### LOCAL NOTICES.

—Three car loads of Hay were shipped from Branch last week.

—Some clothing was stolen from John Knutson's tailor shop, Wroxeter, on the night of the 24 Oct.

—On the evening of Nov. 1st, some parties, wantonly inclined, shaved the tails off a span of horses belonging to Mr. Molholland, miller, Ratzburg, Mc-Killop.

—In the vicinity of Wroxeter a strong feeling favorable to the Dunkin Act prevails.

—Mr. George Erwin has sold his farm of 45 acres, situated near Wagner's corners, Stanley, for $2,700. The purchaser is a gentleman from the vicinity of Listowel.

—Mr. Wm. Port, on the 4th inst., shot a 350 lb. bear near Henfryn.

SEAFORTH.

Armstrong's book store was entered by thieves a few nights ago, and $11 stolen. Several parties in the vicinity of office were tampered with, but nothing taken. The following night T. Lees grocery store was burglarized to the extent of three 25-cent plugs of tobacco.

A number of agents are now travelling through the county from one house to another, offering for sale cloths and other articles of dry goods at fabulously low prices, which they represent as being "drapery goods damaged by water, hooks, &c. in transit from Liverpool to Montreal during the past season, on the steamships of the Allen Line." These parties also represent themselves as agents of Messrs. Robinson, Bingham & Co., Commission Salvage and Ship Brokers, 132 Castle street, Liverpool. We are informed upon the most reliable authority that there is no such firm as that above named doing business in Liverpool, and further-more that there have not been any goods damaged by water &c., while in transit from Liverpool by the Allen Line this season. When such misrepresentations as we have referred to are made in the printed circulars of those parties, our readers can form their own conclusions as to the quality of the goods they sell, and it would be wisdom for them to beware of all such customers.

### Lumber Notes

Prices are improving.

Messrs Secord Cozzens & Co, will receive some large shipments before the close of navigation.

A somewhat singular lawsuit has arisen in a Cincinnati court. A householder living next to a suburban engine-house, planted a pumpkin vine, which ran under the engine-house, and bore fruit twenty, thirty, or an hundredfold. The firemen kept the pumpkins, and the owner has brought suit for their value.

**Five Years' Sickness Cured by Four Bottles of Constitutional Catarrh Remedy.**

**Pain in Shoulders, Back and Lungs, an Droppings in Throat Disappear.**

ST. ARMAND, P. Q. Sept. 12, 1876.

MR. T. J. B. HARDING

*Dear Sir:*—Being desirous that others may know something of the merits of your CONSTITUTIONAL CATARRH REMEDY, I wish to inform you what it has done for me. I am twenty-nine years old; had been out of health for about five years. I had employed three or four different doctors, and tried various medicines, without receiving any permanent benefit, but continued rather to grow worse, until last fall, when I had become so bad as to be unable to do an hour's work at a time. Had severe soreness and pain under the shoulder blades and through the shoulders, with very lame back; and a feeling in my right lung as though there was a weight bearing it down with continual dropping in the throat and down upon the lungs. Such was my condition when I commenced to take your Catarrh Remedy, one bottle of which eased my pains and gave me an improved appetite, and after taking four bottles I was restored to health so as to be able to endure long and continued labor, such as chopping and clearing land, at which I have been engaged the past season. My recovery I attribute solely, with God's blessing, to the use of your Catarrh Remedy.

Yours truly HENRY SNIDER,

## BY-LAW NO. 6 FOR 1876,

OF THE TOWN OF GODERICH, TO RAISE BY WAY OF LOAN UPON DEBENTURES THE SUM OF $4,000, FOR THE PURPOSE OF ACQUIRING CERTAIN LANDS HEREAFTER PARTICULARLY DESCRIBED FOR THE PURPOSES OF A PUBLIC PARK.

