The Question

is not—"Can you afford to buy a Filing Cabinet?" but "Can you afford to be without one?" Filing Cabinets should not be looked upon as a luxury—but a dire necessity.

Their purpose is to minimize labor and expense and incidentally preserve a neat and orderly appearance about the office.

Next thing to appreciating this need of a Filing Cabinet is to know which is the best to buy.

One thing leads to another and so all good filing cabinet needs lead to the "Macey"—and thence to

Stanley Gun Club.

The Stanley Gun Club journey to Hamilton to-day to shoot a match with the Hamilton Gun Club. At the first contest, held in Toronto, the Stanleys won by nine targets, but the second match, shot in Hamilton, resulted in a tie. The Hamilton people claimed that this was "no match," hence this trip.

The annual dinner of the club was held at the Merchants' Hotel and restaurant last evening. Guests were present from Hamilton, as well as from the various city clubs. Thomas A. Duff was presented with a handsome quarter-cut oak secretary in recognition of his services in connection with the various successful tournaments held under the club's auspices, and Mr. George M. Dunk was the recipient of a gold watch. Mr. Dunk superintended the construction of the new club house and the laying out of the grounds. The Stanley Gun Club has now the most complete shooting park in Canada, and visitors will always receive a cordial welcome.

The president, J. H. Thompson, presided at the dinner, while George W. McGill made a most efficient toastmaster. The prizes were presented by Mr. Duff, the winners being: Messrs. George L. Vivian, J. H. Thompson, H. Townson, George M. Dunk, W. H. Joselin, F. Hooey, A. S. Edkins, Ald. R. Fleming, George H. Cashmore, P. Wakefield and James Williams.

PROVIDENCE LEADS LEAGUE TORONTO LOST, 13 INNINGS

Montreal Forfeited Game to Jersey City—Baltimore Beat Buffalo.

As a result of yesterday's play Providence has the first clear lead in the Eastern League race for 1906, and Rochester is the first tail-ender. It took Newark 13 innings to wrest the game from Toronto, and the winning run was the only tally of the game. Baltimore beat the Buffalo windbags and Montreal was ahead when Jersey City was given the game by forfeit. It appears that the umpire refused to enforce his decision by which two Jersey City players were ordered out of the game. The players defied him, and Count Campau let them continue, while he rewarded Montreal's natural protest by giving the champions the game by default. Record:

	W.	L.		W.	L.
Providence	2	0	Toronto	1	1
Montreal	1	1	Newark	1	1
Buffalo	1	1	Baltimore	1	1
Jersey City	1	1	Rochester	0	2

Games to-day: Toronto at Newark, Montreal at Jersey City, Buffalo at Baltimore, Rochester at Providence.

West End Y.M.C.A. Games.

The West End Y.M.C.A. gymnasts were privileged to give their exhibition at the asylum, Queen-street, last night, much to the pleasure of the audience and nurses and guards in attendance. The pick of the three closing exhibitions recently put on was given and drills and pyramids included.

W. H. Scott and W. H. Crosby gave a clever exhibition of fencing and single stick, but it remained for John Roe and James Humphrey to bring them all to their feet when they put on a wrestling bout. This seemed to be the most interesting event and they thoroly enjoyed the change from the usual program.

Frank Clegg in song and xylophone solos very much pleased all in his usual manner. The patients brought him back each time.

The club swinging by six men using electrically lighted clubs, pleased all and brought forth frequent cheers of the more artistic.

The West End Y.M.C.A. lacrosse team held another successful meeting and elected George Hawse captain for the season and Arthur Lee secretary-treasurer. The club have secured most excellent grounds for practice and games and will begin practice on Saturday afternoon, meeting at the building at 3 o'clock. All members are requested to be on hand and any new men are asked to be on deck early.

The West End Y.M.C.A. have decided to use the field just back of the building and are now grading and fencing it for the boys' department and will have it for a practice field for football, lacrosse, baseball and quoits, etc. All boys of any age whatever, who want to take part in any of these games are asked to leave their names at the office or with the physical director at once.

Fred Rankin of Stratford, who died out in the northwest, played point for Stratford junior hockey team in that famous Stratford-Upper Canada game.

On Saturday evening next Toronto Canoe Club members will celebrate the wind-up of the spring social term. Hon. Secretary Plante is looking after the musical arrangements, and this promises a rare treat. It is, perhaps, fair to mention that the inner man will not be neglected.
