvets, Silks, &c., has been very considerable. We are now enabled to offer a STOCK of GOODS at such prices, sterling quality and workmanship taken into consideration, as must continue to us that steady increased patronage, which we gratefully acknowledge, and are determined, by the most strenuous exertions on our part, to continue to merit.
