OFFICE OF THE PRESIDENT

June 12, 1923.

Sir A. W. Currie,
Principal and Vice-Chancellor McGill University,
Montreal.

Dear Sir:

President Mackenzie duly received your letter of the 5th inst., and as he was exceedingly busy prior to his departure for Kingston, to attend the Conference of Canadian Universities, he asked me to acknowledge its receipt and to thank you for the information you have sent him with regard to the Robert Bruce Bursaries.

Yours very truly,

N. Joyce Adams

Secretary to the President.
