Watch Accuracy

LONG before and ever since the time of William Tell accuracy has characterized the Swiss workman. It took the infallibility of American automatic machinery to match him at watch work. Now he gets back at them by automatic machinery of his own, adding superb finish in every part of the watch. This store has examined the claim that these watches are an accurate reproduction of the highest class American work and absolutely endorses the guarantee. We distributed a hundred of them some months ago. Here's the second hundred just in the nick of time for Christmas presents. This quality of watch is regularly sold for

112 LOADS AT CITY MARKET QUALITY GENERALLY POOR

Hog Prices Again Advance—Now $6.37 1-2 Cwt—Sheep, Lambs, Calves Firm.

Receipts of live stock since Tuesday, as reported by the railways, were 112 car loads, composed of 1594 cattle, 1769 sheep and lambs, 2558 hogs and 70 calves.

The quality of fat cattle was disappointing to those dealers who wanted something good for the Christmas trade, as the bulk was of common to medium class. The few good to choice cattle were readily bought up.

As there was a large number of buyers from outside points, there was a fair trade, but prices were low, as will be seen by the sales given below.

Exporters.

A few export bulls sold at $3.65 to $4. The few odd lots of cattle heavy enough to export were bought for butcher purposes, but few of these were of good quality.

Butchers.

The best butchers' cattle sold at $4 to $4.30 and there were few that brought the latter price; medium butchers' sold at $3.60 to $3.90; common at $3.25 to $3.50; cows, at $2.70 to $3.65; canners, $1.25 to $2.25.

Feeders and Stockers.

Harry Murby reports the run of stockers and feeders on the market to-day as fair, but the demand for them being limited, trade was inclined to be slow. Mr. Murby reported the prices for the different classes as follows: Best feeders, 1000 to 1150 lbs. each, at $3.40 to $3.80; medium feeders, 1000 to 1150 lbs., at $3.25 to $3.65; feeders, 850 to 1000 lbs., at $3.15 to $3.50; best stockers, 600 to 800 lbs., at $2.90 to $3.12½; common light stockers, at $1.75 to $2.25; stock heifers, at $2.25 to $2.75.

Milch Cows.

James Armstrong, one of the largest dealers in milch cows and springers, reported about 50 cows as being on the market today, the bulk of them being springers. Mr. Armstrong reported the trade as being good, he having bought 63 during this week at prices ranging from $42 to $60 each. Prices ranged all the way from $30 to $60 each.

Veal Calves.

About 70 calves were sold at $3 to $6 per cwt. A few prime veals were reported as having brought $6.25 per cwt.

Sheep and Lambs.

Deliveries of sheep and lambs were liberal. Prices were firm all round, as follows: Export ewes, at $4 to $4.30; bucks, $3 to $3.50 per cwt.; lambs ranged all the way from $5 to $5.85 for the bulk, but choice picked lots of ewes and wethers sold at $5.90 and $6 per cwt.

Hogs.

Mr. Harris reported another advance in prices of 12½c per cwt., having paid $6.37½ for selects, fed and watered, and $6.02½ off cars; lights and fats, 25c per cwt. less than the above quotations; sows, $5 per cwt. Mr. Harris reports prices as being firm all round.

Unveiling of Memorial to S. S. Atlantic Victims.

Halifax, Dec. 7.—(Special.)—A handsome monument was unveiled at Terrance Bay to-day in the presence of a large concourse of people, which was erected to the memory of 562 men who lost their lives in the wreck of the White Star SS. Atlantic in 1873.

The unveiling was performed by Rev. J. W. Ancient, secretary of the diocese of Nova Scotia, who rendered valuable assistance at the time of the disaster.

A short special service was held in church at Terrance Bay at 1.30. Many from Halifax were present at the ceremony.

The monument which is an obelisk of Nova Scotia granite, is 8 feet high and rough hewn. A marble tablet let into the front bears the following inscription:

"Near this spot was wrecked the SS. Atlantic, April 1, 1873, when 562 persons perished, of whom 277 were interred in this churchyard. This monument is erected as a sacred memory by a few sympathetic friends."
