Good-By to Jack Smyth.

About 60 friends of John J. Smyth were at the Union Station yesterday to say good-by and wish him good luck at Rio de Janeiro. The well-wishers included mostly members of the Toronto Rowing Club and fellow officers of the Toronto Railway Company.

MONTEREY AND TAMBEAU WON EASILY AT CITY PARK

Both Derby Candidates Heavily Backed—Selections and Entries for To-Day.

New Orleans, March 2.—Albert Simons and W. V. Hollar paraded two City Park Derby candidates at the new track to-day, and both horses won. Monterey took up 110 pounds and made a show of a good field of 3-year-olds in the handicap at 5½ furlongs, with 8 to 1 about his chances at the opening of the betting. Simons and his crowd got busy when the layers offered this price, and backed him down to 5 to 1 at post time. Tambeau was Hollar's 3-year-old, and he simply romped in behind Nonie Lucille, the pacemaker, until the stretch was reached, then drew away and won easily. The downpour of rain last night left the track in a muddy condition. Summary:

The first game of the grand finals at the armories last night was one of the fastest and best ever played in the Garrison League, and after a hard fought battle resulted in a victory for H Co., Highlanders. Brokers Beat Bankers.

A very interesting curling match was played yesterday on the Granite ice between two old-time rivals in sport—the Toronto Stock Exchange and the Dominion Bank. The brokers bulled things a little too hard for the bankers and tiled up a very respectable score. The bankers, after the game, entertained the brokers to supper, where very many pleasantries between old friends were indulged in. During the evening a pool competition was formed, when the brokers again bested their rivals. The following is the curling score:

Curling To-Day.

Four rinks of the Hamilton Thistles will visit Prospect Park this afternoon to play the annual match for the David Carlyle Cup.

Messrs. R. and J. Rennie, McIntosh and Nichols are the Caledonian skips this afternoon to meet the Aberdeens in Mutual street.

Glen Grove Ride Club.

J. A. McNab of Carlton-street is receiving the congratulations of his many friends, as he has succeeded in winning the much-coveted Thorburn Cup, given for competition among the members of the Glen Grove Ride Club by Dr. J. D. Thorburn, of Bloor-street, one of the club's most enthusiastic members. The shooting was at 20 yards, off-hand, on the standard American target, and when the final shots were fired on Saturday last Mr. McNab had a tidy total to his credit of 385 points out of a possible 500, with C. H. Jordan second, just nine points behind. The winner used a Stevens Ideal rifle, 32-40 calibre, and taking the weather conditions into consideration, the score is considered to be somewhat exceptional.

Athletes for Athens.

Toronto candidates for the Olympic games at Athens April 22 to May 2 will leave here on Monday morning at 9.45, arriving in New York Monday night at 9 o'clock, and sailing on the Carpathian for Naples Tuesday at noon. They are due in Naples on March 21, and at Athens on March 29, which gives them just a full month for training over the ground.

The party will consist of Elwood Hughes and J. Linden of the West End Y.M.C.A., and Ed. Archibald of the Central Y. M. C. A.

Hughes will run in the Marathon of 27 miles, or the five miles. Linden is a walker, and Archibald the pole vaulter.

Gossip of the Turf.

A definite date has been fixed for the sale at auction of the Washington Park race track in Chicago. This fine racing property, where the American Derby has been run, will go under the hammer on March 15.

The Havana Jockey Club, which is building a race track in Cuba, is planning to have a $50,000 stake as a feature of its first meeting next winter.

Recently Col. Hall Walker, noted English turfman, offered to back his colt, Black Arrow, for the Two Thousand Guineas and Derby, and his filly Colonia for the Oaks, if better odds than 50 to 1 could be got for the triple event.

The Newmarket correspondent of The London Sportsman recently called attention to the fact that August Belmont's Lincoln Handicap candidate, Lord Hastings, is quite well in condition, as he is one of those which did not have much idleness during the winter, and for this reason alone he cannot be passed over.

Amateurs who have ridden in the Epsom Derby are: In 1835, Alexander Bartley, a bootmaker, rode Pegasus; in 1858, William Robinson, a solicitor, rode his own horse, Pelissier; in 1862, William Bentl rode Alvediston; in 1869 he rode Alpenstock; in 1904, George Thursby, whose percentage of winning mounts in 1905 was better than any professional, rode his brother's colt, John o' Gaunt.

Jockey Lucien Lyne will ride Lotus Eater in the Crescent City Derby.

Sewell will have the mount on C. R. Ellison's Lady Navarre.

Sporting Notes.

The Parkdale Albions practice to-day at 3 p.m. at Stanley Barracks.

Patrick Daley knocked out Crawley of London, in the fifth round of a 15-round match at the Whitechapel Sporting Club of London on Monday.

Jack Heydon, who recently applied for and was denied reinstatement by the National commission, has signed with the Washington Club of the new P., O. and W. Va. outlaw league.

