A Stirring Scene.

Description of Capt. Plumer's Fight With the Rebels.

Troops Fought Their Way Inch by Inch—3,000 Rebels Engaged.

London, May 28.—The Daily Telegraph has a dispatch from Buluwayo which gives a description of the fight of Capt. Plumer's force with the insurgents south of Buluwayo.

"It was a stirring battle scene," says the correspondent. "Amid the cheers of the white troopers and the hoarse war shouts of King Khama's men, while the hills were resounding with Zulu war songs, the Bechuanas rushed on the rebels, who were under the protection of their kopjes. There was an incessant rattle of rifles and of maxim guns. The troops fought their way, inch by inch, through the bush until the enemy was suddenly struck by a panic and retreated. They were chased two miles and had 100 killed.

"It is believed there were 3,000 rebels engaged, and it is supposed that they are now massing in the Matoppo Hills for a final stand. Cecil Rhodes is expected here hourly."

AN EXCEPTIONAL SALE

St. John is Much Interested in the Recent Medical Discovery.

St. John, N. B., May 25.—The many cases of marvelous restoration to health from various forms of kidney trouble which have been constantly appearing in the daily press of the Dominion have for some time awakened the liveliest interest here, and the remedy by which the cures were effected, namely, Dodd's Kidney Pills, are obtaining great celebrity throughout the Province. The appearance of the testimonials of Drs. Rose and McCormick, stating the benefits which they had personally derived from their use was considered a sufficient sign of the merits of the remedy, and the other interesting and wonderful cases, which have since been chronicled has caused the specific to have an exceptional sale.

MAPLE LEAFS WITHERED.

Hamilton, May 28.—Manager Richardson was a happy man at the conclusion of the game between Guelph and Hamilton yesterday. The Hamiltons not only beat the Maple Leafs, but shut them out without a run. It was due to the superb pitching of Moore, who held the visitors down to four hits, two of them being made in the last inning. Moore got good support. The Maple Leafs made a number of bad errors. Score:

	R.	H.	E.
Hamilton ...3 0 0 0 3 0 1 0 *—	7	11	4
Guelph .....0 0 0 0 0 0 0 0 0—	0	4	7

Batteries—Moore and Baker; Carney and Roberts.

WHIPPED AGAIN.

The Alerts deserved to be whipped yesterday afternoon on the merits of the game, but the 800 odd people on the grand stand did not deserve such cruel treatment at the hands of the home nine. The ball cranks of this city are a sore lot. They have followed the Alerts loyally through good and bad—mostly bad—fortune. They have seen the championship rag captured year after year by backwoods places—comparatively speaking—like Cobourg and Guelph. Every season better things have been promised them, but the pennant that they longed for never came. But with all their faults, they loved the locals still, and their support never wavered. This year, above all others, London had a right to expect a nine that would do credit to the city, if it did not prove a world-beater. Manager Sippi has signed some new men, and good men too; but a chain is as strong as its weakest link, and there have been several weak links in the Alert chain. In the three games that they have played scarcely a man has remained twice in the same position. No matter how good the men may be individually first-class team work can hardly be expected under such conditions, and team work is everything. In yesterday's game, for instance, Snyder played at short and behind the bat. Thorpe first caught and then covered right field. Plummer started out at right field and ended at short. Such shifting around as that is enough to demoralize a nine stronger than the Alerts. To tell the plain, unvarnished truth, the Alerts need a couple of new men in the outfield—at right and left. Thorpe is a nice catcher, but it is unfair to the lad to put him catching shoots behind the bat one day and chasing flys in the outfield the next. A man should have one position and play it all the time. The Alerts have had no regular outfield, a new one has been manufactured for every game. Yesterday's was an eye-opener for Manager Sippi, and it is gratifying to report that he is acting promptly on the hint. Jack Hutchinson, of Tilsonburg, joins the Alerts today and will cover left field. He is a hard hitter, and a great base-runner and fielder. Tierney, of last year's Alerts, will rejoin the team and play his old position at third bag. He is a handy man with his bat, and last season held down third bag in fine style. He has recovered from his mishap. Snyder never did like the infield, and will go to the outer one. Hiscott will be released. He has not been playing in his old form this year, and the management cannot afford to retain him, popular though he has been. Strowger, who has shown himself a dandy in the infield, will pick up grounders at short. Powers and Snyder will do most of the catching, though Thorpe will probably be retained for emergencies. There is little chance that the reliable Burton will be in shape again this summer, and Dr. P. B. Wood has consented to play first base. A string is out for a crack pitcher. He is badly needed. Wood and Plummer will be given further trials. When these changes are made ball lovers may reasonably expect a winning team. One thing may truthfully be said of it—it will be the hardest hitting team in the league. The Alerts are handicapped by a poor start in the race for the pennant, but the season is early, and if they play good ball all will be forgiven.