*Whereas it is desirable, and the corporation of the Town of Goderich has resolved to acquire by purchase certain lands within the said Town of Goderich, for the purpose of a Public Park, which said lands are more particularly described in a certain deed made by Thomas Workman, Esq., P.L.S., as follows:*

Commencing at a point on the North limit of West street, said point being due west from the first and fifteen and a half (15½) feet from the southwest angle of lot five; thence Westerly along the Northern limit of Hector street seven hundred and nineteen and a half (719½) feet more or less to the Southeast angle of Harbor Lot 1021; thence due north twenty degrees and a half east two hundred and twenty-six (226) feet more or less to the Southeast angle of Harbor Lot 1022; thence due north twenty degrees and a half east two hundred and twenty-six (226) feet more or less to the Southeast angle of Harbor Lot 1023; thence Easterly parallel to the first course seven hundred and twenty-six (726) feet more or less to the Southwest angle of Harbor Lot 1024; thence due south twenty degrees and a half west two hundred and twenty-six (226) feet more or less to the Northeast angle of Harbor Lot 1025; thence Westerly along the Northern limit of Harbor street seven hundred and thirty-six (736) feet; thence due south thirty-seven degrees east two hundred and sixty (260) feet to the place of beginning.

The whole containing an area of three acres, two roods and twenty-eight perches (3a. 2r. 28p.) more or less.

And whereas to carry into effect the above recited object, it is necessary for the said Corporation of the Town of Goderich to raise the sum of six thousand dollars in the manner hereinafter mentioned;

And whereas the amount of the whole rateable property of the said Town of Goderich, irrespective of any increase in the same, and irrespective of any income to be derived from the temporary investment of the Sinking Fund hereinafter mentioned or any part thereof, according to the last revised assessment roll being for the year One Thousand Eight Hundred and Seventy-six, was one million one hundred and three thousand four hundred and sixty dollars (1,103,460);

And whereas the amount of the existing debt of the said Town of Goderich is the sum of seventeen thousand and five hundred dollars for principal and no principal or interest in arrear;

And whereas it will require the sum of three hundred and sixty dollars to be raised annually for the payment of the interest on the said sum of six thousand dollars at the rate of six per cent. per annum, and also the sum of three hundred dollars to be raised annually for the purpose of a sinking fund to also hereinafter mentioned, making a total amount of six hundred and sixty dollars to be raised annually in each year for the purpose of paying the said debt and interest.

And whereas for paying the interest and creating an equal annual sinking fund for paying the said sum of six thousand dollars and interest as hereinafter mentioned, it will require an equal annual special rate of six-tenths of a mill in the dollar in addition to all other rates and taxes to be levied in each year.

Be it therefore enacted by the Corporation of the Town of Goderich, in the County of Huron as follows:

1st: That it shall and may be lawful for the said Corporation of the said Town of Goderich to acquire by purchase the lands herein before particularly described for the purpose of a public park pursuant to the statute in such case made and provided, for the sum of four thousand dollars.

That it shall and may be lawful for the Mayor of the said Corporation to enter into all necessary contracts in the name of the said Corporation for the purchase of the said lands for the purpose aforesaid, and to affix the corporate seal of the said Corporation thereto, and to accept and receive delivery of all necessary deeds of conveyance of the said lands for and on behalf of the said Corporation.

3d. That it shall be lawful for the Mayor of the said Corporation to raise by way of loan, from any person or persons, body or bodies corporate, who may be willing to advance the sum upon the credit of the debentures hereinafter mentioned, a sum not exceeding in the whole of six thousand dollars, and upon the said sum being raised he shall cause the same to be paid into the hands of the Treasurer of the said Corporation, for the purpose and with the object above recited.

4th. That it shall be lawful for the said Mayor to cause any number of debentures, to be made for such sums of money as may be required, not less than one hundred dollars each and not exceeding in the whole, six thousand dollars, and that the said debentures shall be sealed with the seal of the said Corporation and be signed by the said Mayor and countersigned by the Treasurer of the said Corporation.

5th That the said debentures shall be made payable in twenty years from the day hereinafter mentioned for this By-law to take effect at the office of the Treasurer of the said Corporation and shall have attached to them coupons for the payment of the interest, annually signed by the said Mayor and Treasurer.

