THE VICS. VANQUISHED.

A SPLENDID GAME OF FOOTBALL AT BERLIN.

The Rangers Victorious by One Goal to Nothing—Dog Sports Club Races at Woodbine Park—George and Myers in Training.

BERLIN, April 26.—One of the finest and most interesting games that has taken place here for some time was played this afternoon between the Victoria F. Club, of Toronto, and the Berlin Rangers, of this town, and resulted in a victory for the Rangers by one goal. Following were the teams:

Rangers—Goal, Thibadeau; backs, Shantz and Breubacker; half-backs, Killer, McDougall; centre forwards, Forsythe, Sheppard; left forwards, Bingham, Winn; right forwards, Gibson, Doll.

Victorias—Goal, Beddoe; backs, G. Parkes, Wood; half-backs, Thompson, J. Parkes, center forwards, Meldrum, McCallum; left forwards, Kelleher, Bell; right forwards, McKinley, Anderson.

Umpires, Mr. Scully and Mr. Watson; referee, Mr. Herb, of St. Catharines.

The Victoria team were short of no less than five of their first eleven, and it was a matter of surprise that they held their own in the manner they did with such a veteran team as the Rangers. As it was, they actually scored a goal, which was not allowed on the plea of an improper "throw in" from the touch line.

In the first half, honors were pretty evenly divided, though the "Vics" had the wind pretty much in their favor, and made some good rushes on the Berlin goal, but the only Breubacker was there and repulsed all favors of that nature with success. During the first half neither side succeeded in scoring.

In the second half matters became still more interesting, as the Rangers had the wind in their favor and were pushing the "Vics" pretty hard. Wood on the defence got in some noble work. To even matters, sometime after the start the Rangers secured a corner kick, which was neatly placed by Bingham and headed through by Gibson, scoring the only goal allowed during the match. Shortly afterwards the "Vics" made a concerted rush on the Berlin goal "and scored, but the claim was disallowed" on the technical point of an improper "throw in," though both teams played the ball after. Near the finish the Rangers made some close runs on the "Vics" goal, and once during a scrimmage the Rangers claimed a goal, asserting that the goal-keeper was behind goal when he stopped the ball. After considerable discussion, during which the rules and duties of a referee were freely discussed, by each player from his own point of view, the goal was not allowed, and play was resumed. The point was, whether the referee could give a decision without appealing to the umpires. Towards the finish the game became more exciting, and the numerous spectators seemed well pleased with the match, and especially the result. As is quite natural, the good people of Berlin profoundly admire their veteran football team.

The "Vics" were well pleased with the courteous and gentlemanly manner in which the Rangers as usual treated them. On May 8 the Rangers play their return match with the "Vics" in Toronto, when one of the finest games of football that has yet been played will be witnessed, as both clubs will have their best men.

Toronto Dog Sports Club Races.

If there is a more disgraceful road in Christendom than the Kingston road just now, it would really be worth traveling miles to see, just to make a note of the positive extreme to which a Mayor and Council can go in neglect of a manifest duty. However, several hundreds braved the hardships of the journey to Woodbine and were well recompensed by enjoying a capital afternoon's sport. There were ten races provided by the Toronto Dog Sports Club for the delectation of its members and friends. These brought out no less than 53 dogs, and were productive of some exceedingly keen contests, the result being as follows:

GREYHOUNDS (flat race)—1st prize, silver medal; second, bronze medal; 250 yards. Jos Smith's Prince won first and J G Kent's Robert the Devil second; four others started.

SETTERS (flat race)—1st prize, silver medal; second, bronze medal; 250 yards; D G Lorsch's Jack first; E C White's Sport second; nine others started.

SPANIELS—First prize, silver medal; second prize, bronze medal; 200 yards; J Hatch's Diver first, J Goss' Chick second; two others started.

POINTERS—First prize, silver medal; second, bronze medal; 200 yards; J Ayre's Spot first, J Taylor's Spot second; two others started.

TERRIERS (over 15 lbs.)—First prize, silver medal; second, bronze medal; 200 yards; J Braun's Rob first, G H Cooper's Toby second, J W Smith's Jack third; on the first attempt a dead heat occurred for second place, the run off resulting as given.

TERRIERS (under 15 lbs.)—First prize, silver medal; second prize, bronze medal; 200 yards; H Piper's Baxter first, J Millett's Spot second, R G W Conolly's Jess third; four others started. A protest was entered against Baxter on the ground that he was over weight, and then a protest was entered against all the dogs on the same ground. The matter will be decided at 5 o'clock this afternoon, when the owners of the dogs are requested to appear at Joe Taylor's Dog and Duck, Colborne street, for the purpose of having their dogs weighed.

