BUTCHERS' SECTION FORMED

Retailers of Hamilton Organize as a Branch of the Merchants' Association.

TORONTO GETS A 1904 CONVENTION

Royal Arcanum Elected Officers and Did Much Business Yesterday —Other News.

Hamilton, May 14.—A meeting of city retail butchers was held in the Board of Trade rooms this evening to organize a Butchers' Section of the Retail Merchants' Association of Canada. W. H. Nichol was chairman. There was a good attendance. E. M. Trowern of Toronto, general secretary of the association, was present, and explained the aims and objects of the association. It was decided to organize the section, and the following officers were elected: W. H. Nichol, chairman; James Gordon, 1st vice-chairman; A. Harding, 2nd vice-chairman; H. E. Spicer, treasurer, Charles Duff, secretary. There was some discussion of the market fee and butcher license question, and a committee—T. Wright, J. Cambden, W. Gordon, A. E. Case and A. Harding—was appointed, to report on the matter. The section will meet again at the call of the chair.

400 Names Added.

The registration of manhood suffrage voters commenced this morning. Up to closing hour, about 400 were added to the lists.

A large billboard, opposite the Armories, was set on fire by boys to-night. It blazed merrily.

Harry Kuntz is better to-day.

Independent Opinion.

A meeting of the Parks Board was held this afternoon. The board received an independent opinion from Barrister E. D. Cahill, on the question of the board's powers at the Beach. He gave the same opinion as the City Solicitor, that the board had control over the parks at the Beach only, and over no other part. The board was also entitled to half a mill of the city taxation, apart from any revenues. The petition, asking that a portion of the S. O. E. Band concerts be played in Dundurn Park, was refused.

Supt. Edgar Resigned.

The most important matter before the regular meeting of the Board of Governors of the City Hospital was the resignation of Dr. Edgar, superintendent. The doctor has been considering for some time the advisability of engaging in private practice, and his resignation was the outcome of a decision to adopt this course. At the request of the board, Dr. Edgar, who asked to be relieved by July 1, will remain at the head of the hospital till Aug. 1, on which date the resignation will take effect.

Several places were nominated for the next place of meeting in 1904, and Toronto was selected. A number of reports were presented and adopted.

It was resolved that, hereafter, Grand Council representatives shall report on the condition of the order in their respective districts semi-annually, on April 1 and Oct. 1. These allowances were granted to the officials: Grand Secretary, $600; Grand Regent, $300; Grand Treasurer, $50. Deputy-Supreme Regent J. B. Blanks installed the new officers. Votes of thanks were passed to the city council for their reception and banquet, and to various officers, and the council adjourned.

William Green Dead.

William Green, a young man, who resided with his mother on East Strachan-street, died about midnight, of heart disease. He had long been troubled, and, from time to time, had been under the care of Dr. Balfe. He was 23 years of age. Last fall, he was stabbed by a North Side man who is now spending a term in prison. It is not thought the cutting had anything to do with his death.

The funeral will take place on Friday morning.

MUST EAT SUGAR.

Why People Have a Strong Appetite That Way.

When food is properly digested and absorbed into the system diabetes, dyspepsia and such diseases do not occur, and if, after these diseases have attacked the stomach and kidneys, the right kind of food is used, it will generally cure unless the disease has made too much progress.

A merchant in Young, O., E. D. Leedom, says: "Last August, when I was in miserable health, I was visiting at my daughter's up in Indiana. She prepared Grape-Nuts Breakfast Food for me, the first I ever tasted.

"I had diabetes and dyspepsia, with sour stomach from almost everything I ate. Of course the doctor kept me from eating sugar, but I had an almost ungovernable appetite for it. After I had been using Grape-Nuts every day for a short time my appetite for sugar was satisfied. I got the grape sugar from the food, and it agreed with me perfectly.

"My dyspepsia left and I began to sleep well at night. I have kept up the use of Grape-Nuts, and feel like a new man all over. I liked it so much and it agreed with me so well that I said nothing to the doctor for fear he might make me stop it, as he had most everything I had tried to eat, but one day I told him it was the food I was using that improved me so much. He asked what it was, and when I told him 'Grape-Nuts' he said there was no better food made. You are at liberty to make use of any part of this letter you desire, for I am more than grateful for the good the food has done me."

No Railway Subsidies.

Ottawa, May 14.—Mr. Fitzpatrick's bill respecting telegraph and telephone companies, Mr. Sifton's bill to amend the Dominion Lands Act, Sir Richard Cartwright's bill to amend the Manitoba Grain Act, Mr. Blair's bill re railways and Mr. Mulock's labor disputes bill were withdrawn this morning.