More than 100 amateur and semi-professional ball clubs of Greater New York have formed an Inter-City Association. Graded leagues will be organized, following plans suggested by Clark Griffith.

P. Fleming, whose cousin, F. Fleming, slated in the city championship races, declares that there were irregularities in deciding some of the events.

Tom Jordan, the big first baseman of the Baltimore Eastern League team, who batted .312 and fielded .986 last year, has signed to play with the Superbas during the coming season. Jordan played 130 games with the Orioles in 1905.

The Pennsylvania crew work on the Schuylkill River was started March 1. All the thermometer registered 32 degrees in the afternoon, Coach Ward put three 8-oared crews on the water. One of these was filled with varsity candidates and the other contained freshmen.

James Naughton, the well-known manager who so successfully conducted the affairs of the McDonald Manufacturing team in the Manufacturers' League last season, will enter a team in the Don Valley League and with the players he has secured expects to land the pennant. Mr. Naughton will hold a meeting some night next week, notice of which will appear later. The organization meeting of the Don Valley League will be held in Y.M.C.A. room C on Monday at 8 p.m. All teams interested are invited to attend.

City League Shoot.

The Stanley Gun Club will shoot the Riverdale Club on the grounds of the latter this afternoon.

R.M.C. WINS FINAL GAME BEAT M'MASTER BY 15-14

Fast College Game at Mutual St. Rink—Peterboro 7 Ahead of Goderich.

The intermediate championship for the inter-collegiate series was won last night in the Mutual-street Rink by the Royal Military College boys of Kingston. The opposing team in the final game was composed of a swift bunch of McMaster students and if it is speed and good shooting which makes a game worth watching, the game last night was fully up to the standard.

The score indicates how evenly matched both teams were and how necessary it was for every man to show all the speed he had. Jordan, who has only partly recovered from a bad knee, was somewhat handicapped.

Had it not been for Rolly Young starring every time he chased the puck McMaster would have been badly snowed under. Watson and Hale for R.M.C. also played star games.

The large score indicates how fast the puck traveled from one end to the other and in what short time it took each team to score. The line-up was as follows:

R.M.C. (15): Goal, Carruthers; point, Rhodes; cover, Browne; rover, Powell; centre, Watson; right, Coristine; left, Hale.

McMaster (14): Goal, McLaurin; point, Young; cover-point, G. C. McEwen; rover, Murray; centre, S. R. McEwen; right, Ware; left, Jordan.

Referee—Stan. McArthur.

The goals scored were: R.M.C., 1st, 3rd, 5th, 7th, 8th, 12th, 13th, 16th, 19th, 20th, 21st, 24th, 26th, 27th, 28th. Total 15.

McMaster—2nd, 4th, 6th, 9th, 10th, 11th, 14th, 15th, 17th, 18th, 22nd, 23rd, 25th, 29th. Total 14.

Some of the goals were scored in a quarter of a minute.

Chancer Elliott Popular Referee.

Chancer Elliott, the official referee in the International Hockey League, is quite popular in Pittsburg. The Despatch points out that he is a college man hailing from Queen's University, Kingston, Ont., and also adds: Elliott is one of the best known and one of the most popular athletes that Canada has. He was an all-round athlete, having been recognized as one of the best centre half-backs that the Canadian Rugby football game knew. He captained and played on the Queen's University football team for two years. He played on and captained the famous Granite football team of Kingston, Canada, one of the greatest Rugby organizations that Canada ever saw, holding the Canadian championship in 1900.

He has played hockey on the famous old Queen's team and made several appearances in Duquesne Gardens; he also played hockey on the Kingston Frontenacs when they visited Pittsburg a few years ago. His career as an amateur came to a close in 1902 when the Ontario Rugby Football Union put him under the ban of professionalism, the charges being that he had played baseball for money. He then started coaching football teams and refereeing hickey games.

He is recognized as a good baseball catcher and has run some fine semiprofessional and independent teams in Canada. He is at present a member of the A. J. & G. team, champions of the New York State League.

Paris Won Trophy.

Brantford, March 2.—(Special.)—Excited and looking for trouble, a crowd of 500 spectators poured out on the ice with three minutes more to play of the second game between Brantford and Paris to-night, to take part in a free fight among the players. The game was for the Wood-Burnley Trophy, emblematic of hockey supremacy between these two places, and resulted in favor of Paris by the score of 4 to 0, Paris thus winning the round by 10 goals to Brantford's 4. Line-up:

Brantford (0)—Goal, Meade; point, Preston; cover-point, Canfield; rover, Patterson; centre, McLean; wings, Tuck and Smith.

Paris (4)—Goal, Peebles; point, L. Fraser; cover-point, Coleman; rover, M. Fraser; centre, Kempthorne; wings, Lovett and Lowe.

Trouble Over Northern Final.

Harriston, Ont., March 2.—The hockey match between Harriston and Wingham in the latter place Feb. 23 has been protested by the Harriston Club, on account of some alleged crookedness. Therefore the championship of the Northern League has not yet been decided, as published, until the protest which will be given a hearing in Palmerston to-morrow is settled. The official score, as given by Referee Morrow, for the game here Feb. 28, was a tie, 4-all, and not, as reported, 4 to 5 in Wingham's favor.

