VICTIM MAY BE A LONDON WOMAN

Has Been Missing From Her Home Here for Several Days.

It may turn out that the woman who was found murdered on the mountain at Hamilton belonged to this city.

A resident of this city, whose name is being withheld, left for Hamilton this morning to see the remains of the victim. He had read the description of the unfortunate in the papers, and as his daughter answered it in many ways, and had been missing from her home here for some days, the anxious father went down to satisfy himself in the matter.

The missing woman is married.

INTERESTING WILL CASE

Action at Hamilton Assizes in Which Londoners Figure.

A case in which a number of Londoners are interested is being heard at the fall assizes in Hamilton. It is an action brought by Mrs. Sarah McAllister and A. B. Greer, of this city, executors of the estate of the late John J. McAllister, to establish a will made by deceased in November 1901. The will was contested by some of the heirs, hence the necessity for the action. The defendants are Hannon and John McAllister, sons, Mrs. Sarah Annie Greer, daughter, and John James McAllister, an infant grandson of deceased. Mrs. Greer is not contesting the will, but, being an heir under it, had to figure as a defendant.

The story of the case is rather interesting. Some years ago Justice Teetzel, when he was practicing law in Hamilton, drew up a will for John J. McAllister. Hannon McAllister was named as an executor. Under this will the widow was to have the income of the estate as long as she lived, and after her death it was to be equally divided between Hannon and John McAllister and Mrs. Greer. In November, 1901, Mr. McAllister went to London to visit his daughter, Mrs. Greer, and while there he executed another will. This time Hannon McAllister was not named as an executor, and while the estate was left in the same way as in the first will it was provided that Hannon McAllister was not to have the free use of his share after his mother's death. He was to be allowed to use the income only, holding his share of the estate in trust for his heirs. He, however, was to continue to manage the estate as long as his mother lived.

The widow and son-in-law A. B. Greer, were named as executors, and the latter was to have the right to appoint his successor in case of his death. The existence of this second will was not known to the Hamilton relatives until after the death of Mr. McAllister. The estate is valued at considerably over $50,000.

A Policy Of Progress

The widespread belief that if any article in the drug line is to be had it will be found here; that whatever we offer is the best, and that whatever the price is it cannot be beaten, is founded on actual facts. We have always aimed in the past to protect the public from unworthy goods or unfair prices, and this will continue to be our policy while we stay in business.

GETTING READY TO TACKLE PETROLEA

The London Junior Football Team in Good Shape—More Practice Needed.

The London junior football team have been getting into shape, although rather slow in doing so. The boys don't take to practice any too well, and practice is the great essential in Rugby. Captain Rowlands works faithfully, and the boys should aid him more by turning out.

Petrolea is always a formidable antagonist. Although beaten by Sarnia a few days ago, it does not follow that because the London boys beat Sarnia they can down Petrolea. It appears that Petrolea's defeat was the result of a straight fluke by the halves. Petrolea has secured the services of a coach, and the boys of the oil town have been working hard. Their chance for the championship will be greatly lessened should they meet defeat tomorrow, so every effort will be made to win.

According to the Petrolea newspaper dispatches, they are going to eat the London's alive. They will have a hard job to do it, however. Bobby Hague, who did so well last Saturday, will play full back for the juniors.

The lineup is as follows: Full back, Hague; halves, Canfield, Thomson, Willis; center, Morrison; quarter, Towe. The wings will be picked from the following: Rowlands, Carmichael, Smith, Whitton, Whetter, Blackwell, Tierney, Watson, Whetter, Higgins.

Mr. J. B. McArthur, of Toronto, will likely referee, and F. C. Robbins, of Hamilton, will be umpire.

As the juniors are in a fair way to win the championship a large turnout of spectators is expected. A great game will be witnessed at all events.

The teams will practice tonight at 5 o'clock.

GOV. CARTER TELLS OF COUNTY JAIL

Some Interesting Statistics Furnished in Annual Report on the Castle.

Governor Carter's first annual report of the county jail has been issued, and as usual contains some very interesting information. On October 1st there were nineteen prisoners in the jail, sixteen males and three females. During the year there were 554 convictions, 505 males and 49 females.

The number convicted for first offences were few, only 20 altogether. Of these five were women. The greatest number were convicted on their second offence. Of these there were 257, of whom 25 were females. Eighty-three were convicted for the third time, and 194 were convicted more than three times.

Eighteen lunatics were convicted, only three of whom were women. One hundred and ninety-one were acquitted on trial, and 20 were discharged by the judge without trial. Twenty-two, of whom five were females, were allowed out on suspended sentence. The total number convicted by any and all courts was 294, of whom 25 were women.

Central prison was the destination of 31 criminals, and four women went to the Mercer reformatory. Only thirteen went to Kingston penitentiary, and the remainder, 246, of whom 21 were females, were lodged in jail.