Sir Wilfrid announced that no railway subsidies would be voted this session.

A HARD PILL

Some pills are hard on the stomach, and, therefore, derange the other organs. Not so with Dr. Cowan's Pills. No. 501. Their method of curing kidney and liver diseases is by first curing the stomach, then acting on the kidneys and liver. Herein lies their exceptional success in curing when other remedies fail. Easy to take and sure to cure all stomach, kidney, liver and bowel troubles. A combination of best-known medicines, which act separately on each diseased organ. 50c at Druggists, or, post-paid, from The Griffiths & Macpherson Co., Limited, Toronto.

CITY NEWS.

County Court Cases.

In the County Court yesterday afternoon suit was begun to recover $500 from the Dominion of Canada Accident and Guarantee Co. on an accident insurance policy issued to the late John Morrison of 206 North Lisgar-street. Morrison was a conductor on the Grand Trunk Railway, and was killed at New Hamburg on Aug. 27 last, while examining a leak in the air brakes. The defendants resist payment on the technical ground that Morrison, when he met his death, was not engaged on any conveyance, as called for by the terms of the policy. The case goes on this morning. W. T. J. Lee appears for the widow of deceased and E. F. B. Johnston, K.C., for the company.

Judgment for $50 and Division Court costs was entered in favor of Eugene McCarthy. McCarthy claimed that Charles Lavender, hotel proprietor at Bedford Park, engaged him as hostler at $10 per month in summer, $5 in winter and board and all tips he could evolve from guests. He worked all year, and got only $2 in money. He then sued Lavender to get $120, said to be due. The defence set up the plea that the hostler was to get only his board and tips.

Industrial School Board.

The monthly meeting of the Industrial School Board was held yesterday afternoon. The report of the superintendent of Victoria School showed that 160 boys were in attendance on May 1. About 50 acres a mile west of the school have been leased for one year and the superintendent gave a very satisfactory account of the operations going on. Great preparations are being made for a sham fight on Victoria Day. A recommendation is made that the salary of the farm instructor be $30 a month and that a teacher be engaged for the summer vacation. The accounts for March and April totalled $3338.81, of which $1105.44 is for salaries.

Miss Lugsdin, superintendent of the Alexandra School for Girls, gave a very satisfactory report of that institution.

The annual meeting of the board will be held on June 7.

A resolution of condolence with the family of the late W. F. Burton, who represented Hamilton on the board, was passed.

Police Court Record.

In the Police Court yesterday John Brownlee, who stole a pail of jam from John Campbell, was sent to the Central Prison for three months. Annie Spring, keeper of a disorderly house, was fined $30 and costs or 30 days. Mary Barton, an inmate, was fined $10 and costs or six months. Capt. John Pearson, who called upon several insurance men, and told them of a delayed remittance from England, was fined $5 and costs or 60 days. Donald Morrison, for contempt of court a few days ago, had his term in the Central increased to nine months. For stealing a pair of boots James Orr went down for 30 days. Benjamin Sable, who stole Moses Stycock's bicycle, goes to jail for a month. Six months in the Central was the sentence imposed on Fred Myers for stealing $6 from L. McCarthy's restaurant.

McCurdy and the Bicycle.

On March 26 last Daniel McCurdy, a youth employed by W. J. Macklem, 12 Terauley-street, proprietor of a messenger service, failed to turn up after delivering a letter or return the bicycle that he had been using. Detective Harrison went to the boy's home at 36 Lappin-avenue, and was informed that he was visiting friends in Penetanguishene. The matter was allowed to stand until yesterday, when the officer learned that the youth had not been out of the city. He located McCurdy and locked him up at No. 7 Station. It is thought that McCurdy got wind of the officer's proposed visit to his home, for a scheme was planned to return the bicycle to the owner. It was found on Ossington avenue, with a note attached to it, and the police say that it was abandoned by a little boy, who had been instructed by relatives to leave it close to the owner's place of business.

New Trial Was Granted.

For the second time Charles Godson of Lloydtown was placed on trial in the Criminal Sessions yesterday afternoon. In March, 1901, he was convicted of a grave offence, the complainant being his 18-year-old daughter Caroline. He was sent to Kingston Penitentiary for seven years by Judge McDougall, who granted a reserve case. The appeal was taken to the Court of Appeal, and the new trial ordered.

The grand jury indicted George L. Hunt and William Broomgrove, charged with theft. No bill was reported in the case of William Lambert, also charged with theft.

