Why He Resigned.

During the administration of President Hayes the postmaster at a remote office in Minnesota gave a singular reason for resigning his trust. Writing to the first assistant Postmaster General, he said.

"I desire and hereby give up and surrender the Post Office, of course lukking after things until my successor is appointed. I recommend Jeff Taylor who hasn't much to do You know the pay is only $49 a year and it has cost me half my crop as well as neglect of my store fur I've been in a fuss from the first month after I took hold. Ime a man who shames the devvil to tell the truth. The fact is I've got a wife and her two sisters who live in the store wher the Post Office is and theirs bin some terreble rows about openin letters which I don't accuse emybody but everybody has ther own suspicions. But wimmin will be wimmin as long as their is curiosity which the snake put into them ever since the days of the garden of Eaden. And I don't proposed to eat buckshot and batchers knives for the sake of $49 a year. Please let me know at once or I will tell the mail rider to go on to the next office,

Yours truly. ———"

The Bad And Worthless

are never imitated or counterfeited. This is especially true of a family medicine, and it is positive proof that the remedy imitated is of the highest value. As soon as it had been tested and proved by the whole World that Hop Bitters was the purest, best and most valuable family medicine on earth, many imitations sprang up and began to steal the notices in which the press and the people of the country had expressed the merits of H. B., and in every way trying to induce suffering invalids to use their stuff instead, expecting to make money on the credit and good name of H. B. Many others started nostrums put up in similar style to H. B., with variously devised names in which the word "Hop" or „Hops" were used in a way to induce people to believe that they were the same as Hop Bitters. All such pretended remedies or cures, no matter what their style or name is, and especially those with the word "Hop" or "Hops" in their name or in any way connected with them or their name, are imitations or counterfeits. Beware of them. Touch none of them. Use nothing but genuine Hop Bitters, with a bunch or cluster of green Hops on the white label. Trust nothing else. Druggists and dealers are warned against dealing in imitations or counterfeits.

A Great Mine.

The Leadville *Daily Chronicle* of Jan. 17th. says.—

The properties of the Adams Mining company are making a better showing at this time than they ever have before, the payment of the seventh monthly dividend being announced in another column, together with an extra dividend of $3.750, being 12½ cents per share on the capital stock. This makes the grand total of $101-250 paid in dividends during the last six months, notwithstanding the fact that the mine has by no means been worked for all it is worth. The entire product at this time is from 1,000 to 1,200 tons a month. There are thirty five or forty men employed, the present object being to simply have the mine pay its expenses and the dividends which have been so regular as almost to take its stocks out of field of speculation."

Mr. Samuel Adams, formerly of Miramichi and Bathurst, is manager of the above mine.

Remarkable Restoration.

Mrs. Adelaide O'Brien, of Buffalo, N. Y. was given up to die by her physicians, as uncurable with consumption, it proved Liver Complaint, and was cured with Burdock Blood Bitters.

Carter's Little Liver Pills are free from all crude and irritating matter. Concentrated medicine only; very small; very easy to take; no pain; no griping. no purging.

A Wise Conclusion.

If you have vainly tried many remedies for rheumatism, it will be a wise conclusion to try Hagyard's Yellow Oil. It cures all painful diseases when other medicines fail.

Smart Weed and Belladonna combined with the other ingredients used in the best porous plasters make Carter's S. W. & B. Backache Plasters the best in the market. Price 25 cents.

Seriously Ill.

A person suffering with pain and heat over the small of the back, with a weak weary feeling and frequent headaches, is seriously ill and should look out for kidney disease. Burdock Blood Bitters regulate the kidneys, blood and liver, as well as the stomach and bowels.

Dr. I. S. Johnson & Co., of Bangor, Me., proprietors of *Johnson's Anodyne Liniment*, will send free to all who will write for it reliable information how to prevent diphtheria, the most to be dreaded of all dreadful diseases. Write your name, post-office address, county and State plainly.

A Perfect Beauty.

Perfect beauty is only attained by pure blood and good health. These acquirements give the possessor a pleasant expression, a fair, clear skin, and the rosy bloom of health. Burdock Blood Bitters purify the blood and tone the entire system to a healthy action.

An English Veterinary Surgeon, now in this country, says Sheridan's Cavalry Condition Powders are superior to any he knows of in England, as they are absolutely pure. He denounces the large packages fraud and warns people not to buy them.

A Double Purpose.

The popular remedy, Hagyard's Yellow Oil, is used both internally and externally, for aches, pains, colds, croup, rheumatism, deafness and diseases of an inflammatory nature.

A Safe Investment.

Investing twenty-five cents for a bottle of Hagyard's Pectoral Balsam, the best throat and lung healer known. Cures coughs, bronchitis, asthma and all pulmonary complaints.

Reminiscences of a Memorable Event.

The pleasure seekers who are flocking to New Orleans to the great Exposition, make it a point to invest in the world renowned Louisiana State Lottery, and examine the integrity and correctness of the distribution under Generals G. T. Beauregard of La., and Jubal A. Early, of Va. The next (the 177th) Grand Monthly Drawing will occur at noon, Feb. 10th, of which M. A. Dauphin, New Orleans, La., will give any information.

Did She die?

"No!

"She lingered and suffered long, pining away all the time for years

"The doctors doing her no good;

"And at last was cured by this Hop Bitters the papers say so much about."

"Indeed! Indeed!"

"How thankful we should be for that medicine."

A Daughter's misery.

"Eleven years our daughter suffered on a bed of misery.

"From a complication of kidney, liver, rheumatic trouble and Nervous debility.

"Under the care of the best physicians,

"Who gave her disease various names,

"But no relief,

"And now she is restored to us in good health by as simple a remedy as Hop Bitters, that we had shunned for years before using it."—THE PARENTS.

Father his Getting Well.

"My daughters say:

"How much better father is since he used Hop Bitters."

"He is getting well after his long suffering from a disease declared incurable"

"And we are so glad that he used your Bitters"—A Lady of Utica, N. Y.
