NEWFOUNDLAND.—The Newfoundland Electric Telegraph Commissioners have finally arranged with Mr. Gisborne for the survey, preparatory to laying down the grand line of telegraph between Cape Race and Cape Ray. Mr. Gisborne starts on his arduous journey about the latter end of the next month, with a party of six men, and he expects to reach Cape Ray after about two months and a half walking. He will then return to St. John's, and complete the route towards Cape Ray early in the spring.—*Ib.*

WEST INDIES.—The eminent firm of A. Duff, Demerara, has failed in consequence of the bankruptcy of the house of Peter Duff & Co., Liverpool. Mr. Duff's liabilities are 90, his assets 50. Duff was the great cotton planter of Demerara, and the failure of his Liverpool house is attributed to the opposition to the planting interest from the people, but from particular parties.—*Quebec Mercury.*

We were yesterday shown a *flash* note purporting to be a One Dollar Bill of the Bank of Lake St. Clair, (Michigan,) which had been passed off upon a poor woman. THE MACHINERY OIL

OF my manufacture is pronounced by those as competent to judge as any, I trust, in the United States, equal to the best Sperm Oil, except for *burning* purposes, for which it is not recommended. Parties ordering will please observe the following:—
1st. I manufacture Oil for summer and winter use.
2nd. The winter is not recommended for summer use, it being of such a limpid nature that it is liable to run off the bearings.
3rd. The summer Oil is not recommended for winter use, as it has too much body, and will congeal at about 20° above zero, standing but 12° colder weather than winter Sperm Oil.
4th. The winter Oil is *warranted* to remain *limpid* in the most *extreme cold* of the United States and the Canadas.
5th. As the Oil is produced by a high degree of heat, in some cases, when applied to the Piston Rod of a Steam Engine and other Cylinders heated by Steam, it will evaporate. The same is applicable to Sperm and other Oils.
Parties ordering will readily notice the importance of designating whether it be for *summer* or *winter* use.

I beg to call your *particular* attention to the following letter of J. W. McLellan, Esquire, Superintendent of motive power St. Lawrence & Atlantic Railroad:—

B. F. POND, ESQUIRE,—Dear Sir: I wish you to forward, for the use of the St. Lawrence & Atlantic Railroad, immediately, fifty barrels of your Machinery Oil. Please forward via Saint Johns.
I have found your Oil to work equal to Sperm Oil as to its lubricating and lasting qualities. As to its standing cold weather, I found, from close observation through the coldest days of last winter, that it did not chill in the least.
I am, very truly, yours,
J. W. MCLELLAN,

JUDSON'S
CHEMICAL EXTRACT OF

CHERRY AND LUNGWORT,
FOR THE CURE OF
Coughs, Colds, Hoarseness, Spitting of Blood, Night Sweats, Asthma, Liver Complaints, and
CONSUMPTION.

THE most strongly marked and developed cases of Pulmonary Consumption, where the lungs have become diseased and ulcerated, and the case so utterly hopeless, as to have been pronounced by Physicians and friends to be past all possibility of recovery, and at times thought to be dying, have been cured by this wonderful remedy, and are now as well and hearty as ever. It is a compound of medicinals which are peculiarly adapted to, and essentially necessary for the cure of
COUGHS AND CONSUMPTION.
Its operation is mild, yet efficacious; it loosens the phlegm which creates so much difficulty, relieves the cough, and assists nature to expel from the system all diseased matter by expectoration, producing a delightful change in the breathing and chest, and this, after the prescriptions of the very best medical men, and the universe of kind and sorrowing friends and nurses, have failed to give the smallest relief to the *Consumptive sufferer.*
THOUSANDS OF CONSUMPTIVE
persons have been deceived repeatedly in buying medicines which were said to be *infallible* cures, but which have proved only palliatives; but this medicine is not only a palliative, but a cure *for advanced lungs.* It contains no cheleterious drugs, and one trial will prove its astonishing efficacy better than any assertions or certificates in curing Consumption and all diseases of the lungs, such as *spitting of blood, coughs, pain in the side and chest, night sweats, &c., &c.*
About 1000 certificates of almost *miraculous* cures, performed by this medicine, from some of the first Doctors, Clergymen, and Merchants, have been sent us for this medicine, but the publication of them looks too much like a Quackery, (will show them to any person calling at our office.) This medicine will speak for itself and enough is its own favor wherever it is tried.
Caution.—This medicine is put up in a large bottle, and you must find the name of Comstock & Brother, Proprietors, New York, on the splendid wrapper around the bottle. All orders must be addressed to Comstock & Brother, No. 9, John Street, New York.

