Parlian Plug Cut

is not a "cheap" tobacco; it is manufactured from the finest tobaccos procurable, and is placed on the market not for a day or a year but for "all time." Those who have tried it pronounce it a remarkably fine, cool and sweet smoking tobacco. As its merits become known, the demand increases. Many years' experience in handling tobaccos with every facility for manufacturing and purchasing, insures the smoker a good article at a price consistent with the quality of same. D. Ritchie & Co., Montreal, the oldest cut tobacco manufacturers in Canada. 136

Hard and soft corns cannot withstand Holloway's Corn Cure; it is effectual every time. Get a bottle at once and be happy.

Comparisons and Examples.

To thoroughly appreciate an article it is necessary to compare it with others. Not until the "Athlete" made its appearance in the market were cigarette smokers enabled to judge of the vast difference that exists in tobaccos. Result—the "Athlete" in a very short time proved its superiority by outselling the oldest and most extensively advertised brands of cigarettes in the market, notwithstanding the prices (9) that were offered as bait to those unfamiliar with this brand. Our sales are simply enormous and constantly increasing. The only inducement we offer smokers is a superior article at a fair price. D. Ritchie & Co., the largest cigarette manufacturers in Canada. 136

A. D. Noyes, Newark, Michigan, writes: "I have enquired at the drug stores for Dr. Thomas' Eclectric Oil, but have failed to find it. We brought a bottle with us from Quebec, but it is nearly gone and we do not want to be without it, as my wife is troubled with a pain in the shoulder and nothing else gives relief. Can you send us some?"

Mr. T. J. Humes, Columbus, Ohio, writes: "I have been afflicted for some time with kidney and liver complaint, and find Parmelee's Pills the best medicine for these diseases. These pills do not cause pain or griping, and should be used when a cathartic is required. They are Gelatine coated and rolled in the flour of Licorice to preserve their purity, and give them a pleasant, agreeable taste.

Some persons have periodical attacks of Canadian cholera, dysentery or diarrhœa, and have to use great precautions to avoid the disease. Change of water, cooking and green fruit is sure to bring on the attacks. To such persons we would recommend Dr. J. D. Kellogg's Dysentery Cordial as being the best medicine in the market for all summer complaints. If a few drops are taken in water when the symptoms are noticed no further trouble will be experienced.

One trial of Mother Graves' Worm Exterminator will convince you that it has no equal as a worm medicine. Buy a bottle, and see if it does not please you.

A perfect complexion, free from pimple or blemish, is very rarely seen, because few people have perfectly pure blood. And yet, all disfiguring eruptions are easily removed by the use of Ayer's Sarsaparilla. Try it, and surprise your friends with the result.

Few children can be induced to take physic without a struggle, and no wonder—most drugs are extremely nauseating. Ayer's Pills, on the contrary, being sugar-coated, are eagerly swallowed by the little ones, and are, therefore, the favorite family medicine.

Mr. John McCarthy, Toronto, writes: "I can unhesitatingly say that Norton's Compound Vegetable Discovery is the best medicine in the world. It cured me of Heartburn that troubled me for over thirty years. During that time I tried a great many different medicines, but this wonderful medicine was the only one that took hold and rooted out the disease."

A remedy that is of such benefit in cases of indigestion, neuralgia, loss of appetite, dyspepsia, as Dyer's Quinine and Iron Wine, is worth gold; it is easily taken by the weakest invalid. W. A. Dyer & Co., Montreal.

—Caswell, Massey & Co's Emulsion of Cod Liver Oil with Pepsin and Quinine, is recognized as the best preparation known. Prescribed by the leading physicians. W. A. Dyer & Co., Montreal.

