AWAIT COMPLETION OF LOAN NEGOTIATIONS

C. N. R. Will Then Take Steps for Settlement of Hamilton Entrance.

It was learned from a leading official of the Canadian Northern Railway yesterday that as soon as the transcontinental loan arrangements have been completed at Ottawa the Canadian Northern are to take steps for an immediate settlement of the question of the entrance into Hamilton with the Hamilton City Council.

"A start will not be made on the line between Toronto and Hamilton until the Hamilton entrance question has been definitely settled, even if it means that a start is not made until next year," said the official, "but we fully expect that an early understanding will be arrived at and that work on the new line will be under way this summer."

STARTED IN BASEMENT.

Commencing in the basement, fire did $500 damage to the contents of the Merchants Produce Co., at 57 East Front street at 9 o'clock last evening.

Disappointment Over Canceling Run With Hounds

The hunt yesterday was called off, but not until some ten riders had met at Todmorden on scheduled time. No reason was given. As it was a fine day everyone was disappointed, those qualifying horses for the hunters' class being the most so, as there is little enough time left now before the races. Some of those seen at the meet were: Bob Hodgson, on Tropolium; Bob Davies on Fair Annie; Norman Davies, on Queen Sain; Miss Davies, on The Whip, and Miss Maclean. Several other horses to be qualified were waiting for their riders to come. Among these was Jim L., who is qualifying for the hunters' flat, and looks to be in first-class shape.

SOCCER TEAMS IN FINAL PRACTICES FOR TOMORROW'S LEAGUE FIXTURES

Clubs Select Their Players for Various Games — Activity in Manitoba Association Football Circles — Soccer Notes.

Manitoba is all excited over the footballers these days, and the game is coming along nicely. At the meeting of the Manitoba Amateur Athletic Association the other evening they decided to act on a "hands-off" policy until the situation clears considerably. It was a wise move on their part and will do more to finally bring the two bodies together than anything. That they must come together eventually is accepted as a certainty by everyone, and there is no use of opening the breach any further than it is now. The following resolution was passed:

"This body shall take no action against the athletes who play under the jurisdiction of the Manitoba Football Association, to place them under any ban, or debar them from participation in other sports until such time as the association breaks any rule of the Canadian Amateur Athletic Union."

INDIAN DENIED TRYING TO KILL

Verdict of Simple Assault Against Man Who Fired at Superintendent.

Canadian Press Despatch.

QUEBEC, April 16.—The jury today returned a verdict of simple assault in the case of the Indian, Sayahanez, who was accused of attempting the murder of Mr. Lilley, the mechanical superintendent at the Quebec bridge, by shooting at him with a rifle. Sayahanez pleaded that he had been used to firearms all his life, and that he only shot to frighten Lilley, and not with any murderous intent. Had he wished to do so, he contended, he could have emptied his magazine into the superintendent before the latter could have turned round.

Crown Prosecutor Davidson charged the accused with being a perjurer of the worst kind, and too dangerous a criminal to be at large. He was followed by the judge, who charged heavily against Sayahanez, and said it had been proved that he had made more than one attempt to shoot Lilley. Crimes such as this, he urged, should not be allowed to go unchallenged or unchecked.

ISLAND POLICE STATION.

Lawrence Solman Denies Being Interested in Any Way in the Question of the Police Station on the Island.

Mr. Lawrence Solman, who returned from New York yesterday morning, when seen by a World man, laughed at the idea that he was taking any part, either for or against the establishment of a police station on the island. He stated that he had not given the matter any consideration, nor thought about it in any way, as it was none of his affairs, and that he was too busy getting his boats and park ready for the opening of the season, to pay any attention to other people's business.
