TORONTO WINS THE FINAL

Game With Rochester on Saturday Afternoon By Thirteen to Four.

BRUCE PITCHED A STAR GAME

And Buckenberger's New "Phenom" Fares Somewhat Badly at Hands of Home Club.

Toronto made a runaway game with the Rochesters at Diamond Park Saturday. Barrow pitched Bruce against Buckenberger's latest "phenom," and there was nothing in it but Toronto. The locals pounded the ball for 14 singles, 5 two-baggers and 2 triples, while the Rowdies secured but four singles and a doubtful triple on the right boundary. Base-stealing was disastrous, Bemis and Phelps cutting off four each, altho the locals got away with four from their numerous opportunities.

AMERICA'S CUP RACES POSTPONED.

First Contest Will Likely Be Sailed Sept. 28—Sir Lipton's Sorrow.

New York, Sept. 15.—The America's Cup races, scheduled to begin next Saturday, Sept. 21, will be postponed on account of the death of President McKinley, but the date to which they are postponed will not be determined until the Challenge Committee of the New York Yacht Club can be gathered in town for a consultation with Sir Thomas Lipton. It may be said on the authority of a member of the New York Yacht Club that no one in the club has proposed an adjournment of more than two weeks from next Saturday, and that the general feeling is that no more than a week's delay will be suggested at the meeting of the Challenge Committee.

"We have made a definite contract with Sir Thomas," said the member, "and under it he has been spending large sums of money. To impose any needless delay upon him would be wholly unfair. A proper respect for President McKinley requires that we do not enter upon this series of sporting events until he has been buried. But when he has been laid at rest the obligations of a business contract become binding. I am confident that the races will be delayed no more than a week—that is, to Sept. 28—if they are delayed that long."

The news of the death of the President reached Sir Thomas early yesterday morning, and he at once ordered the flags on his fleet set at half-mast.

Sir Thomas expressed his sorrow for the death of the President very earnestly.

"The news was all the more painful to me because I had come to believe he was on the way to recovery. I could not feel it more if I were an American citizen."

It was learned that while Sir Thomas might remain here for a considerable time, Commodore Hillard, Designer Watson, Col. Crawford and the Hon. Charles Russell cannot possibly remain for the races, shou'd they be postponed more than a week or thereabouts.

When the matter of the official notification that Columbia was to defend the cup was mentioned at the New York Yacht Club last night, it was said that the paper was sent to Mr. Kelly of the Royal Ulster Yacht Club as early as 9 o'clock yesterday morning. The notice of Sir Thomas' was mailed to him at Sandy Hook at about the same time.

Shamrock was towed up to the Erie Basin late in the afternoon. She will go into dry-dock this morning. She is expected to remain at the basin until Thursday, when she will be measured for the races.

CAPITALS BEATEN AT MONTREAL

Nationals Won Lacrosse Game by 5 to 2—Large Crowd Present.

Montreal, Sept. 15.—The Capitals, much to the surprise of everybody, were defeated by Nationals in the championship series on Saturday afternoon by 5 goals to 2. There was a large crowd present to witness the match. The Nationals did splendid work, had the best of the playing in the first part of the match, and succeeded in scoring five goals before the Capitals had scored one. The Capitals woke up when it was too late. In the sixth game Lachapelle drew, and the Capital defence were on the alert. The play was a little rougher than it had been, and Marcelin was given a rest for losing his temper. But even with the advantage in numbers the Capitals were kept on the defensive for a couple of minutes. Robertson cleared, and Starrs brought the ball right in and passed to Woods. Powers was standing at the side, and would likely have scored had he been given a chance. Woods thought he could score himself, but his shot went wide. A minute later in a mix-up back of the Capital goal Butler cross-checked Robertson and was sent to the fence. The Capital home made desperate efforts to score, and after some good work on the part of the two Murphys and Jack Powers, Ed. Murphy put in a shot that counted, and Capitals had at least avoided a whitewash. The game now became very slow, the Nationals feeling safe in the lead they had attained, while the Capitals saw that it was impossible to do anything like evening the score in the short playing time that remained. The Capitals, however, managed to run in another score, but the game was practically over at this stage, and ended with a defeat for the Capitals, the score standing 5 goals to 2 against the men from Ottawa. Percy Quinn officiated as referee. The teams lined up as follows:

Capitals (2)—Goal, Hutton; point, Robertson; cover, Shea; defence, Moore, Banks, Butterworth; centre, Starrs; home, Westwick, Wood, E. Murphy; outside, P. Murphy; inside, Powers; captain, P. Green; umpire, P. Murphy.

Nationals (5)—Goal, L'Heureux; point, Joe Valois; cover, Alph aloie; defence, Marcelin, St. Aubin, Blanchard; centre, Lachapelle; home, Dulude, Cattarinich, Hoerner; outside, Butler; inside, O'Reilly; captain, P. Welsh; umpire, T. O'Connell.

Hespeler Beat Galt.