Two Wills in Court.

Two wills were entered for probate in the Surrogate Court yesterday. Farmer William Bell of Whitchurch, who died last month, owned 200 acres of land, worth $9500, and had $96.55 in personalty. The will bestows all this upon the six children, the mother being dead. Charles D. Fuller, private banker, made his wife sole legatee and executrix of his estate. He had $500 in household goods, $4017.04 in notes, $3898.00 in chattel mortgages and $192.08 in cash.

Shortest Court in 25 Years.

The sitting of the Criminal Assize Court, which was adjourned on Tuesday afternoon, was the shortest in 25 years, lasting only one day, considering only one case. The sittings will be resumed on May 26, when it is expected that the decision of the Court of Appeal in the case of Fred Peltice will be known. If the court holds that the trial was regular the prisoner will be brought up on that date for sentence. In the event of a new trial being ordered, it is not likely that it will go on till next autumn.

Robbed on Pearl-Street.

On Monday night Howard Fraser who was arrested on a charge of being drunk, complained of having been robbed of $10 in a house at 122 Pearl-street. The complaint was investigated, and last night Policeman Hunt arrested Frank Chew in connection with the case.

DEPLORES A GREAT LOSS.

The Presbyterian Synod on the Death of Principal Grant.

The Presbyterian Synod concluded its sessions shortly before 6 o'clock last evening, with the adoption of resolutions of condolence on the death of Principal Grant and of Rev. Dr. Robertson. That in reference to the late principal alluded to his grand work in connection with Queen's University and of his strong personality in influencing for good those who came under his guidance. It pointed out that he was a man who had his own style and his own methods in delivering the message of hope and truth to those with whom he came in contact.

The matter of missionary work in British Columbia received some attention from the Synod during the afternoon, and as a result it was decided to prosecute the efforts in that connection with more vigor than in the past.

Immoral theatre posters came in for strong censure by the synod in the morning. A resolution condemning them was unanimously passed. In support of the resolution, Rev. Dr. McKay alluded to them as most destructive to the morals of the youth. He did not know of anything better calculated to make murderers. It was unpardonable that this thing should be tolerated in any Christian community.

Standing committees were appointed for the year, as follows:

Church Life and Work—Rev. W. G. Hanna; Messrs. Thomas Martin, Mount Forest; R. Blackwood, Harriston, and A. Drummond, Clifford.

Home Missions—Revs. S. Childerhose, B.A., D. Findley, A. Macklem, B.A., W. Beattie and Capt. Grant, Huntsville, and George Norman, Callander.

FOR A DECORATION DAY.

Veterans of '66 Will Interview Other Associations on the Subject.

The Veterans of '66 met last night in the Armouries, when it was decided to take steps to bring about a general decoration day. The Northwest Field Force and the South African Association will be interviewed on the subject, and it is thought that no difficulty will be experienced in choosing one day that will be satisfactory to all organizations. This year the Veterans of '66 will decorate the monument in Queen's Park and the graves of their comrades on June 2. The annual excursions of the association will take place to Brock's Monument and Queenston Heights on July 24. Capt. A. W. Porte presided.

Modern Forms of Accounts.

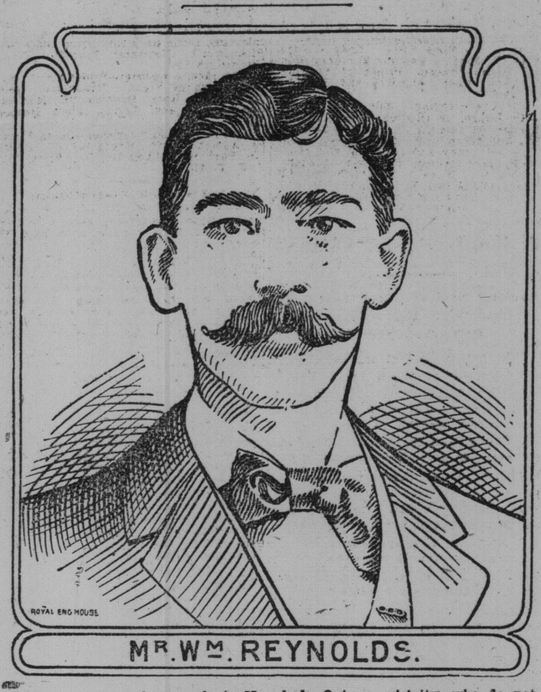
An interesting address on this subject was given by Mr. A. L. Crossin last evening, under the auspices of the Chartered Accountants of Ontario.

