Filling Letter Orders a Specialty

JOHN MACDONALD & CO.,
Wellington and Front-Sts. East, Toronto.

AT OSGOODE HALL.

Mr. Justice Robertson decided yesterday in Rush v. Kiernan, an action to recover amount of a legacy charged on land, and in which no defence had been filed, that, notwithstanding Rule 1530, the Court has discretion to direct personal service of notice of motion for judgment, and he directed service to be effected, and the motion returnable to-day.

At the non-jury sittings, the action of Louisa Thompson against Charles Henry Thompson was dismissed, with costs. The plaintiff practically alleged that the defendant put his hand in her pocket and took her money, and bought a house with it in his own name, while the defendant counterclaimed, practically alleging that she put her hand in his pocket and took his money, and never repaid him, whereas, the fact appeared to be that they both put their hands in other people's pockets, and are now dispting about the spoils. The plaintiff says the defendant is her husband. This is denied by the defendant, but he admits that the plaintiff lived with him for years as such. Her real name, he says, is Louisa Smeaton, and she is now in a penitentiary serving a term of five years, but the defendant is not, his term of three years having expired. The pleadings are drawn in exquisite taste, and delicately refer to the penitentiary terms as "absence from the city."

In Reg. v. Lorraine, the Divisional Court gave judgment, discharging the rule nisi to quash conviction of defendant in Toronto for selling a lottery ticket on behalf of the Society of Arts of Canada, contrary to the provisions of sec. 205 of the Criminal Code. If the holder of a ticket drew a prize he was to be entitled to a painting or half its value in money. The court held that the word "property" in section 205 (b) does not mean "specific property," as, if it did, the law might easily be evaded by not naming any specific article. They thought, also, that the evidence showed that a prize-winner could get money, even though the amount was uncertain, and thus the privilege of spreading works of art by lottery was infringed.

TO-DAY'S LISTS.

Single Judge, at 11 a.m.: Re Solicitor, Borland v. Manning, re Toronto and Reid, Macdonald v. Lundy, Rush v. Kiernan.

Non-jury Sittings, at 10 a.m.: Bank of Hamilton v. Dyke, McLaughlin v. Dixon, Ralph v. Simpson, Fletcher v. Watson, McPhail v. Manufacturers' Life Insurance Co., Bowen v. Langley, Rathbun v. Ralph, Welsbach v. Stannard, Johnston v. Johnston.

Varsity and Colleges.

The Board of Management of the University Y.M.C.A. are making efforts to enlarge their present quarters at an early date, as the present building is much too small to properly accommodate the increased membership. With this end in view, the services of Mrs. Agnes Knox Black have been secured to give a recital in Association Hall the 16th of the present month. This will be the first recital given by this popular entertainer for this season, and should be well attended.

The class of '97 purpose holding a class reception in the near future.

In the "Lit" to-morrow night, the election of readers, debaters and essayists for public debates and representatives to the sister college functions will be held.

A Y.M.C.A. in connection with the Dental College has been organized for the season.

The freshman class in dentists boasts a lady this year.

At a mass meeting of the dentals it was decided to hold an "at-home" this year in place of the annual dinner.

Dr. J. B. Willmott, dean of the Dental College, has been appointed hon. president of the dental section of the Pan-American Congress, to be held in the City of Mexico this month.

East Toronto.

East Toronto Council has decided to give a bonus of 50 cents to the owner of each tree in the village that lives over a year. A committee will decide upon the trees to be planted.

A vigorous scrap, with an interesting point at issue, took place at the Tuesday night session between Reeve Richardson and Councillor McCulloch. Village Clerk Clay was unable to be present, and the Reeve proposed that Assessor Ormerod take his place for the sitting. This was opposed on the grounds that the assessor acts as a check to the clerk, and as such could not sign the roll. An appeal to the village Solicitor decided the argument against the Reeve.

W. J. Carnahan and A. D. Jordan returned home yesterday from Brantford, where they took part in the successful musical recital given in Brant-avenue Methodist Church on Tuesday night.

Conductors in Fea Jackets.

The street railway conductors are not over pleased with the latest order posted in the sheds, because, owing to it, they will have to buy new overcoats. The new regulation coat is to be a sort of pea jacket. The object of the change is not only to make the men look smarter, but also to avoid soiling the dresses of lady passengers, some of whom have complained that the long coats of the men have, when wet, brushed against and soiled their dresses while the conductor is collecting his fares in a crowded car.

Lady Aberdeen's Crusade.

The following notice has been posted up in the School Board for several days: "We, the undersigned, promise to refrain from following the cruel practice of wearing feathers of birds other than those killed for the purpose of food, the ostrich only excepted."

"Public School Teachers."

The notice hung upon the wall for several days, but not a name was added, so on Tuesday it was moved into the room where 600 teachers had to pass in to receive salaries.

After the room was cleared of the crowd five names were found appended.

Business Embarrassments.

Inspectors were appointed at a meeting held yesterday to look after the estate of J. Zoeger, general merchant, Beeton, who had assigned to F. Somers.

Salome B. Ward, millinery, Blenheim, has assigned to W. G. Wall.

John Kersey, Warwick, has assigned to G. H. Wynne.

George P. Farmer, general store, Wilmot Township, has assigned to A. B. McBride.

