FINANCE AND COMMERCE.

Little Business Doing in any of the Markets To-day.

WEDNESDAY, June 25.

There was nothing doing on the stock exchange this morning, but the strong feeling already noted has continued, and values of some of the leading stocks show an advance, which is due no doubt to good buying orders being on the market and the fact that investors have confidence in higher prices. Bank stocks particularly are strong, although this morning they were practically neglected. Montreal has moved up ½ to 225 asked. Ontario is firm at yesterday's asking and a small lot was placed at 117¾. Commerce was ½ higher; Western Assurance was ½ weaker. Fifty shares of North-west Land Co. stock were placed at 75½. The tone of the market in the afternoon was hardly as strong and there was little trading. In bank stocks Montreal was ½ and Ontario ¼ weaker. Commerce was 1⅛ higher, and 40 shares were placed at 128. Merchants' declined 1 point. Northwest Land was the feature, 195 shares changing hands at 75. The stock closed ½ weaker at 75¼ asked and 75 bid.

The strawberry receipts were very large and the prices ranged from 4 to 6½ and 8c per box.

A good supply of cherries came to hand, but the demand was not very large. The prices averaged $1.25 per basket.

Quite a supply of gooseberries came in yesterday and sold slowly at from 75c to $1 per basket.

There is a good demand for tomatoes, good quality selling from $2.25 to $2.50 per large crate.

There is a fair demand for cucumbers. Good stock is selling at $2.50 per crate.

A few boxes of California peaches sold at $2.50. The supply is very small and will in all probability continue so until the Canadian fruit comes in.

SAFE DEPOSIT DEPARTMENT 246246
The Vaults are in a building specially constructed, most substantial and secure, fire and burglar proof, and unequalled in Ontario, costing over $30,000.
Safes and Compartments, varying from the small box, for those wishing to preserve a few papers, to large safes for firms and corporations, are rented at low rates, and afford ample security against loss by fire, robbery or accident. Bonds, Stocks, Deeds, Wills, Plate, Jewelry and other valuables are also stored. An examination of these vaults by the public is requested.
TRUST AND AGENCY DEPARTMENT
Under the approval of the Ontario Government the company is accepted by the High Court of Justice as a Trusts Company, and from its organisation has been employed by the Court for the investment of Court Funds. The Company acts as Executor, Administrator Receiver, Committee of Lunatics, Guardian of Children, Agent, etc., and as Trustee under Deeds, Wills or Court Appointments, or Substitutions, and also as Agent for Executors, Trustees and others, thus relieving them from onerous and disagreeable duties. It obviates the need of security for administration.
The Company invests money, at best rates, in first mortgages or other securities: collects rents, interest, dividends, and acts as agent in all kinds of financial business. It also countersigns Corporate Securities. For further information apply to

NOTICE
WEIGHTS AND MEASURES

Traders, Manufacturers and Owners of Weights, Measures and Weighing Machines generally are specially requested to read carefully the following instructions and act accordingly:

1. The Weights and Measures Act provides for a regular biennial inspection of all Weights and Measures used for trade purposes, as well as for irregular inspections of the same, which may be made at any time when deemed necessary by the inspector, and it also imposes a heavy penalty on any trader or other person who wilfully obstructs or impedes an inspector or assistant inspector in the performance of his duty under said Act, or who refuses to produce the whole of his weights and measures for inspection when called upon to do so by an inspecting officer.

2. Every Trader, Manufacturer and Owner of Weights, Measures and Weighing Machines when paying moneys to Inspectors or Assistant Inspectors of Weights and Measures for verification fees is entitled to, and is specially requested to, demand from the officer who makes the inspection an official certificate ("Form O. 6" with the words "Original for the Trader" printed at the head thereof) properly filled out and stamped, and also at the same time to carefully ascertain whether or not the stamps attached to such certificate represent exactly the value the amount of cash paid. Traders are requested to bear in mind that certificates of verification are of no value whatever unless stamps covering the full amount of fees charged are attached.

3. Owners and holders of these official certificates are specially requested to keep them carefully for two years, and in order to secure their safe keeping it would be advisable to placard them in their places of business in the manner in which ordinary license certificates are done, for it must be distinctly understood that all traders who are unable to produce their properly stamped certificates when asked to do so by an inspector or assistant inspector may, in all probability, have to pay over again their verification fees.