Peterboro Seven Ahead.

Peterboro, March 2.—(Special.)—In a game replete with sensational plays, of lightning swiftness and unmarred by roughness, the Peterboro hockey team defeated Goderich here to-night by 10 goals to 3. The match, which was witnessed by over 2000 people, was the best seen here in years. The home team, tho handicapped by the hard match in Parry Sound Wednesday night, played a swift and aggressive game, and outpointed their opponents in combination work and stick-handling. At half-time the score was 1-all, but in the second half the locals were able to draw out the Goderich defence and netted nine goals. Whitcroft excelled for Peterboro, while Carr Harris was conspicuous for the visitors. Goderich adopted defensive tactics thruout the game. There were always two or three men right in the nets, and, as they handled the puck well and relieved quickly, Peterboro found it difficult to score. In the second half the locals struck a terrific pace, while their opponents seemed to lose their stamina. Whitcroft zig-zagged thru their entire defence and netted the puck several times. Glover dropped one in from point. Peterboro now has a lead of seven goals in the finals for the intermediate championship. The decisive game will be played in Goderich Monday night. F. C. Waghorne of Toronto gave satisfaction as referee. The teams were:

Peterboro (10)—Goal, Wasson; point, Glover; cover-point, Crowley; rover, Whitcroft; centre, Morgan; right wing, Graham; left wing, Cavanagh.

Goderich (3)—Goal, McIvor; point, Campbell; cover-point, Carr Harris; rover, H. McGaw; centre, Wiggins; right wing, McDonald; left wing, F. McGaw.

Referee—Waghorne.

Varsity vs. Marlboros To-Night.

The Marlboros will be called upon to defend the Harold Wilson Cup and the city championship to-night at the Mutual-street Rink, against Toronto Varsity. The students will play the regular team, and if they play up to the form displayed in the match with McGill, will make the Dukes, who will have a strengthened septet, hustle all the time. Dr. A. B. Wright will referee, and the game will be called at 8.15. The plan opens at the rink this morning. The teams:

Varsity—Goal, Keith; point, Hanley; cover, Broadfoot; rover, Martin; centre, Clark; wings, Toms and Davidson.

Marlboros—Goal, Tyner; point, Brown; cover, Rosler; rover, Quigley; centre, Birmingham; wings, Kidpath and Winchester.

After the Puck.

Parkdale and Deer Park will play off for the junior city championship at Mutual-street Rink to-morrow night after the senior game.

The standing of the Wholesale Grocery League is as follows:

	Won.	Lost.	To Pl.
T. Kinnear & Co.	5	1	2
Grocery Brokers	3	1	4
James Lumbers	3	2	3
Canada Grocers	1	3	4
H. P. Eckardt & Co.	0	5	3

The Ontarios have made a good showing all thru the season. They have won 10 games out of 12, and their two losses were by the narrow margin of one goal. Cobourg defeated them on a "dark" and "hazy" night by 3 to 2, and they lost to Belleville, 6—5 after overtime play.

A Marquette, Mich., despatch says: A new hockey league is in sight for next season. The plan contemplates the withdrawal of Pittsburg from the International League, and its connection with the new association Chicago, Toronto, Cleveland and Louisville also will be members. It is said that the matter has progressed so far that Chicago is assured of a $250,000 hockey rink, and that Hod Stuart of Pittsburg will have the management of the Chicago team. It is expected that the new league will take definite shape this week.

WATERLOO COUNTY GOLF.

Country Club Organized—Location Between Preston and Galt.

Preston, Ont., March 2.—(Special.)—The Waterloo County Golf and Country Club is the latest thing in this up-to-date and prosperous county. For some time past the necessity of such a club has been often discussed and a few weeks ago the discussion came to a head when a Preston solicitor secured an option on the Oliver farm, situated midway between the Mineral Springs Town and Galt on the Galt, Preston, Hespeler and Berlin Railway line.

The property embraces 90 acres and is beautifully situated and adapted for the purposes of the club, who have just been granted a charter by the provincial government. It is proposed to go ahead at once with the erection of an up-to-date club building and to lay out golf links. About $10,000 will be thus expended.

The membership of the club will extend all over the county and the club will prove a very popular social meeting place and add another to the long list of attractions of which this good old county can boast.

WHY ARE OUR AUCTION SALES UNUSUAL?

There are many reasons—We indicate a few:

Because we opened this market to save you money. We have demonstrated there is no need for any buyer to go to the country for horses, as we can save them their country expenses.

We can supply any class of horses bred, and have from 150 to 300 horses every week that have to be sold.

Our horses are right from the farms they are raised on. They are right out of work and ready to go back to work. Our shippers are men of many years' experience, who know a good horse when they see it, and we defy any dealer or individual to prove our horses are not as represented.