6th. That the debentures and coupons shall be made out in the currency of this Dominion, so that the whole amount of all not exceed the before mentioned sum of six thousand dollars, and they shall bear interest at the rate of six per cent. per annum, which interest shall be payable on the first day of February, in each and every year during the continuance of the said debentures, at the office of the Treasurer of the said Corporation.

7th. That for the purpose of forming a sinking fund and for the payment of the said debentures and the interest at the rate aforesaid to become due thereon an equal special rate per annum of six-tenths of a mill in the dollar shall be added to all other rates and taxes to be raised, levied and collected in each year upon all the rateable property within the said Town of Goderich, during the continuance of the said debentures or any of them.

8th. That this By-law shall take effect and come into force upon the Thirtieth day of December, One Thousand Eight Hundred and Seventy-six.

And be it further enacted that on the Ninth day of December, 1876, at ten o'clock in the forenoon, at the office of the Clerk of the said Corporation, the Mayor of the said Corporation will appoint persons to attend at the various polling places hereinafter mentioned, and at the final summing up of the votes by the Clerk respectively on behalf of the persons interested in and promoting or opposing the passage of the by-law respectively and that the votes of the ratepayers entitled to vote on said By-law shall betaken on the said proposed By-law at the places at which the last Municipal Elections were held as follows: In subdivision number one, in a shop on lot 124, Kingston street, James Ad.ams Returning Officer; in subdivision number two, in John Stewart's Auction room, on Kingston street, John Stewart Returning Officer; in subdivision number three, in the Firemans' Hall, East street, Stephen Yates Returning Officer; in subdivision number four in John Pasmore's waggon shop, Thos. ### Ayer's Cathartic Pills,

For all the purposes of a Family Physic, they are the best, safest, surest, gentlest, and most reliable cathartic that science, skill, years of patient study and universal knowledge can produce.

Not the least of their recommendations are their perfect safety and certainty. They can with best effect be taken by children, during the season when they need medicine, and their action is so mild that no injury can follow even from their improper use. Although gentle in their operation, they are still the most thorough and searching cathartic we can employ; cleansing the stomach and bowels, and even the blood. In small doses of one pill a day, they stimulate the digestive organs and promote vigorous health.

AYER'S PILLS have been known for more than a quarter of a century, and have obtained a world-wide reputation for their virtues. They correct diseased action in the several assimilative organs of the body, and are so compounded that obstructions within their range can rarely withstand or evade them. Not only do they cure the every-day complaints of everybody, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are, at the same time, the safest and best physic for children. By their aperient action they gripe much less than the common purgatives, and never give pain when the bowels are not inflamed. They reach the vital fountains of the blood, and strengthen the system by freeing it from the elements of weakness.

Adapted to all ages and conditions in all climates, containing neither calomel nor any other deleterious drug, these PILLS may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take; while being purely vegetable, no harm can arise from their use in any quantity.

## *Hair Vigor,*

**For restoring Gray Hair to its natural Vitality and Color.**

A dressing which is at once agreeable, healthy, and effectual for preserving the hair. *Faded or gray hair is soon restored to its original color, with the gloss and freshness of youth.* Thin hair is thickened, falling hair checked, and baldness often, though not always, cured by its use. Nothing can restore the hair where the follicles are destroyed, or the glands atrophied and decayed. But such as remain can be saved for usefulness by this application. Instead of fouling the hair with a pasty sediment, it will keep it clean and vigorous. Its occasional use will prevent the hair from turning gray or falling off, and consequently prevent baldness. Free from those deleterious substances which make some preparations dangerous, and injurious to the hair, the Vigor can only benefit but not harm it. If wanted merely for a

HAIR DRESSING,

nothing else can be found so desirable. Containing neither oil nor dye, it does not soil white cambric, and yet lasts long on the hair, giving it a rich, glossy lustre and a grateful perfume.