Hespeler, Sept. 14.—The Galt Manchesters' lacrosse club made many changes in their team for the game to-day with Hespeler, which was played on neutral grounds in the Preston Park. The defeat of the Galt team last Saturday was sorely felt, and they made a determined effort to regain their prestige. There was some rough play on the part of the Galt team, which was quickly suppressed. At half time the score was a tie, 2 goals each. The Manchesters failed to score after that, and Hespeler, putting in another goal, won by 3 to 2. About 400 spectators witnessed the game, which was a good one.

Durnan Out for a Spin.

Winnipeg, Sept. 15.—(Special.)—Eddie Durnan, the Toronto oarsman and sculler, arrived on the Imperial Limited Saturday. He brought, with him his favorite shell, and shortly after his arrival went out for a trial spin on the Red River. He says that the course is very satisfactory for a race.

No St. Simon's-Toronto Match.

The secretary of St. Simon's C.C. writes: The match between St. Simon's and Toronto Cricket Clubs was not played on Saturday afternoon, as arranged, owing to the Torontos not putting in an appearance, which, to say the least, was very unsportsmanlike and greatly inconvenienced the St. Simon's Club.

Shamrock Helps Constitution.

It is rather to be regretted that the yacht race between the Shamrock and the Constitution is postponed. Many persons here thought the Shamrock would prove quite good enough for the Constitution.

Shamrock Ale is certainly good for the constitution. It comes from Taylor's up-to-date liquor store, 205 Parliament-street, and it leads all competitors. All ales, wines or liquors ordered from Taylor give satisfaction. A phone order to main 585 will secure prompt attention.

Jim Corbett will do a monologue turn at Shea's the week of Oct. 7.

NIGHT OWLS AND CADETS TIE.

Intermediate and Juvenile League Games and Exhibition Games.

A big crowd turned out to the league games at Old U.C.C. grounds on Saturday afternoon and witnessed two very fast games. The first, between the Owls and Cadets, had a very exciting finish. The Cadets bunched hits in the eighth and tallied four runs, tieing the score. Both teams scored one in the ninth, leaving it still a tie, and time being up the game was called off. Both Hickey and Molson pitched good ball and were given good support. The second game, between the Crescents and Park Nine, was good, the Park Nine having all the best of the hitting and winning by 6 to 0. Bill Pearson, for the Park Nine, pitched a grand game, and Claud Armstrong, with the exception of the fifth innings, pitched good ball. Billy Benson at third for the Crescents played a strong game, and Coxy Williamson, the Park Nine backstop, was at his best. A feature in the second game was a running one-hand catch by Bert Creller of a long drive to deep left field by Doc Shepherd. The scores:

AUTOS RACED FROM NEW YORK

Finished at Rochester Instead of Buffalo.

Buffalo, Sept. 15.—Sorrowing with the nation over the great calamity that has fallen in the death of President McKinley, the American Automobile Club yesterday morning, on receipt of the news of the fatal termination of the President's unequal battle, decreed off the big automobile run from New York to Buffalo. The chaffeurs had progressed, with much hardship, day by day, with gradually dwindling ranks, from control to control, over the long road laid out from New York to Buffalo, and it was anticipated that the final day run yesterday would be the best of the week, and would find a splendid finish to the endurance test in this city. With the announcement of the close of the race came the further information that the endurance test would be considered ended at Rochester, as the natural terminal point, and that certificates of merit would be awarded on that basis. The list follows:

Arrivals at Poughkeepsie, 71.
Left Poughkeepsie, 70.
Arrivals at Albany, 65.

ENGLISH VARSITIES WON EASILY.

McGill and Toronto Athletes Outclassed by Oxford-Cambridge.

Montreal, Sept. 14.—The Oxford-Cambridge athletic team met representatives from McGill University, Montreal, and Toronto University to-day, and easily outclassed them, the Canadians only winning one event out of nine, the quarter-mile, in which Morrow of McGill took the lead at the start and managed to maintain it in a bruising finish with Barclay. The half-mile was the race of the day. Workman did not duplicate his remarkable performance of last Saturday, when he equalled the Canadian record, but he came very near it. Cleave of Oxford was second, while Molson of McGill finished third, badly winded. Orton of Toronto dropped out. May's throwing in the 16-pound hammer event was a feature of that event. In the running high jump the Canadians were nowhere. Smith cleared six feet easily, but failed at six feet two. A big crowd saw the games, the weather being fine, tho a brisk wind militated against record-breaking performances. To-night the English athletes are being entertained at dinner by the McGill men. They leave on Monday for New York, via Niagara Falls. Summaries:

Gosip of the Turf.

A thorobred mare recently met her death in Kentucky in a strange manner. She was owned near Greenup, that state, and one day was quietly grazing beneath a large tree when a "blue racer" snake dropped from the branches onto her back and then twined itself around her neck. She started on the run, and, becoming more and more frightened, ran till she dropped dead from exhaustion and fear.

President Hendrie of the Highland Park Club, lessees of the Fort Erie track, says that an offer for the Louisville track has been made and that if the Highland Park Club's terms are accepted by Track Owner Douglas of Louisville, a two weeks' meeting will be held in the southern city, following a brief season of racing at Highland Park, Detroit, after the Toronto meeting.