TO OWNERS OF AND DEALERS IN HORSES.

CARLTON'S FOUNDER OINTMENT,
For the cure of Founder, Split Hoof, Hoof-bound Horses, and Contracted and Feverish Feet, Wounds, Bruises in the Flesh, Galled Backs, Cracked Heels, Scratches, Cuts, Kicks, &c., on Horses.
CARLTON'S RING-BONE CURE,
For the cure of Ring-Bone, Blood Spavin, Bone Spavin, Windgalls, and Splint—a certain remedy.
CARLTON'S CONDITION POWDERS FOR HORSES AND CATTLE.
The changes of weather and season, with the change of use and food, have a very great effect upon the blood and sinuous fluids of horses. It is at these changes they require an assistant to nature to throw off any disease of the fluids of the body that may have been imbibed, and which, if not attended to, will result in the Yellow Water, Heaves, Worms, Bots, &c. All of which will be prevented by giving one of these powders, and will, at any time, cure when any symptoms of disease appear, if used in time. They purify the blood, remove all inflammation and fever, loosen the skin, increase the water, and invigorate the whole body, enabling them to do more work with the same feed. The action of these powders is direct upon all the secretive glands, and therefore have a decided effect upon the Horse, the Ox, the Ass, and all Herbivorous animals—all diseases arising from, or producing a bad state of the blood, are speedily cured by them. Remember and ask for CARLTON'S CONDITION POWDERS, and take *no others.*
CARLTON'S NERVE AND BONE LINIMENT
FOR HORSES,
and for the cure of all diseases of man or beast that require *external* application, and for *enlarged cords* and *swollen, strengthens weak limbs,* and is also used for *sprains, bruises, saddle galls, swelled legs,* sores of all kinds on Horses.
CARLTON'S articles for *Horses* and Cattle are prepared from the recipe of a very celebrated English Farrier, and will cure, in ninety-nine cases out of one hundred, any of the above complaints. They have been used by *Farriers,* Liverymen, Stage Proprietors, and others, with the most marked and decided success.
CAUTION.—None can be genuine unless you find the name of J. Carlton Comstock on the wrapper of each article.

FOR FEMALE AND MALE.

DR. LARZETTE'S JUNO CORDIAL, or Procreative Elixir, prescribed as an effectual restorative in cases of Debility, Impotency, or Barrenness, and all irregularities of nature. It is all that it professes to be, viz: Nature's Great Restorative, and remedy for those in the married state without offspring. It is a certain cure for Seminal Emissions, General Debility, Gleet, Weakness of the Genital Organs, Nervous Affections, Leucorrhœa or Whites. As an invigorating medicine, it is unequalled. Also, a certain remedy for incipient consumption, Indigestion, loss of Muscular Energy, Physical Inanimate, Female Weakness, Debility, &c. It is warranted to please the user in any of the above complaints, and is of priceless value to those without offspring.
CAUTION.—Find the name of Comstock & Brother on the wrapper, or never buy it—the only genuine has their signature on the wrapper.

CARLTON'S LINIMENT FOR THE PILES, &c.

It is now used in the principal Hospitals, and in the private practice in our country, by an immense number of individuals and families, first and most certainly for the cure of the PILES, and also extensively and effectually as to baffle credulity unless where its effects are witnessed—extensively in the following complaints:—
FOR DROPSY—Creating extraordinary absorption at once.
SWELLINGS—Reducing them in a few hours.
RHEUMATISM—Acute or Chronic, giving immediate ease.
SORE THROAT—By Cancers, Ulcers, or Colds.