Women from their sedentary habits are often subject to headache and constipation. These are quickly removed by Carter's Little Liver Pills. 246

The action of Carter's Little Liver Pills is pleasant, mild and natural. They gently stimulate the liver and regulate the bowels, but do not purge. They are sure to please. Try them. 246

Ministers, lawyers, teachers and others whose occupation gives little exercise, should use Carter's Little Liver Pills for torpid liver and biliousness. 246

Your Children

Are constantly exposed to danger from Colds, Whooping Cough, Croup, and diseases peculiar to the throat and lungs. For such ailments, Ayer's Cherry Pectoral, promptly administered, affords speedy relief and cure.

As a remedy for Whooping Cough, with which many of our children were afflicted, we used, during the past winter, with much satisfaction, Ayer's Cherry Pectoral. For this affection, we consider this preparation the most efficacious of all the medicines which have come to our knowledge.—Mary Parkhurst, Preceptress, Home for Little Wanderers, Doncaster, Md.

My children have been peculiarly subject to attacks of Croup, and I failed to find any effective remedy until I commenced administering Ayer's Cherry Pectoral. This preparation relieves the difficulty of breathing and invariably cures the complaint.—David G. Starks, Chatham, Columbia Co., N. Y.

I have used Ayer's Cherry Pectoral in my family for many years, and have found it especially valuable in Whooping Cough. This medicine allays all irritation, prevents inflammation from extending to the lungs, and quickly subdues any tendency to Lung Complaint.—J. B. Wellington, Plainville, Mich.

I find no medicine so effective, for Croup and Whooping Cough, as Ayer's Cherry Pectoral. It was the means of saving the life of my little boy, only six months old, carrying him safely through the worst case of Whooping Cough I ever saw.—Jane Malone, Piney Flats, Tenn.

Ayer's Cherry Pectoral,

Prepared by Dr. J. C. Ayer & Co., Lowell, Mass. Sold by all Druggists. Price $1; six bottles, $5.

No Use for Brown-Sequard's Elixir of Life.

Mr. James Thomson of Logan-avenue, who was afflicted with Dyspepsia and Nervous Debility and whose condition had become so bad, after having been treated for a long time by the best physicians of Glasgow, Scotland, who told him he could not be cured, came to Canada hoping that a change of climate might, if it did not effect a cure, at least lessen his suffering, but this hope was not realized, and he was advised to try the physicians at 198 King-street west; he took the advice and on Jan. 30, 1888, consulted us. His condition at that time was really deplorable, he was a man without hope, he had tried everything recommended by his acquaintances without receiving any benefit, and had lost confidence in everything and everybody and told the physicians whom he called on here that it was his last experiment and if it failed he would not take any more medicine but would endure his suffering until death relieved him. He was unable to work, the least exertion tiring him completely; his pulse was 110, had no appetite, the thought of food producing nausea and sometimes vomiting; had a nasty hacking cough with a choking sensation in the morning. He had all the symptoms of Advanced Catarrh and Chronic Dyspepsia, with all the distressing and alarming symptoms of Nervous Debility added; and anyone who has ever been affected with any symptoms of the latter, even in a mild form, will have an idea of the terrible condition and suffering of one who is a victim of this awful disease in its worst form.

Mr. Thomson is perfectly well now, says he has no use for Brown-Sequard's Elixir of Life, and will be pleased to talk to anyone who may wish to satisfy themselves as to the particulars of this case. He lives in the first house on the west side of Logan-avenue, north of Queen.

CATARRH HAY FEVER CATARRHAL DEAFNESS

A NEW TREATMENT.

Sufferers are not generally aware that these diseases are contagious, or that they are due to the presence of living parasites in the lining membrane of the nose and eustachian tubes. Microscopic research, however, has proved this to be a fact, and the result of this discovery is that a simple remedy has been discovered which permanently cures the most aggravated cases of these distressing diseases by a few simple applications made (generally apart) by the patient at home. A pamphlet explaining this new treatment is sent free by A. H. DIXON & SON, 337 and 339 West King Street, Toronto, Canada.

BREAKFAST.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well-selected Cocoa, Mr. Epps has provided our breakfast tables with a delicately flavored beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to attack wherever there is a weak point. We may escape many a fatal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—Civil Service Gazette.
