On Tuesday next the Queen City Athletic Club will run an excursion via the Grand Trunk Railway System to the Fort Erie Race-Track, the occasion being the opening of the summer meeting of the Highland Park Jockey Club. The feature event will be the Canadian Derby, a mile and a quarter race for three-year-olds, in which the best horses at the track will be engaged. There will be a number of Canadian starters in the other events as well. Special train will leave the Union Station at 11.30 a.m., returning after the last race. Round trip tickets $2.

Turf Gossip.

W. M. Leonard and his horse Birdslayer were indefinitely suspended for inconsistent running by the judges at Highland Park, Detroit, on Thursday. Birdslayer won an easy victory yesterday after showing poor form the preceding day. It is a lucky thing for many horsemen in this neighborhood that such rulings are not followed out here. The provocation exists, nevertheless.

The weights have been announced for the Rhode Island Handicap, the feature race of the opening day of the meeting at Providence, on Monday. Claude is at top weight with 126 pounds, while following him comes Dolly Spanker 121, Red Knight 119, Tokalon 118, Toscan 116, Spring Time 115, Buttling 114, and so on down to Mirthless, with 90 pounds. The distance is 1 1-16 miles, and the stake has a guaranteed value of $2500.

Dufferin Driving Club.

The Dufferin Driving Club hold a special meeting on Monday night to make arrangements for the matinee on Wednesday, July 26.