Yesterday's game with Galt was notable for the first appearance of Dr. Peter B. Wood with the Alerts, and if he keeps up the pace he set he will prove a tower of strength. He held down first bag in excellent style and carried off the batting honors. He was given a rousing reception. Pitcher Wood was pounded freely, but slow fielding was responsible for several of the hits chalked against him. At the end of the sixth the score stood 6 to 6. A hit by Allen and an error by Strowger gave the Galts a lead of one in the seventh. In the eighth Snyder made a triple after two men were out, but Sippi sent a long fly to center, and the chance to tie the score was lost. In their half or the eighth four singles netted the visitors two runs and a lead of three. In the ninth Dr. Wood singled after Plummer had gone out on a scratch, but Thorpe and Wood flied out, and the game was lost. The Galts won the admiration of the audience by splendid ball playing and gentlemanly conduct.

The score tells the melancholy tale:

BANGED WITH A BAT.

Bangor, Mich., May 28.—Andy Monroe, aged 13, while catching ball, was hit on the head with a ball club. He was insensible until after midnight. There is slight hope of his recovery.

FLYS.

There is no truth in the report that the Alerts are negotiating with Amos Rusie.

Martin Swift, the millionaire manager and owner of the Carbondale (Pa.) club, refuses to return to that place, owing to a lack of patronage. He has gone to Pottsville to see if arrangements cannot be made to locate his club there. The Scranton club is after Pitcher Luby, Catcher Rafter, First Baseman Massey and Outfielders McQuade and Staltz, but McQuade is the only one Swift has released.

The Alerts will play Hamilton on Saturday next.

What a revolution in the Alerts! Sippi, Tierney, Thorpe and Hynd are the men in last year's team who remain this year.

Tebeau leads the first baseman of the country.

Old Sam Wise has acquired his second sight, and is putting up a great game for Buffalo.

Since Flynn's release, Decker has been sent into the outfield for Chicago, and Uncle Anse is again on first.

The Louisville directors held a meeting the other night, the first one since the engagement of Manager McGunnigle. They agreed that the latter's work was perfectly satisfactory, and they gave him more authority than before. The Louisvilles may now be depended upon to win some more games.

CRICKET.

SCORED 887 RUNS.

The latest English sporting papers bring accounts of the first two days' play in the country match between Yorkshire and Warwickshire, in which the former put on the magnificent total of 887 runs. The mach took place on the grounds of the latter.

Yorkshire batted first, and early in the second day the record of the individual hundreds for one side in one inning was broken by Lord Hawke and Peel, each adding centuries to the two recorded by F. S. Jackson and Wainwright. Yorkshire's own record score in county matches went by the board long before the eighth wicket had fallen, while gradually Notts' big total of 726 against Sussex last season a record for a time—was passed without further loss. Afterward's Lancashire's total of 801 against Somerset at Taunton, which was the biggest aggregate for first-class county cricket, was beaten with the two wickets still to fall, and before the end the phenomenal performance by the last Australian team of 843 against Oxford and Cambridge Past and Present, at Portsmouth, in 1893, was topped. Altogether the Yorkshiremen secured 887 runs, for which they were batting ten hours and fifty minutes, which gives an average of over 87 runs an hour.

Lord Hawke was missed by Pallet at mid-off at 151. Peel was missed by Bainbridge in the slips at 17, and put up a ball between mid-off and extra mid-off at 119, but neither fielder reached it. The detailed score of the inning was as follows:

Miss Dolly Eagan, who is attending the Collegiate Institute in St. Thomas, was at home for a few days last week.

Mr. Kettlewell, superintendent of the Sunday school, was appointed chairman, and after a short programme was rendered, Mrs. Hunter was presented with some very beautiful presents, accompanied by a neatly worded address, to which she replied in a few well-chosen words, thanking her friends for the manner in which they had shown their regard. Refreshments were then served and games participated in until an early hour. Mr. and Mrs. Hunter leave this week for their new home in Lobo.