MISCELLANEOUS CLASS—First prize, silver medal; second, bronze medal; 200 yards—J. W. Smith's Jem first, W. R. Oyer's Don second; two others started.

SPECIAL for fox-terriers, 200 yds.—Prize silver cup; J. Millett's Spot first, R. G. W. Conolly's Jess second. Very close and exciting race, Spot winning by a head only.

SETTERS (hurdle race)—Prize, Woodbine Cup, to be won twice by the same dog, 550 yds. D G Lorsch's Jack first, E C White's Sport second, F A Sullivan's Belle third: five others started.

GREYHOUNDS (over hurdles)—Prize, the Easter Plate, 250 yds. J Jos Smith's Prince first, D G Lorsch's Lill second and A Gothard's Wise third; two others started.

MATCH race, 550 yds.—D G Lorsch's setter Jack beat J W Smith's spaniel-retriever Jem.

The Committee of Management did their work well, and if the officers of the day had been a little more brisk in getting the events off there would be absolutely no ground for complaint.

Fair Balls.

A Canadian bookmaker of some repute was asked yesterday what he thought of the chances of members of the International League Clubs now that more or less of them had shown their mettle. "Well," said he, "if I were making a book, which I am not, I would about make the quotations for the pennant run: 2 to 1 against Syracuse; 3 to 1 against each Hamilton and Rochester; 5 to 1 against Toronto; 8 to 1 against each Oswego and Utica; 15 to 1 against Binghamton and 30 to 1 against Buffalo."

The Torontos and Syracuse University Teams are trying to secure Star Park for a game May 3.—Syracuse Courier.

The Maple Leaf players have been ordered by telegraph to report immediately. This ought to put a stop to their alleged uneasiness. They are likely to arrive Tuesday or Wednesday.—Guelph Mercury, April 24.

George and Myers.

From the N. Y. Sun.

Myers takes his daily exercise over the Manhattan Athletic Club's track. The New Yorker never moved faster than at present in his preliminary work. After sprinting with the runners on these sunshiny afternoons he lets himself out for long pulls, finishing in fast time and well within himself. A few days ago he tried a half mile with Thomas Delaney, ex-champion. The pair started off at a lively clip, Delaney taking the lead in the first lap. Myers then glided past Delaney like a phantom, finishing easily in two minutes.

Myers says very little about his hopes and chances of beating the Englishman, but from the glitter in his eye when the lads talk about the Englishman's desire to take the emblem of the middle-distance championship of the world home with him, it is evidently his fixed intention to keep the trophy from being exhibited in England.

George has worked himself into proper condition and shape by extensive walks over Ford ham Heights, and by running on the track of the New York Athletic Club at Mott Haven. He moves as rapidly, but with less ease, than his opponent. He is now limbering himself and filling his lungs with the invigorating air that rolls in over the breakers on the beach at Rockaway. He has strong confidence in his powers, and believes that he will win two out of the three races, and thus secure the $2000 in stakes and the championship.

If the men appear on the line in the condition which they now promise to be in, the races will be well worth going to see. The first race, May 1, will be 1000 yards; the second, May 8, three-quarters of a mile, and the third, May 15, 1100 yards. These distances are such as to decide the relative merits of the men.

The runners were not at their best when they met as amateur champions in the series of races on the Polo grounds in November, 1882. The weather was cold and ice and snow had to be removed from the track. The first race was at 880 yards, the second at a mile, and the last at three-quarters of a mile. Myers won the 880 yards, after being pushed by George until near the finish, in 1 minute 56 3-5 seconds. George captured the mile in 4 minutes 31 2-5 seconds, with Myers at his heels. In the deciding run of three-quarters George breasted the tape thirty yards in front of Myers in 3 minutes 10½ seconds. Both men fell into the arms of their friends when they had crossed the line.

Mr. Erastus Wiman says that he will be quite ready to run the Australian Cricket tour should the Australian team, which visits England this season, decide to return home via America.

Mr. John Oulcott of Eglinton wishes to back his dog Billy C. to run Mr. Shedden's greyhound Clothesline a handicap race for $200 over 200 yards, under Manchester rules, two weeks from signing articles, give or take expenses.

The final tie at Association football for the Challenge Cup and the championship of the Central Association will be decided on Saturday May 1 on the University lawn between Whitby and the Varsity. Mr. T. Gibson of the Toronto Football Club has consented to act as referee.