Dr. Pitcher Permanently Cures a C.P.R. Brakesman

Two Years Ago Mr. Wm. Reynolds, Havelock, Ont., a Well-Known C.P.R. Brakesman, Suffered So From Lumbago That He Could Hardly Move.

Dr. Pitcher's Backache Kidney Tablets Made Such a Complete and Permanent Cure That He Hasn't Had a Twinge of Pain Since.

Mr. A. C. Denike, the Havelock Druggist, Vouches for the Accuracy of the Statements Made.



MR. WM. REYNOLDS.

There are very few people in Havelock, Ont., or vicinity, who do not know Mr. William Reynolds, the popular C. P. R. brakesman, whose picture appears here.

About two years ago, he was laid up with a severe attack of lumbago, which caused him excruciating pain, so that to stoop over or turn in bed was agony.

He heard of Dr. Pitcher's Backache Kidney Tablets being a splendid remedy for such complaints as his. He took the Tablets, and they cured him. Since then, Mr. Reynolds has had no return of his old trouble, and has recommended Dr. Pitcher's Tablets to many men on the road, such as firemen, engineers, conductors and fellow-brakesmen, all of whom, from the nature of their occupation, are liable to bad backs and kidney trouble, and, in every instance, the Tablets have done good.

Mr. Reynolds' Statement May 31st, 1900.

This is what Mr. William Reynolds had to say about Dr. Pitcher's Backache Kidney Tablets on May 31st, 1900, just after he was cured:

"I had lumbago so bad when I got Dr. Pitcher's Backache Kidney Tablets from A. C. Denike, the druggist, that I could hardly move. It was most painful to turn in bed. There was a dull, nagging aching in the small of my back, continually, and to stoop or assume an upright position after sitting was extremely painful. This was not the only time that I suffered that way; my case was becoming chronic, and the remedies that formerly gave me relief did not help me now in the least. I found, though, that, as soon as I started taking Dr. Pitcher's Backache Kidney Tablets, they helped me at once. They have removed the whole trouble. I have neither pain nor lameness now. I cannot say too much for them, and I heartily recommend them. (Signed) WM. REYNOLDS."

Mr. Reynolds' Statement March 29th, 1902.

When our representative called on Mr. Reynolds recently, he did not hesitate to speak in the highest terms of Dr. Pitcher's Backache Kidney Tablets, and the permanent cure they had made in his case. Said he: "I have never had any return of that lumbago and kidney trouble which attacked me so severely in the spring of 1900. Dr. Pitcher's Kidney Tablets made a complete and thorough cure then, and I have never been bothered since."

Endorsation of A. C. Denike, Druggist.

Although anyone who knows Mr. Reynolds would not doubt his statements for a moment, still, for the benefit of outsiders and strangers, we give the confirmatory statement of Mr. A. C. Denike, Phm. B., the well-known druggist and optician of Havelock, who sold Mr. Reynolds the Tablets:

"I am acquainted with Mr. Wm. Reynolds, brakesman on the C. P.R., and know that, about two years ago, he suffered greatly from lumbago and kidney trouble. He purchased Dr. Pitcher's Backache Kidney Tablets from me, and claims that they were the means of curing him, and I believe this to be the case. I understand from him that, since Dr. Pitcher's Tablets cured him, he has had no return of the trouble. ("Signed) A. C. DENIKE."

We would ask you to bear in mind that Dr. Pitcher's Backache Kidney Tablets are not a patent medicine or "quack" remedy, but the formula of the eminent Kidney Specialist, Dr. Zina Pitcher, who, for years, occupied the position of Professor of Materia Medica and Genito-Urinary Diseases in Michigan College of Medicine, Detroit, Mich.

They give prompt relief, and permanently cure backache, lame or weak back, bloating, swelling of the feet and legs, Bright's disease, and diabetes (except in the last stages), gravel, brick dust deposits in the urine, scalding or irritation, frequent calls during the day or night, catarrh of the bladder, high-colored and foul-smelling urine, dribbling, cloudy urine, rheumatism, heavy feeling or pain in the head, mist or specks before the eyes, unnatural drowsiness, sense of weight or pressure in the region of the bladder, kidney weakness of old people and children, kidney troubles of women and all forms of kidney disease or derangement.

The Tablets are small, chocolate-coated and easy to take. One Tablet a dose. Fifty Tablets in a bottle. Price 50 cents, or three bottles for $1.25, at all druggists, or sent by mail. The Dr. Zina Pitcher Co., Toronto, Ont.
