The Weekly Literary, News & Family Journal
OF OUR TIME.

Over 1000 of the best American and European newspapers have unanimously pronounced it the finest literary, family and news journal extant.

Pure in tone and character, presenting a vast variety of fascinating literature from the most eminent writers of the world, giving news and able editorial comment upon all topics of human interest, it is yet a model of beauty and brevity, and does, every week, what the pretentious magazines do once a month.

The subscription price is invariably $4.00 in advance; 6 months, $2.00; Copy, 10 cts.; Bound Vol., $5.00. There is an enormous demand for back numbers, owing to their extraordinary present and increasing value, for bound volumes. To provide for this, subscriptions may begin at any number, past or future, at the current price; or, the year's subscription may date from any number, and back numbers (as well as sample copies) will be supplied at 10 cents each.