Eight of Senator Leland Stanford's trotters arrived at Louisville, Ky., yesterday, among them being Hinda Rose. Of 105 animals that started from San Francisco, to be sold in New York, six died en route to Chicago. One of these, a three-year-old, was worth $600 and the six $10,000.

At the annual meeting of the United States Lacrosse Association Saturday evening in the Astor House, New York, six new clubs were admitted to membership. The officers elected are: President, Erastus Wiman; First Vice-President, G G Boardman; Second Vice-President, James Fraser; Secretary and Treasurer, J A Hodge.

Mr. Wm. McDowall's shoot will be finished at Dan Bies's place, West Toronto Junction, to-day. On Saturday two teams and a half shot in the team competition, when rain put a stop to the proceedings. Three other teams will shoot to-day, starting at 10 o'clock, after which the nursery class will compete and the double rise contest will be decided.

The Rugby Football Match, played on Carter Square, Ottawa, yesterday afternoon, by teams from the College of Ottawa and the Royal Military College, Kingston, respectively, was won by the Ottawa College by 15 points to nothing. No goal was taken. The play was very rough and a good quantity of blood was shed. There were no serious hurts however. The Ottawa College boys outplayed their opponents at every point.

Sam Bittle was indicted for larceny at the Berlin Assizes last week. He was attending bar at an hotel in Galt, and an Italian gave him as he said $10 in payment for certain drinks, but that was stoutly denied by the prisoner, who said the sum paid was only 10 cents and the indictment was laid for the alleged appropriation of the $10. The evidence entirely failed in establishing the charge and the Judge directed an acquittal.

OUR OWN COUNTRY.

Items of General Interest Received by Mail and Wire.

Mrs. Peak of Point St. Charles was run over by a G. T. R. train and killed on Saturday.

David Campbell, of Westminster, committed suicide by swallowing Paris green on Saturday last.

Hamilton has granted no new licences this year, and proposes to lop off seventeen old ones.

Thomas Crowley of Downer's Corners, while on a spree, fell down a steep bank and received such severe injuries that he died two days after.

Mrs. Matte, charged with having poisoned her husband and child at Clarence Creek, near Ottawa, has been arrested and sent to jail to await her trial.

On Sunday morning an unknown man, who was stealing a ride on a freight train, was run over and killed in the G. T. R. yard at London. A cigar knife was all the property found on his person.

Ed. Langley, 15 years of age, robbed the house of Mr. Charles Smith, St. Catharines, of two gold watches and other jewelry to the value of $300. He then mounted one of Mr. Smith's horses and escaped.

A man named Williams shot at Bryan Mackie, of Little Current, wounding him in the left hand and thigh. Jealousy is the cause. A plug of T. & B. tobacco saved Mackie from a more serious wound.

William Martele and John Riley were arrested in the act of burglarizing a second-hand store in London on Sunday night. Each of the fellows had three suits of clothes on, the pockets of which were filled with jewelry.

Matthew Carrol, of Hamilton, while being arrested by Chief Stewart and Constable Campbell managed to mix things so that the Chief hit Campbell two or three energetic cracks on the head before he discovered that he was not hitting Carrol.

At Elbow River, N.W.T., an Indian shot at Mr. H. Atkinson because he laughed at seeing the Indian soused in the river from a pony's back. Two grains of buckshot entered Mr. Atkinson's shoulder. The Indian was promptly arrested by the Mounted Police.

Mrs. Richard Hall of Victoria, B.C., was thrown out of a runaway dog-cart, and, her foot getting caught between the whippletree and the body of the vehicle, she was dragged along the ground for over a mile. She only lived a few hours after being rescued.

Last week two men named Depres and Valtes, employed in taking stone out of the face of a cliff at Point Levi, were precipitated 100 feet by an avalanche of earth from the top of the cliff. Both were seriously injured; Depres, it is feared, fatally as his skull is fractured.

At Hamilton, Henry Shaw, Frank Spencer Sutherland and George Patterson have been arrested on a charge of stabbing John Lynch, a moulder, on Saturday night, and pretty near killing him. It is possible the wounded man may yet die and the prisoners be held to answer a charge of murder.

The other day a sad-visaged stranger was marching toward a train at the Moncton Depot, dolefully carroling "Heaven is my Home," when an impudent newsboy called out, "You are going the wrong way, stranger, that the train for St. John." The pilgrim went over to the other track and took the train for Halifax.

Two little fellows of the name of Budge, living near Manitou Lake, Manitoulin Island, found a bear in a tree. One of them stayed to keep bruin in the tree, while the other went for assistance. Their father and a neighboring lady, Mrs. McMillan, arrived about the same time, armed with a shot-gun and butcher knife respectively. After receiving a charge of buckshot the bear slid down the tree, until a muscular prod from the butcher knife in the hands of Mrs. McMillan made him scramble up again, when a second shot finished him.