The nationalities of the prisoners was divided up as follows:

	Males.	Females
Canadians	360	41
English	55	2
Irish	38	3
Scotch	11	1
United States	35	2
Other Nationalities	6	—

As to their habits, 155 were temperate and 419 were intemperate. Texas was classed as temperate.

The cost of maintenance was $7,239 68.

The daily cost of prisoners for rations was 7 12-25 cents.

The most of the convictions were for drunkenness and disorderly conduct, of which there were 249. Forty-two convictions were made for assault. Three burglary cases had convictions registered against them, and there were also six cases of obtaining money under false pretenses. Only three cases of indecent assault resulted in convictions.

The prisoners have been of the following religious faith:

	Male.	Female.
Roman Catholic	184	12
Church of England	144	15
Presbyterian	63	8
Methodist	92	12
Other denominations	22	2

There were also 79 larceny cases, 4 perjury cases, 2 rape cases, and 75 vags. Only 4 were sent to the penitentiary for over 3 years.

SCHOOL OPENS MONDAY

Furnaces at Rectory Street Will Be Ready Then.

The Rectory street school is still closed. The pupils assembled this morning as usual, but the building was equally as cold as it was yesterday, and they were told to take another holiday.

The committee of the board of education has secured a promise from the contractors to start work on the furnaces this afternoon and to work until midnight on Saturday if necessary to have the furnaces in shape for the opening of school on Monday morning.

DOMESTIC WOES AIRED IN COURT

Charles Rummill Charged With Threatening His Wife—A Case of Non-Support.

The marital troubles of a brace of couples were listened to by P. M. Love this morning. Charles Fields has been in a perpetual state of alcoholic pickling for some time, and today he was fined $10 for being drunk and disorderly. He was very abusive when arrested, when this case was disposed of a charge of non-support was made against him. He has been spending his substance in riotous living and has not contributed to his wife's support for some months. The case was put over for a week.

The next case of domestic woe was that of Charles Rummill. He has been drinking very much since he came to this country, and when in the jagged state he is not very pleasant company. He threatened the life of his wife, and was summoned for it. He was found guilty, and was remanded for a week for sentence.

Robert Fields and William Ross, who were arrested for robbing Patrick Rider and Harry Williamson, were in court and elected to be tried by a jury. The preliminary examination will take place on Monday next.

John Brophy lately got out of jail, and started to celebrate, but he could not carry the white man's burden in an artistic manner, and so he was run in. He was fined $5 or ten days. He will tarry indoors for the time being.

John Turner often gets jagged, and just as often gets run in for that reason. Yesterday he accumulated his usual heavy load, but determined to anticipate the officers, and went over to the county jail. He endeavored to get in, and to show how really in earnest he was, he gave a hair-raising loop-the-loop act down the cellar stairs. He was removed to the police station, and was real penitent. He did not want to go to jail, and promised to be a good man. Making these promises is his favorite pastime, so he was fined $3 or ten days. He did not have to fall down stairs to get in this morning.

Thomas McDowell has been up as a vag on previous occasions, and attempts were made to get him a place. He lost his job, and had nowhere to go. He was fined $1 or three months in jail. He will stay in until he gets a job, when his fine can be paid.

Seven young lads were up for obstructing the sidewalk. When they were seen by the policeman they gave a fine disappearing act. They were finally landed and were given a lecture this morning and allowed to go. If they come up again they will be heavily fined.

A couple of first-time drunks were discharged.

A PROBLEM FOR NO. 2 TO TACKLE

Will They Raise Mr. W. J. Reid's Fence or Face a Lawsuit?

It was stated at the city hall today that the proposal of No. 2 committee to avoid trouble with Mr. W. J. Reid over the raising of the breakwater at Tecumseh Park will meet with failure.

The breakwater is now five feet higher along the east side of the park than formerly, and the result is that persons can stand on it and look into the park without having to crane their necks.

Mr. Reid holds that the city is responsible for the damage that has accrued to his property, and he threatens action against the corporation if the fence is not raised. The work of raising the fence would cost in the neighborhood of $600, and the committee proposed to do it if Mr. Reid will give to the city a small parcel of land in the corner of the grounds, adjoining the breakwater.

Mr. Reid, it is understood, will not agree to any such proposal, and unless the city sees fit to raise the fence there is a good chance of a lawsuit. The city is also anxious to get possession of a strip fifteen feet wide in Tecumseh Park, adjoining the breakwater, and it is said that Mr. Reid is asking the sum of $1,200 for it. The city desires the land in order that it may strengthen the breakwater without replanking it. The timber on the west side of the dyke in Tecumseh Park is not backed by earth, and as it has rotted away, a portion of the old part of the breakwater will cave in. It is to avoid putting new timbers in the old wall that the city wants the strip of land, on which earth can be banked against the breakwater.

