Amateur Boxing Tournament.

The addition of an extra class in the city amateur tournament was a popular innovation. The old 115-lb. class was always topheavy, and the division into 112 lbs. and 118 lbs. found plenty at both weights. There are eight divisions altogether, viz.: Bantam, 105 lbs.; feather, 112 lbs.; extra, 118 lbs.; special, 125 lbs.; light, 135 lbs.; welter, 145 lbs.; middle, 150 lbs.; and heavy, all over 158 lbs. As the first night, Oct. 26, is less than four weeks away, most of the prospective candidates are already well on in their training.

The Hygiene Kola Company of Toronto made a large shipment to Newfoundland this week of their celebrate Kola Tonic Wine manufactured from kola, celery and pepsin. It is a cure for indigestion and nervous troubles. Doctors recommend it to be a great tonic. Contains no alcohol.

Lawn Bowling To-Day.

Four hundred and eighty lawn bowlers will play to-day in the annual Toronto match, East v. West. The game starts at 2.30 and must finish by 5 o'clock. W. H. Hall, the Universal bowling secretary, deserves great credit for making arrangements for the monster contest. Sixty rinks a side compete on these lawns: Granite, Queen City, Prospect Park, Kew Beach, Canada, Victoria, R. C. Y. C. and Caer Howell.

A Tailor Who Cleans

is necessarily as skilful as the tailor who builds. For years I was a successful tailor. I also studied cleaning, pressing and repairing. I found the need so great for keeping in perfect shape and repair the clothes which others made that I made it my whole business. I am equipped with machinery, workmen and experience to make your last fall's suit or overcoat look like new. Ask about my weekly "Valet Service."