A strange tragedy, that took place twelve years ago in the lonely woods of the North Shore of Lake Huron, is told in the Manitoulin Expositor of April 10. Seven men in the employ of Williams & Murray, lumbermen, of Blind River, while taking up a load of oats and provisions in a boat from an island station, camped one raw night in Spring on the banks of the river. To shelter them from the wind they piled the bags of oats in a dyke, behind which they lay down to sleep. The dyke toppled over during the night smothering them all. Mr. Murray found their bodies on the fatal spot ten days after.

The Hardman Piano.

The World paid a flying visit yesterday to the warerooms of the Hardman Piano, and by the number of persons inquiring prices and particulars regarding that instrument, it was easy to see that the Hardman is becoming known throughout Canada quicker than any instrument of the same kind ever introduced. Lovers of high class pianos will find in the Hardman their ideal. For tone, finish and durability they are unequaled. A cordial invitation to visit the warerooms is extended to the public by the representative, Mr. C. H. Bigger, 31 Arcade, Yonge street.

The Salvation Army Temple Opened.

—On Sunday a large congregation at all 3 meetings. They try to save the soul and no man helps them in their work more than H. L. Green, of 108 Shuter street, for he all the time satisfies the body with good wholesome board, great change of diet and perfect cleanliness. H. L. G. gives notice that house cleaning is all over at his house, the place being thoroughly renovated and is now ready for a few roomers. The outside appearances of the old houses are only a reflection of the inside cleanliness and order. H. L. G. is augmenting his staff of servants to be ready for a big rush of business this season, as the house, through its merits alone, ranks first in the Dominion of Canada, not only as a place where you can get a square meal, but where a young man can obtain a quiet boarding house with every comfort, without paying the extortionate prices charged by inferior places. The house is exclusively for gentlemen, although there are many ladies taking meals at the house and rooming out. The terms for table board will be $2.25 per week, at 106 Shuter street, until the 1st May. All registering before that time will have the advantage of remaining all summer at these prices. Room and board from $3.25 per week, 104 prices are $2.50 for table board and from $3.50 for room and board. If you want fun, good furnished rooms, solid comfort, good table, and you don't want to pay all your earnings for them, go to Green's, 106 Shuter street. Board payable *strictly in advance.* x

AMUSEMENTS.

The Cricket Club Theatricals.

It was easy to see by the large and fashionable audience in the Grand last night that the Toronto Cricket Club numbers among its friends the best people of Toronto. And for once in their lives at least these same friends could say that they have not been disappointed at the performance. The first piece, a little sketch called "That Dreadful Doctor" was cleverly pourtrayed by Mrs. R. D. Gamble of this city, and Messrs. Lane and Young, two young gentlemen from Montreal of considerable talent. The piece ran without a hitch. Like Yum-Yum, Mrs. Gamble could say, "I take after my mother." The other piece, "The First Night," brought out the dramatic strength of the Cricket Club, for Mr. W. J. Baines, Mr. Walter Townsend, Mr. Armour and Mr. Dunstan proved themselves even better actors than they are players of the game. Mr. Townsend did the old French actor to perfection, and he was ably assisted by Mrs. Townsend as Rosy Dufard. Miss E. Shanly played her part, that of a haughty stage favorite, with fire and skill. Like the previous piece, it ran smoothly. It can truly be said after last night's affair that amateur acting is looking up in Toronto.

The practices now announced are as follows: For sopranos and altos only, Thursday and Friday mornings at 10 o'clock; also Friday and Saturday afternoons, 2.30, at Philharmonic Hall. The evening general rehearsals will be Wednesday at St. Andrew's Hall for the second chorus; and Thursday at Philharmonic Hall for the central chorus. Those desirous of securing the second course of chorus tickets, will have to be present at the practices announced.

The Grenadiers at the Grand.

The box plan of the Grenadier performances opened yesterday at Nordheimers', and there was an immense rush for places. Before the day was over 1200 seats had been taken for the three nights' performances, so the affair promises to be a financial success, to say nothing of its dramatic results. The "boys" are hard at work under Mr. Humme with the Charge at Batoche tableau. The rehearsal last night at the Grand was highly satisfactory. The matinee plan will be opened Wednesday.

Amusement Notes.

If a sufficient number of citizens will sign the guarantee list, Mr. George Belford, elocutionist, will give an entertainment. He is well recommended.