With Mr. Reid holding out for $1,200 for the strip, however, some of the aldermen do not see much chance of either the city or Mr. Reid getting what they want.

LONDON'S KICKERS NOT DISHEARTENED

Will Do Their Best to Take a Fall Out of the Hamilton Football Dozen.

The London senior football team will journey to Hamilton tomorrow, and although so badly defeated last Saturday they haven't lost heart by any means, and will endeavor to take a fall out of the champions. Word has been received that special arrangements have been made by the Hamilton team for the boys' comfort, and dressing rooms will be placed at their disposal. A supper is on the programme for the evening.

The London team will be much the same as last Saturday's personnel, but several changes in position will be made. Pete McCallum, of last year's team, will play on the line, as will also Alexander, the speedy half.

The line-up will be as follows: Full back, Jackson; halves, Alexander, Clark, Edy; center, Macgregor; quarter, McMahon; wings, McCallum, Vinning, McKay, Rae, Bice, Girven.

Rev. Robert Barr, of Toronto, will referee, and Mr. Griffiths will umpire. A number of local sports will follow the team.

Smart Clothes for Young Men

THERE'S a something about the cut of this clothing of ours that's pretty hard to describe in print, but that is in splendid evidence when a man tries a garment on. It's got a smartness, an individuality, about it that's lacking in the machine-cut clothes so generally offered you. It's a something that makes a man feel as if that garment had been made for him alone, that it wasn't just merely one of a thousand the same. You see that difference in the splendidly made shoulders, in perfect lying collar, in the smart new lapels, and in the general drape of the coat. It's a difference that's daily coaxing other stores' customers here; it's something we'd like to show you. Isn't it worth your while?

H. S. & M. Hand-Made Clothes from Chicago. We're now showing Fall Suits, Raincoats and Winter Overcoats, from Hart Schaffner & Marx, of Chicago. These are positively the most stylish clothes ever shown in London. A statement we'd like you to come and let the clothes prove to you. You're free to look at them and try them on without buying if you can leave such clothes that way.

THE LATE MR. BARNES.

Mr. John Barnes, whose death occurred at the family residence, York street, on Tuesday, was a native of East London, where he was born 35 years ago. He was the second son of the late Mr. Edward Barnes, and with the exception of a few years he spent his entire life in this city. While working as an electrician in Chicago a year ago he was taken ill with spinal trouble, and although able to be about until within a short time of his death he never fully recovered. Mr. Barnes was a member of Court Forest City, No. 5744, A. O. F., and of St. John's Lodge, No. 20, A., F. and A. M., both of which were largely represented at the funeral. The pallbearers were chosen from the two orders, Messrs. J. G. Tambling (master), Richard Booth and John Rankin representing the Masons, and Messrs. T. C. Bartlett, R. Timson and Fred Bartlett, the Foresters. The services at the house and grave were conducted by Rev. T. T. Shields, of the Adelaide Street Baptist Church. Among the floral designs placed on the casket were a pillow from the Masons and a wreath from the Foresters. Mr. Barnes is survived by two brothers—Thomas, of Toronto, and Edward, of Flint, Mich., and two sisters, Mary and Martha, at home. Another sister, Miss Emma, died after a very brief illness a few months ago. The late Mr. Barnes had very many friends, who will regret his death.

SIDEWALK SEASON CLOSED

Not Likely That Any More Will Be Laid This Year.

At the meeting of the board of works last evening, a number of petitions for cement walks were received.

Some of the walks were very badly needed, the ratepayers being anxious to have them laid this year, but they will very likely have to be postponed until next summer.

The sidewalk gangs are now engaged finishing up a few walks in different parts of the city, and owing to the arrival of the cold weather, no more than is absolutely necessary will be done.

WEDDING IN WALNUT

Miss McGugan the Bride of a Popular Resident of Komoka.

Wedding bells rang for one of Komoka's popular young bachelors this week, when Mr. Peter Lamont was united in marriage to Miss McGugan, of Walnut. The ceremony took place at the home of the bride's parents, and was performed by Rev. Mr. Bell, of Napier.

The bride was attended by her sister, Miss Jane McGugan, while Mr. Campbell Carmichael supported the groom. After the ceremony was performed and congratulations tendered to the happy couple a very choice repast was served to the large number of guests who were present from different places, among whom were Mr. and Mrs. D. Lamont and daughters, of Caradoc, and Mr. and Mrs. J. Lamont, of Lobo.

The young couple are very widely known in this section, as Mr. Lamont has resided here for nearly 26 years as a farmer and cattle dealer, while Miss McGugan taught school in this vicinity. They were the recipients of many very valuable and useful presents, one being a large check from the groom's mother, also $100 from the bride's parents.

The happy couple left for a trip to Port Huron, Detroit and other places. They will be at home to their friends