WOMAN CHARGED WITH PERJURY.

Mrs. Demill Said to Have Sworn Falsely That She Was Not Married.

Oshawa, Nov. 4.—Before Police Magistrate Murton, Mrs. Demill was charged with perjury, having on the 26th inst., in company with Leslie Howard of Cedardale, applied to Mr. Willix for a marriage license, affirming by the customary affidavit that she had never been married. When arraigned she pleaded not guilty, but behind her sat five daughters, three of whom acknowledged the prisoner to be their mother, and also swore that their father is still living, having been seen by one of them yesterday. Mr. Willix swore to issuing the license, and that the defendant was with Howard, the applicant. It appears that the husband of Mrs. Demill resides in Burketon, but his wife left his domicile some time last spring, and has since been living around East Whitby and Oshawa. The case was adjourned for a week.

An Admirer of Chimmie.

Editor World: I particularly admired a few thoughts expressed by your boy "Chimmie" a couple of weeks ago, regarding the rulers of our city. He, evidently, is not a rapt admirer of our "city fathers," and worse the luck that there are not more like him to speak out on the subject. Why cannot the common people, like myself, take time by the forelock, and talk the matter of representation in the City Council over, and choose some long-headed, brainy men as representatives for next year? The people that now represent us should be relegated to the obscurity of private life "instanter." They rush out in their constituencies for a week or two each year, and before the people have time to analyze them they become "city fathers!" (heaven save the mark). Here in the Sixth Ward we have at least one representative whom any man of average sense would not intrust with the construction of a $50 hencoop. Let the people talk this matter of representation over in a serious manner among themselves during the next eight weeks, and I think the city will be much benefited thereby.

Grade Convention of School Teachers.

The Grade Conventions of the city teachers for the senior third book were held on Tuesday, and for the fifth book yesterday.

The other conventions will be held as follows: Nov. 6, Church-street, junior third; Nov. 9, Jesse Ketchum, senior second; Nov. 10, Clinton-street, junior second; Nov. 11, Park, junior fourth; Nov. 12, Borden-street, senior first; Nov. 13, Queen Victoria, junior first, western section; Nov. 16, Cottingham, junior first, eastern section.

The World's Cartoons.

Guelph Herald.

When Sam Hunter, the brilliant cartoonist of The Toronto World, puts his facile pencil to American politics, he is apparently as much at home as when depicting the weaknesses and inconsistencies of our own statesmen. It is safe to say no United States journal will give a happier or more artistic pictorial presentation of the conflict between Bryan and McKinley than that which adorned the pages of The World before and after the battle.

self-help

You are weak, "run-down," health is frail, strength gone. Doctors call your case anæmia—there is a fat-famine in your blood. **Scott's Emulsion** of cod-liver oil, with hypophosphites, is the best food-means of getting your strength back—your doctor will tell you that.

He knows also that when the digestion is weak it is better to break up cod-liver oil out of the body than to burden your tired digestion with it. Scott's Emulsion does that.

TIPS FROM WALL-STREET.

The market had an advance of 2 to 6¾ per cent. in the early dealings, but became feverish later on. The closing was heavy.

The most active stocks to-day were: Sugar 44,300 shares, St. Paul 64,900, R.I. 9100, W.U. 7700, U.P. 13,400, Wax 7500, N.Q. 5000, Reading 5800, Mo.P. 5300, L. & N. 19,200, Burlington 39,300, C.C.C. 4500, C. Gas 20,100, Manhattan 5100, T.C.I. 11,100, Tobacco 10,100, Leather, pr., 5000.

McIntyre & Wardwell (John J. Dixon) send the following despatch to their branch office in Toronto from New York:

The stock market to-day was feverish, but strong. The volume of business was large. Prices at the close were generally lower than the opening, when the highest prices of the day were made. There has been enormous realizing to-day, but the public were apparently in the market as buyers. Money was 6 per cent., and later on rates for call loans declined to 4 to 5 per cent. The gold that has been hoarded during the past three months is beginning to come out rapidly and coming into banks as the treasury cannot handle it promptly. About $800,000 gold was shipped hither from London to-day. Foreign exchange broke on selling of hoarded sterling bills. The rate for actual business declined to 4.83, but it rallied to 4.84. Election returns this afternoon seemed to cut down McKinley's majority in the electoral vote, though not to any extent that would change the result. This induced some selling in the late trading. There was no railroad news of special importance and little attention was paid to what did appear. Government bonds advanced 2 per cent. for the extended 2's., 1 per cent. for registered old 4's., 1½ per cent. for registered new 4's and ½ to ⅞ per cent. for 5's.

CHICAGO GOSSIP.

Henry A. King & Co., 12 King-street east, received the following despatch to-day from Chicago:

Wheat opened fully 2 cents higher this morning, December being quoted at 77 to 77⅝c. This was a moderate advance considering that Liverpool was 2½ pence up yesterday, and another 2 pence to-day, or equal to about 5½ cents since Monday's closing. English markets were all firmer and we looked for much higher prices than were reached to-day. The market, notwithstanding everything in its favor, higher cables and the Republican victory, did not respond to the bullish sentiment and was draggy all day. The closing cables were 2d lower, or about the early gain. The market sold down to 76¾ Dec., and closed at 76½. We look for
