PROVINCIAL NEWS

WOLFVILLE, N. S., March 16.—A very interesting event to many people in these provinces took place on Friday evening, March 10th, at the Pelton, Cleveland, Ohio, when Andrew R. Cobb of Wolfville, was united in marriage to Miss Myrtle Seeley, daughter of Alfred Seeley, St. John, and sister of Mrs. Frank Wortman. The bride, who had recently arrived from Fredericton, accompanied by her father, who gave her away, looked very attractive in a handsome gown of white silk. The ceremony was performed by the Rev. Chas. D. Williams, in the presence of only the immediate relatives. After congratulations a dainty wedding supper was served. The table decorations were a profusion of yellow tulips. The newly wedded pair are well known here, as the groom, only son of Mrs. Mary Cobb, who was present at the wedding, resided here for some years, and was a student of Acadia College for three years. He graduated at the School of Technology, Boston, and has now a good position, with a well known firm of architects at Cleveland. The bride also has many friends here, as she was for some time a student at Acadia Seminary.

Many handsome and valuable presents were received by this popular young couple. The future residence of the bride at Cleveland was completely furnished by her father, while gifts of money and sterling silver were received from Mr. and Mrs. Hartshorne, Mrs. French and other wealthy relatives in New York, besides valuable oil paintings and cut glass from a host of friends.

Owing to the poor water supply the cotton mill is again running a crew by day and another by night. The whole mill cannot be kept running the full day and the fear is that since the streams and lakes froze over this winter at low water, there will be less than the usual spring supply without very heavy rains.

David Russell Withdraws From Lake of the Woods Milling Company

MONTREAL, March 22. — The Lake of the Woods Milling Co. has re-organized, David Russell having withdrawn from the firm.

Russell and his friends, two years ago, secured a controlling interest in the common and preferred stock, and bonds to the value of five million dollars were issued in place of the former capital of one million five hundred thousand. The Russell party secured a large block of common stock, of which a syndicate is said to have purchased 141,000 shares at $85 per share.

The price of preferred stock has risen from 114 to 127½ in the last few days and Russell is believed to have made between $300,000 and $400,000 through his financial organization of the company two years ago.

Of the shares disposed of by the Russell party, Robert Reford, Robert Meighen and James Crathern are said to have taken five thousand and Toronto capitalists the rest.

It is stated that a plan is under way to consummate the long discussed amalgamation with the Ogilvie Co.

If it's the Kidneys,

"Sun" Kidney Pills

will cure you

A man with weak kidneys is a weak man. The least exertion—the slightest departure from a rigid diet—a cold—aggravates the kidneys and puts the sufferer in a bed of pain.

Newcastle Bridge, N.B., July 29th, 1904.

"I contracted Kidney Trouble about 20 years ago. Since then, when I overexerted myself or got a cold, I would be a constant sufferer from pains in back and hips and soreness across the loins.

I was extremely weak, very nervous, and had no appetite. I scarcely got a full night's sleep, and if I tried to work an hour a day, would suffer severe pain. I tried every remedy recommended for Kidney Trouble but none relieved me.

At last I was persuaded to use "Sun" Kidney Pills, and bought three boxes. Before I had finished the second box, I slept well, the pains grew less, and now after taking eight boxes, I think I am as well a man as I could reasonably hope to be at my age."

CHARLES R. WATT.

This is no uncommon case, or uncommon cure, with "Sun" Kidney Pills. The excruciating pain—the weakness—the lost vigor and vitality—are all due to kidney trouble. "Sun" Kidney Pills go to the seat of the trouble—make the kidneys well and strong. They relieve the pain—protect these vital organs from taking cold—clear the urine—stop the frequent desire to urinate—enable one to sleep through the night without arising three or four times, as many sufferers from kidney trouble do.

Save yourself from Diabetes and Bright's Disease. Win back health and strength with "Sun" Kidney Pills.
