Twelvetrees Brothers' Soap Powder

(an entirely new invention.)

IS the cheapest, safest, best, and most effectual article for all washing purposes, a packet of which is equal to ten Pennyworth of Soap!

The saving of Time and Labour is so astonishingly great, that a WEEK'S WASH can be accomplished BEFORE BREAKFAST with nothing being required.

This wonderful Article is MORE SERVICEABLE THAN SOAP, as it produces a better and much quicker lather, and is adapted for purposes for which Soap cannot be safely or effectually used.

It will not injure the hands, or the most delicate material; but whilst it is incomparable for permanently whitening Linens, &c., after they have become discoloured by age, or injured by bad Washing, it is also unsurpassable for improving the colors of FLANNELS, BLANKETS, WOOLLENS, COLORED PRINTS, MUSLIN and LACE.

Halifax, 12th July, 1853.

ARCHIBALD SCOTT, Esq.

SIR,—As the Agent of various *Fire Insurance Companies*, I beg to bring under your notice my *PATENT ARTIFICIAL SLATE*. This composition has been upwards of, three years extensively used in New Brunswick, Newfoundland and Prince Edward Island, the Canadas and Nova Scotia, principally for covering shingled roofs, as you will perceive by the accompanying circulars of certificates. It has been severely tested, and proved most successfully its fire proof qualities under most extraordinary circumstances; so much so, that I am of opinion that Fire Insurance Companies should encourage its general application to all kinds of wood building (where the color would be no objection to its being used, such as the back walls of dwellings in the city, out houses, ware-houses, &c., as well as the roofs) by lowering the premium of insurance on such buildings as are covered.

I have the honor to be, sir,
Your obedient servant,
J. W. ROSS,
Patentee and Manufacturer.

Halifax 14th July, 1853.

SIR,—In answer to your note of the 12th inst. I consider the use of your "Artificial Slate Paint" on shingled Roofs, as greatly diminishing the risk against Fire—I have frequently reduced the premiums on Buildings in the Country, upon its application,

I am, sir, your ob't servant,
ARCH'D. SCOTT.
Insurance Agent.

British Periodical Publications.

FORWARDED by mail, under the provisions of the late Post Office Law, at merely nominal rates.

2. *The Edinburgh Review* (*Whig*).
3. *The North British Review* (*Free Church*).
4. *The Westminster Review* (*Liberal*).
5. *Blackwood's Edinburgh Magazine* (*Tory*).

These Reprints have been in successful operation in this country for *twenty years*, and their circulation is constantly on the increase, notwithstanding the competition they encounter from American periodicals of a similar class, and from the numerous *Eclectics* and Magazines made up of selections from foreign periodicals. This fact shows clearly the high estimation in which they are held by the intelligent reading public, and affords a guarantee that they are established on a firm *basis*, and will be continued without interruption.

Although these works are distinguished by the political shades above indicated, yet but a small portion of their contents is devoted to political subjects. It is their *literary* character which gives them their chief value, and in that they stand confessedly far above all other journals of their class. *Blackwood*, still under the masterly guidance of Christopher North, maintains its ancient celebrity, and is, at this time, unusually attractive, from the serial works of Bulwer and other literary notables, written for that magazine, and first appearing in its columns, both in Great Britain and in the United States. Such works as "The Caxtons" and "My New Novel," (both by Bulwer), "My Peninsular Medal," "The Green Hand," and other serials, of which numerous rival editions are issued by the leading publishers in this country, have to be reprinted by those publishers from the pages of Blackwood, after it has been issued by Messrs. Scott and Co., so that Subscribers to the Reprint of that Magazine may always rely on having the earliest reading of these fascinating tales.

WONDER OF THE WORLD.

Gravel Cured of five years standin

Messrs. CURTIS & PERKINS, Bangor, Me.

Gentlemen,—I have been entirely cured of the Gravel, by the us of your *Cramp and Pain Killer*. I commenced taking the Cramp and Pain Killer in the Spring of 1847. I had been a great sufferer for ten years previous; some four or five years of the time I suffered beyond all my powers to describe.

During this time, I have had medical aid, and tried various spe- cifics, but found very little relief until I obtained your Cramp and Pain Killer. In one month after I commenced using it, I began to grow better. I continued to use it for a year, all the time improving until I was entirely cured. MILES STAPLES.

Prospect. Me., Jan. 29, 1851.

We, the undersigned, are well acquainted with the above case, and certify to the above statement of facts.

CHARLES CLIFFORD,
HANNAH CLIFFORD,
STANTON ELLIS.

Doctor Toby, a regular practising Physician, of East Machias, writes us under date of March 20, 1847:

"Please send me half a gallon of your Cramp and Pain Killer—it is the best medicine to cure what it is represented to, that I evertised."

The Doctor first made use of it in his own case, for a severe sprain in the shoulder, caused by the upsetting of a stage, and found immediate relief, and has since used it in his practice.

Read the following. It speaks for itself.

RHEUMATISM CURED.

I certify, that I was afflicted with a violent Rheumatic pain in the small of my back, which entirely disabled me, so that I could not get up without the greatest pain and effort; nor could I walk without a cane, and but very little with. I applied Doctor Johnson's Anodyne Liniment, or Liquid Opodeldoc, and several other remedies, without any relief. After suffering in this way about a week, I purchased a bottle of *Cramp and Pain Killer*, prepared by CURTIS & PERKINS, Bangor, and after *three applications* was entirely relieved and free from pain, and am now entirely well. I also cured a friend of mine, who had been suffering for a long time with a lame side, with the same bottle. I believe it the best medicine in the world, and am happy to add my testimony in its favor
